Easy Way to Break Bad Habit of Constipation Many people become intensely worried and frightened if they do not have at least one bowel movement a day. They expect dire consequences and ascribe numerous unrelated symptoms to their constipation.

They complain of such symptoms as biliousness, coated tongue, bad taste in mouth, flatulence, nausea, abdominal distention, headache, dizziness, moderate rise of temperature. Medical books warn that irritating cathartics generally are to be condemned. Doctors prescribe a new tablet guaranteed to break the laxative habit. You can buy it without prescription under the name of IBERGEL. Get relief from the most stubborn constipation. IBERGEL tablets are sold by Western Thrift—30 N. Central
