FINE QUALITY FOODS

Please Accept Our Apology . . .

... for any inconvenience our remodeling has caused you. Just in case our service isn't up to its usual high standard, or if you find our store isn't quite as neat and tidy as you're accustomed to seeing it, please be patient. The Groceteria has always tried to keep abreast with the progress of this fine community and area, so the muss and fuss these days at our store is due to our effort to provide a bigger, better, more roomy and convenient place in which to shop . . . We know you'll like it, especially the nice wide aisles and the convenient entrance from our parking lots, so please bear with us during the next sixty days while our remodeling is underway.
