Klamath's Union High school's goliath Pelicans padded their leadership by half a game in the Southern Oregon Basketball circuit Friday night but had to fight for life in the final minutes against a stormingly reluctant Black Tornado.

Sparked by the clutch shooting of 6-8 all-star Glenn Moore, the Pelicans forged from behind twice in the concluding chukker to overcome Medford high 59 to 54 and up their conference standing to a 3 1/2-game bulge over their nearest competitor.

Moore, who had 28 points for the night and 11 for the last quarter, broke a 53-all knot with 45 seconds to play by taking a feeder pass from little Smiley Herrera and whipping the ball through the hoop. Tom Hamlin cut the gap with a gift point on a two-shot opportunity for Medford with 35 seconds left. But Moore hit from close in with 15 seconds remaining and added a free toss for 58 to 54. And Dave Robinson picked up a final free tally with four seconds on the clock.

GP Second Alone

Ashland high rapped Crater 57 to 41 in the other Friday league scramble to pull into a third place tie with Medford. Grants Pass, resting this week end, assumed lone grasp on second position.

Klamath opened the conflict here with a torrid rush making seven of its first eight goings attempts. The Tornado responded with a stirring fight for the ball under both backboards, sparked by Lowell Dean, Jerry Anderson and Billbee Lane, and fast broke down the floor when it captured the ball on defense.

And in the second period this hustling helped cool the Pels who hit only two for 15 from the floor.

Medford scrapped the Pelicans evenly in retrieves under the hoops during the first two quarters, but Klamath with its superior height had the rebounding advantage and warmed up to its shooting, paced by Moore, over the final stages to wrest a triumph.

The Tornadoes, who to a man played the battle to the hilt all the way, yielded a 10-point margin to the Pels early in the second-period then whirled up a vicious comeback game. Medford pushed in front for the first time at 34 to 33 in the third canto. After that the lead

switched hands five times and the fracas was deadlocked on six occasions before KF could claim a victory.

3-Point Tornado Lead

Medford was on top 50 to 47 with just 3 1/2 minutes left in the game.

Klamath entered the last stanza with a scant 43 to 41 gap and Moore brought it to 44 to 41 in the first minute of the quarter. Dean picked up a pair of free markers for Medford. Moore hit from the foul line again and Lane rebounded in the same manner for the Tornado. Then Hamlin swished a brace of charity throws for a 46 to 45 Medford lead.

Moore made it 47 to 46 for Klamath with a jumper from the slot but Anderson retaliated with a rebounder for a 48 to 47 Medford edge. Hamlin next collected a fielder from the circle. A driver and free bucket by Moore and a foul heave by Bob Peterson put Klamath ahead 51 to 50 and another drive by Moore boosted the spread to 53 to 50.

Dean swept in for a Medford goal and got a free shot, too, to create the 53-all status with 1:23 left.

Seven of Eight

The Pelicans had a 17 to 13 margin for the first quarter during which they put in seven of their first eight casts from the field. A field goal each and two free shots each by Moore and Herrera while Anderson tabulated for Medford on a fast break goal took the Pels to a 25 to 15 command with 2 1/2 minutes gone in the second quarter.

But KF picked up only one more marker in the frame, on a free toss by Robinson, while Medford got nine more on two field goals by Dean and one each by Hamlin and Lane and a gift toss by Dean.

At halftime Klamath's margin was only 26 to 24.

Medford got its first tie score of the night at 33-all on a swinging driver by Dean with 3 1/2 minutes played in the third quarter. Dean was fouled by Moore on the shot and made the try for Medford's 34 to 33 lead.

Counts were tied at 35, 37, 39 and 41 before Bob Niles plumped a rebounder for the Klamath period edge of 43 to 41.

Lane Scores 19

The Tornado which functioned better as a team in defeat than Klamath did in victory, was paced in scoring by Lane with 19 tallies and Dean with 16. Dean gleaned 12 rebounds, the same number as picked off by Moore and Niles.

First half board retrieving was exactly even at 18 each but the Pels had a 38 to 29 difference for the game.

Klamath fired at a .423 pace, bolstered by a .520 second half, while Medford shot .345 from the field. Strange for its greater height, KF picked up a good share of its points on "outside" shots.

Klamath registered 750 in free shooting and Medford 667.

In the junior varsity preliminary Medford emerged 52 to 51 in a tense finish. Klamath, down 41 to 47 in the last canto tied up the mix at 47-all. George Koch put Medford back on top 48 to 47 but Hall hit for a 49 to 48 Pel lead. Calvin Dean responded with a rebound bucket for 50 to 49 Medford. Koch put in two charity throws for 52 to 49 and Dave DeLap added the final KF marker with 40 seconds left.

Jerry Shults had 17 markers for the Tornado and Bishop 16 for Klamath.

Butte Falls kept its Jackson County B league basketball title defense hopes alive Friday night by trimming a cold Prospect high quint 42 to 29.

Jacksonville nicked St. Mary's 41 to 40 in overtime in the other loop engagement.

Talent, idle Friday and unbeaten in 12 games, needs only to get by Prospect in next Tuesday's action to wrap up the championship. The fray will be at Talent. Butte Falls, which still face a play-off, meets at Jacksonville also that night. St. Mary's opposes Sacred Heart at Klamath Falls in a non-leaguer this afternoon.

Prospect made a close mix of it for one half Friday but managed only two points in the third quarter when the Loggers put in 10 to build up a 28 to 18 edge. Score favored Butte Falls 7 to 5 at the quarter and 18 to 16 at halftime.

Five-Point Gap

Jim Irwin tallied 17 points and Jim Sheppard 12 for the Loggers in the wild, rough tussle. Dave Gardner ran up 11 for Prospect.

Jacksonville closed a five point gap with three minutes left in the regular time to gain the extra period with a 37-all deadlock. Ken Perreard put in a field bucket and Ron Davis two free heaves in the overtime for the Redskins while Mike King hit from the field and Bob Evans from the stripe for St. Mary's. Davis' two tosses came with 45 seconds to play to tie the mix and then put the 'Skins on top.

Doyle Bransom got the field goal for Jacksonville which knotted the fray and sent it into overtime.

City Receives Bouts on TV

New York—The city of Bartlesville, Okla., will be the site of an experiment in pay-as-you-see telecasting of boxing and other sports.

This was revealed Friday in a joint announcement by the International Boxing club and the International Telemeter Corp. The latter is a subsidiary of Paramount Pictures Corp.

Burt Champion, a spokesman for Telemeter, said the company is free to begin pay telecasting despite the current dispute over that subject in Washington. He said the Telemeter system transmits pictures by cable, rather than broadcast through the air, and therefore is not subject to regulation by the federal communications commission.

TRIES FOR TORNADO GOAL—Lowell Dean (35), Medford high, seeks to avoid the long arms of Klamath Falls' tall Glenn Moore and put the ball through the net in Friday's District 6 A-1 basketball ruckus here. Poised behind Dean is Bob Peterson, Klamath Falls. Other players who can be identified are, from left, Bob Niles, Klamath, Larry Brown (33), Medford, and Smiley Herrera (22), Klamath Falls.

ARMS AND LEGS—It's not fear of a weird monster that causes the expression on the face of Bob Niles (36), Klamath Falls, but worry that hard-driving, Billbee Lane (13) will make a two-point goal for Medford. The legs and outstretched arm of an otherwise invisible Pelican player trying to stop the high-flying Tornado cager blend with Lane to make this unusual photo. Klamath won the Southern Oregon conference hoop fracas 59 to 54 on Friday.

WHICH ONE DO YOU WANT?

you can have your dream house—this easy way!

A dream? Not at all. Thousands of people with modest incomes have been able to save the down payment, or the whole price, of the home of their dreams—because they invested in U. S. Savings Bonds on the Payroll Savings Plan where they work.

You, too, can accumulate enough money for the down payment on a home. Or enough for your children's college education or a retirement income. And by saving only a few dollars a week, too.

The answer is that you save systematically on the Payroll Savings Plan. All you have to do is tell your pay office how much you've decided to save each payday (it can be as little as a couple of dollars).

After that your money is saved for you, before you get your salary. Then each time enough has accumulated, it is invested in a Bond, and the Bond turned over to you.

And remember—your U. S. Savings Bonds now will bring you an average of 3% interest, compounded semiannually, for 19 years and 8 months. That's why the money you put into Bonds now grows to such a
