TABLE ROCK Carriage Spotlighted

By R. E. NEALON

Table Rock — A pink and blue baby shower, given for Mrs. Dale Schulz by Mrs. Ernest Smith, assisted by Mrs. Stanley Newnam and the Smith home Thursday night was attended by 31 ladies, who brought many appropriate gifts, from baby rattles to blankets.

One unique gift was an old baby carriage used when a baby by Mrs. Schulz and the other Doran children. The carriage was dug out of a wood shed by Lois Smith, who discovered that although having had much wear, was still usable, owing to its sturdy construction. After being painted in gay colors, and relined with a delicate pink material, it looked like a million dollars, and was an outstanding feature of the party.

Frank W. Walker, a teacher in the Grants Pass schools, with a piano tuning side line, was a business visitor here Tuesday. He was searching for bumper lambs for his youngsters whom he said were so eager for them as pets that he was almost afraid to go home without finding any.

Mr. and Mrs. Jerry Barrett and daughter of Central Point are staying at the E. C. Hamilton home, where Mrs. Barrett is helping with the house work.

Don Bohnert, a young farmer of the Central Point district, has leased the Touvelle farm here, for a term of five years, on a share crop basis. Among crops intended to be grown will be several acres of row crops, including sugar beet seed.

The knoll, on the Touvelle farm, just south of the Modoc Orchard, has been leveled off during grading operations. Old timers who claim they have seen little marooned on this high spot to keep out of flood waters swirling on all sides when the river Rogue was in a rampage, think this may not have been a wise move.

A Table Rock couple were recently stranded for about three quarters of an hour at a Medford bus station, trying to get through on a conversation ridden telephone line to have home folks meet them on a return trip from San Francisco.

Signs of the times, or happenings we have not met up with for some years, "men picking up empty bottles along the highway; the advertising of fire wood, and split shakes, and the old knife sharpener and saw filer going from house to house fixing up the dull tools for a price more in line with the income of those in the lower income brackets."

Mr. and Mrs. Orville Hamilton were recent visitors at the home of their son-in-law and daughter, Mr. and Mrs. James Lewis in Forest Grove.

Elderly Man Found Frozen To Death

Tollgate, Ore. — The body of William Ezra Mack, 83, was found 1 1/2 miles north of here Sunday. Sheriff's deputies said the elderly man lived alone in a cabin in the Tollgate area and apparently became exhausted while hiking and froze to death.

Mack was last seen at 5 p.m. Wednesday deputies said. The man's knapsack and skis were found near the cabin and a search was begun.

It did not deny we were in a serious condition, or promise good times around the corner, but just the plain truth, which panicky people had failed to see, for after all the country was filled with food and the necessities of life. It was just a question of putting the welfare of the people ahead of the dollar sign, and getting it to them.

We sometimes wonder if worse should come to worse, if the present administration would be willing to do this.

Delake Boy Hurt In Gun Accident

Portland — A 14-year-old Delake boy, Matt Pompel, was in critical condition today in a Portland hospital, after being wounded in the chest with a .22 caliber bullet at a home in Delake Sunday. Doctors said the bullet lodged near the youth's spine.

Delake police chief Al Barzee said the teen-ager had been at the home of Mrs. Marjorie F. Fettle visiting her two sons, Byron and Terry. The three boys were in a bedroom with the rifle when Byron, 17, apparently attempted to unload it. The gun discharged and the bullet struck young Pompel, Barzee said.

The boy is the son of Mr. and Mrs. Arnie Pompel, owners of the Camelia court motel in Delake.

In some ways it certainly makes a lot of sense to look at your family as a business. For instance, businesses set aside money each year to meet their future needs. Your family should, too, because you'll have a lot of future needs... college educations for the children... a new house... a retirement fund. You might call the money you'll need for these things a reserve for future operating expenses. And you should start building that reserve right now. One of the best ways to do this is by regular purchase of U. S. Savings Bonds. They're a safe, sure investment that's backed by the strength of the greatest nation on earth.
