

Human Rights Council Organized in Ashland

Ashland—An Ashland human rights council has been organized, an outgrowth of the work of the social relations committee of Ashland Council of Churchwomen. The council was formed at a meeting of 38 persons February 13 who gathered to hear Ross Peyton of the Civil Rights division, Oregon Bureau of Labor.

Mrs. Peyton congratulated the social relations committee of Ashland Council of Churchwomen on its work to sponsor the council, saying "You have no idea the good you have already done by strengthening a great many people of good will by your action, and by warning the others that there is a strong and growing feeling for equality in Ashland."

To bridge the gap between the committee of the Council of Church Women and the new Ashland Human Rights Council, a temporary steering committee was formed. Serving on it are Mrs. R. H. Westfield, Mrs. May Schiewert, Mrs. Betty Powell, the Rev. Fred Plocher, F. R. Neal and Mrs. Arthur Kreisman.

During the evening Mark Martinez Infante spoke about the communities where it is said "Though we do have certain discriminatory incidents, we do not have discrimination here." He pointed out that some community pattern exists which makes it possible for Negroes to be "graciously invited to pass on through town."

Mrs. Infante continued by saying that no person, alone, can decide whether any other person may stay or may not stay within the city limits. Only when a community is apathetic and condones such action by its silence can such incidents occur, he said. Then one person can take it upon

himself to become the voice of the community, he continued. "But," continued Mr. Infante, "that is not the American way. In America we are all one family, not made of identical members but of individuals from the whole human family. A community can live as a part of the whole human family, or it can try to survive by maintaining unofficial segregation."

Several members of the audience reported having been told, when they were newcomers to Ashland, "This is a fine community, we do not permit Negroes or foreigners here." At the same time others of the audience reported a widespread feeling that there is no such problem in Ashland.

In reply to this Mr. Peyton said "That is true. You have no opportunity for a race problem in Ashland for you do not have resident Negroes, but certainly what exists may be called a 'spiritual wall of segregation.'"

Mr. Peyton continued with an account of the laws of Oregon, saying that the state can be proud of its civil rights code. He read from the statute Public Policy the following quotation "Practices of discrimination . . . are a matter of state concern and such discrimination threatens not only the rights and privileges of its inhabitants, but menaces the institutions and foundations of a free democratic state."

To enforce this policy, the commissioner of the Bureau of Labor is empowered to take what steps he finds necessary to eliminate discrimination throughout the state. The law requires that there be no discrimination in employment, in places of public amusement, motels, hotels, or restaurants, nor in publicly assisted housing. Mr. Peyton pointed out that while formerly the offense was a civil one in which the complainant hire a lawyer to bring suit, now it is a criminal offense in which the complaint is only to be filed with the Bureau of Labor which is then empowered to bear the responsibility for action.

There was discussion on the problem of how to "get at" the intangible discourtesies and the persistent rumors that Ashland is a "sun down town," and the discussion led to formation of the community-wide committee.

Time of Meeting Changed by Club

Starting Wednesday, February 19, the Townsend club will hold the weekly potluck luncheon one half hour earlier, or at 12 noon, it is announced.

Pies will be the dessert, in observance of Washington's birthday.

Students Give Skit For PTA

"Parent-Teacher Associations Around the World" was the theme of a skit given by students of Lincoln school February 11 honoring Founders' day in the school gymnasium. The students were dressed in costumes representing America, Hawaii, Alaska, Japan, Spain, Holland, Scotland and Italian-Americans.

Taking part in the skit, prepared by Mrs. Hazeldean Hohensee, were Bob Stroh, Donna Broeck, Terri Clark, Leona Alfonso, Janice Chaik, Loretta Whipple, Richard Poe and Toni Fagone; narrator was Bo Edwards. The children also sang "Home On The Range"; John Lusk played the piano.

As part of Founders' day observation the list of past presidents of Lincoln PTA was read by Mrs. Lusk and those in attendance were introduced. Past presidents at the meeting were Mrs. J. W. Jacobs, Mrs. E. E. Wilson, S. J. (Benny) Fagone, Mrs. K. W. Bramhall, and Johnny Weber. Mrs. Jacobs served as president in 1917; Mrs. Wilson was also a charter member of Lincoln PTA.

The balance of the program for the evening was given by David Frohmayer showing slides of his trip to Germany last summer; he was an exchange student sponsored by the American Field Service.

Mrs. Austin Caldwell, Mrs. Virgil Stickle, and Mrs. Michael Gaston were elected as the nominating committee. Roy Gilbertson, as principal, is also a member.

Mr. Gilbertson reported on the library books secured for the school as the major PTA project this year. Each teacher was allowed to select several; they range from books to be read for pleasure to science books and others for supplemental reading for the lower grades. A report was also given on the teachers' courtesies for this year; the plan is to give a group of filmstrips to be used by all the teachers, rather than individual items.

Mrs. Dexter Williams reported that more den mothers for Cub Scouts were needed; also needed is a man to act as cubmaster. The committee men for Cub Scouting at Lincoln are Dexter Williams, chairman, John Lusk, Jim Sutton, Howard Veal and Orville Geise. Den mothers are Mrs. J. A. Sutton, Mrs. Julia Schwarzer and Mrs. Williams.

Child care was provided by Girl Scout Troop 77 supervised by Mrs. William Lockington and Mrs. Eric de Place.

Room count was won by Herbert Wing; refreshments were served in the cafeteria by the second grade mothers, directed by hospitality chairman, Mrs. Robert Selby. Mrs. Gilbertson introduced the two cadet teachers at present working at Lincoln; they are Miss Charlene Paul and Conly Overholser.
