Choose Seamless for the popular bare-legged look. Never a worry about crooked seams when you wear these lovely seam-free nylons. Styled for snug fit at knee, ankle and instep.

Choose Full-Fashioned for extra protection against runs. These nylons are specially knitted for longer service. You have a choice of either dark or self-color slenderizing seam.

Choice of two high-fashion shades:

Honolulu—an exciting tropical suntone

Hollywood—a warm, flattering medium beige

Certified for quality by United States Testing Co., Inc.

What a wonderful way to whittle down your hosiery budget! You can order these beautiful nylons originally styled for the famous Powers Models—at less than half of what you'd expect to pay for first-quality hose.

When you wear your first pair, you'll realize what a remarkable value this is—and you can re-order again and again!

Kraft makes this special offer to urge you to serve Parkay Margarine regularly at your house. Everybody likes Parkay—it's the fresh-tasting margarine that always spreads smoothly—even when ice cold!

This is the yellow end-flap coupon you mail!

To order your three pairs of Powers Model Nylons for \$2.00, send Kraft two of these yellow end-flap coupons. For one pair, send 75¢ and one yellow end-flap coupon. Full instructions for ordering on back of every Parkay package. Buy today—order tomorrow!
