More than 200 players from all sections of the U.S. will vie for the \$25,000 prize money.

Pair Indicted for Post Office Holdup

Portland —P— Two men, already serving life sentences in the state penitentiary for the slaying of the Paisley, Ore., town marshal last October, have been jointly indicted on federal post office robbery charges.

The indictment was returned by a federal grand jury here in connection with the Oct. 10 holdup in the southeast Oregon town during which John Troy Lawson, the marshal, was slain. Donald Lee Ferguson, 32, and Jesse Thurman Hibdon, 30, were captured after the holdup, Ferguson within 20 minutes and Hibdon after a five-day chase in which he fled 150 miles on foot.

778 Cases Handled By Juvenile Court During Past Year

A total of 778 cases were disposed of by the Jackson county juvenile court during 1957, according to the annual report released by Mrs. Kay Crowell, director of the juvenile department.

Delinquency cases totaled 344; dependency and neglect, 62; and special proceedings, 172.

Official cases, or those requiring petitions for delinquency or dependency, accounted for 310 of the cases and unofficial, 468. Boys numbered 188 and girls 59 in the official delinquency cases and

boys, 223, and girls, 74, in the unofficial delinquency cases.

In the official cases, youngsters from 13 to 18 years of age accounted for the majority, and in the unofficial, those from 10 to 18 years.

Detained Overnight
A total of 152, including 117 boys and 34 girls, were detained overnight or longer in the jail or police station. However, most juveniles have been lodged in the county detention home since it began operation Dec. 20, with jail detention only when there is no room at the home, Mrs. Crowell said. None of the unofficial cases was detained overnight.

Disposition of the cases included 24 committed to a public institution for delinquent children; 9 to other public institutions; 23 to other courts; 43 to a public department; and 29 to private agency or institution.

Official cases of delinquency included 25 for auto theft; 38, burglary or unlawful entry; 3 robbery; 25, other theft; 3, truancy; 55, running away; 34, being ungovernable; 3, sex offense; 3, injury to person; 8, act of carelessness; and 48 other behavior.

Unofficial Delinquency
Most of the unofficial delinquency cases were for burglary or unlawful entry, 41; other theft, 78; running away, 40; being ungovernable, 21; act of carelessness or mischief, 48; and other behavior, 47.

Dependency and neglect cases disposed of by the court included 31 for lack of adequate care of support; 10, abandonment or desertion; 12, conditions injurious to morals; and 9, abuse or cruel treatment.

Ten commitments of mentally deficient children were made.

Referrals came mostly from Medford, with 397. Others were from Ashland, 75; Central Point, 62; Talent, 27; Jacksonville, 26; Gold Hill, 25; Phoenix, 21; Rogue River, 21; Prospect, 16; Eagle Point, 8; Trail, 4; Butte Falls, 3; Lake Creek, 2; and Camp White, 1.

Police departments, the public welfare commission, parents, recruiting offices and other courts made the referrals to the court.

Postal Facilities Said Being Planned

Washington —P— Postmaster General Arthur E. Summerfield told Congress in testimony made public today his department is planning "a great many new postal facilities throughout the country."

Summerfield said the projects are part of a program intended to modernize the entire postal system.

He said 2,000 new post offices built in the last four years "have only begun to eat away at the large backlog of inadequate and obsolete postal facilities."

Summerfield testified earlier this month before a House Appropriations subcommittee. His testimony was released today.
