

Mr. and Mrs. Herbert Edward Barth

Beverly Anne Sanford Wed To Herbert Edward Barth

Shady Cove—First Presbyterian church in Monticello, New York, was the scene of the wedding of Beverly Anne Sanford, daughter of Mrs. Harry Gallup Sanford Sr., of Shady Cove, to Herbert Edward Barth, son of Mrs. Charles Frederick Barth, Monticello, on March 15. The Rev. Robert Kelly performed the double ring ceremony at two o'clock in the afternoon.

Mrs. Herman Bulkin was soloist and Mrs. Wilbur Bell was at the organ.

The bride's gown was fashioned of Chantilly lace over slipper satin, with fitted bodice and bouffant skirt in floor length. Her illusion finger tip veil was held by a pearl tiara. She carried a white orchid on a white bible.

Mrs. Walter Barth was her honor attendant and Mrs. Franklin Laufferweiler and Mrs. James Brochu were bridesmaids. The attendants wore floor length dresses of net with tiered skirts in contrasting shades of orchid and carried bouquets of orchid chrysanthemums with white baby's breath. Their head dresses were of orchid net and flowers.

Walter Barth was best man for his brother and the ushers were Franklin Laufferweiler and James Brochu.

The church decorations, in the orchid and white theme, were baskets of chrysanthemums and white tapers.

The bride's mother wore a gown of navy blue nylon with pink accessories and corsage of pink carnations. The bridegroom's mother wore a flowered gown with white accessories and her corsage was of pink carnations. The reception was held at the Barth country home.

Mr. Barth and his bride spent their honeymoon in New York City, then traveled by car to Shady Cove, where they are making their home.

The bride is a graduate of Eagle Point High school, studied music and drama in Hollywood and is a graduate of Caroline Leonetti Modeling school in Hollywood. She had one season with Sacramento Light Opera association in its Music Circus before her marriage.

The bridegroom is a graduate of Monticello High school, attended Paul Smith college in New York and the University of Michigan, Ann Arbor, where he was granted a bachelor of science degree in forestry. He is employed by the U.S. Forest Service and is serving on the Rogue River National forest.

Women's Fellowship To Hold Work Day

Whittles Visit Mexican Resorts During Vacation

Mr. and Mrs. Tom Whittle and son Gary, 2668 Hanley road, returned recently from an extensive Mexican tour. They flew from Medford to San Diego and boarded an airplane of the Geronimo De Mexico company at Tijuana for the flight to Mexico City.

They visited the Roma residential district with its Estadio housing project, an outstanding architectural accomplishment of modern times, and continued on to visit the Convent of St. Matthew, now known as Churubusco. It was built in 1678 on the ruins of an old pagan temple.

At Xachimilco, many kinds of flowers grow on the banks of the channels that form the town often called the Mexican Venice and flower-decked boats carrying visitors around the waterways. The famous floating gardens originally were rafts woven of twigs and reeds and anchored in the lake by natives who covered them with soil and vegetation.

Later the Whittles attended a bull fight, considered the grandest of all the "fiestas." The travelers found Chapultepec park and castle most beautiful, the park being a natural forest continually improved since the time of the Aztecs. The castle on top occupies the site where, in the olden times, a pagan temple stood. Later it became Montezuma's country residence and was the official residence of the president of Mexico until 1936 when it was made the National Museum of History.

The Whittles visited the Metropolitan cathedral, largest in America, and while touring the National Palace, saw the famous frescoes of Diego Rivera depicting scenes of Mexican history.

They also visited the Shrine of Guadalupe, the most beautiful and most worshipped shrine in Mexico, and the Holy City of the Gods, built in the fifth to seventh centuries. Important monuments there are the Pyramid of the Sun, larger in volume than the pyramid of Cheops in Egypt and the Pyramid of the Moon.

After a stay of several days in Mexico City, the visitors drove with their guide to Cuernavaca and Taxco. Cuernavaca was once the favorite vacation spot of Hernan Cortes and later also of Emperor Maximilian and Empress Carlota. Taxco, an old silver mining center, left untouched and freed of modern constructions, is just as it was in the 18th century.

From Taxco the visitors continued on to Acapulco, one of the famous playgrounds of the world situated on a harbor used by the Spaniards in past centuries. They went boating and watched the famous La Quebrada diving boys.
