

AWAITS HANGING—Mrs. Mary Elizabeth Wilson, 66, awaits hanging in London, England, for poisoning her second and third husbands. She will be the first woman executed in Great Britain since the 1957 reform of the murder law, and her case has stirred controversy over the legislation on capital punishment.

Hoffa Determined To Sever Beck Tie

Washington — Teamsters' President James R. Hoffa appeared determined Friday to sever his union's connection with its former president, Dave Beck.

Hoffa was elected president of the Teamsters, the nation's biggest union, after Beck retired in the wake of Senate Rackets Committee charges that he "borrowed" \$32,000 in union funds.

Hoffa announced Thursday that Beck would be stripped of some of the trappings he acquired as Teamsters president.

Hoffa said that as of April 30 Beck would be deprived of his union-provided, free office in Seattle and his union limousine.

Union officials said the Executive Board might also strip Beck of his union-bought \$160,000 Seattle home that includes a private movie theater. Apparently the \$50,000-a-year pension the Teamsters pay him was to be left untouched.

Coos Bay Senior Wins Essay Contest

Salem — A young Coos Bay high school senior who is familiar with the problem is first place winner of the 1958 essay contest on "How Hiring the Handicapped Helps You and Me."

Gov. Robert D. Holmes, whose committee on employment of the physically handicapped conducts the annual contest, announced Friday that the Oregon winner was Dennis Jay Celorie, Coos Bay. He is an active leader in his school though he is a spastic.

He will receive a \$100 bond contributed by the Oregon Machinists' Council, Portland Aerie No. 4 of the Eagles and the Disabled American Veterans. His essay will be entered in a national contest.

Portland — A regulation which would ban burning of refuse in open dumps throughout Oregon is under consideration by the State Air Pollution Authority.
