Art Nordquist has been peddling groceries for Safeway since 1936, and has been a store manager since 1940. He has made his headquarters at 502 W. Main, in Medford, since November, 1955. This week, however, he'll be seeing the sights in New York City.

Congratulations Art...

on your being cited for outstanding performance as a Safeway Store Manager and winning an all-expense-paid trip to New York City.

Every Safeway store manager in southern Oregon; every Safeway employee, extends sincere congratulations to our friend and co-worker, Art Nordquist, on being named for this honor. Winning this trip to glamorous New York City is fitting tribute to you, Art, for the long hours, the hard work you, personally, have devoted toward building the reputation of Safeway as the leader for the very finest in meats, fresh fruits and vegetables and quality food products of every description at greatest savings to our public.

Best wishes from all of us at SAFEWAY
