

# Three Schools Rapped by NCAA For Too Much Aid to Athletics

New Orleans—College officials were served notice today by the NCAA that summer jobs offered prospective athletes will be closely watched in the future.

NCAA Executive Director Walter Byers predicted the NCAA scrutiny of jobs in the wake of the announcement of probations against Auburn, Seattle University and Southern Methodist University.

The SMU violation involved a \$300 a month job as an oil scout for Glynn Gregory, highly regarded Abilene, Tex., high school football player, which the NCAA said was a "tailor made" job and not legitimate as far as the NCAA was concerned.

The penalty against Auburn was the third-most stringent the NCAA ever imposed. The penalty, placing Auburn on probation until September, 1961, was imposed for "illicit financing" and came 11 days before a two-year probation against Auburn was slated to be lifted.

The NCAA accused two Auburn coaches of reportedly offering \$1,000 to halfback twins Harry and Robert Beube to enroll at Auburn. The two are now enrolled at Tulsa, Okla., University.

### Doublebills On Tap in SO League

Southern Oregon conference baseball aggregations face their biggest week end of league play so far this season with four doublebills on Friday and Saturday.

Medford high goes to Ashland and Crater to Klamath Falls on Friday. Saturday slate is Ashland at Grants Pass and Klamath Falls at Medford. Only the first game in each of the twinbills will count in standings. Crater has a non-league date on Saturday at Yreka, Calif.

On the Class A-1 track and field front Ashland will be at Crater on Thursday and Medford at Marshfield and Grants Pass at Klamath Falls on Saturday. Ashland will be Saturday host to A-2 Eagle Point.

The week of prep sports activities got underway yesterday. Eagle Point topped Rogue River 8 to 1 in a night baseball fracas. Crater and Medford junior varsities had a fray in progress yesterday afternoon but called it after 2½ innings because of the wet weather. There was no score at the time.

### Games Today

Two non-counting varsity scrapes were set for today with Prospect at Eagle Point and Rogue River at Jacksonville. Medford junior varsity will go to Ashland on Wednesday.

Friday baseball competition includes two Jackson County B league scuffles, Butte Falls at Prospect and Jacksonville at Talent. Crater JV will be at Grants Pass.

There was confusion as to whether the Grants Pass tennis team was to come to Medford today or to be host to Ashland. Medford goes to Yreka, Calif., on Wednesday. Grants Pass is to face Klamath Falls on Friday.

In Junior high school track Hedrick will entertain Ashland seventh, eighth and ninth graders Friday at the Medford high stadium.

### Stake Won By Muffin

Long Tom's Muffin, Labrador female, owned and handled by Dr. E. V. Meyerding, Medford, won the qualifying stake last week end in the Shasta-Cascade Retriever club's licensed field trial in the Klamath Falls area.

In the amateur all-age stake third place was taken by Kip of Geneva, Labrador male, owned and handled by Kenneth Denman, Medford, and Jupiter's Golden Comet, golden male, owned and handled by Irv Warren, Medford, was fourth.

Kip won a certificate of Merit in the open all-age stake.

RVCC Membership Attend The foregoing dogs and owners were among Rogue Valley Retriever club entrants in the trial. A sizable RVCC representation went to the Klamath event with a good number joining the gallery watching the competition.

Two dogs formerly owned by RVCC members gained CMs in the open. One was Princess Black Belle. The dog is now the property of Mrs. John M. Preston, Hillsborough, Calif., and won the open here in March. Former owner is Earl Westcott, ex-Medford resident now residing at McChord Field, Wash.

The other dog is Lucinda of Crater Lake, sold recently by Claude Miles, Medford, to Roland Watt, Redding, Calif.

Francis Kirk paced the Bakery club with 215-193-216—624 and John Baley Jr. had 248-204-147—599 for Tulelake. Medfordites had 942 to 826 and 909 to 817 margins in two games of the second match and Tulelake took the other 908 to 904. Bob Dyer had a 576 to Dick Westerfield's 574 for Patterson's and Baley 545 for Tulelake.

Others on the Medford team were Arnold Bauman and John Dickinson. Also on the Tulelake gang were John Baley Sr., Ed Baley, Vern Allen and Clayton Swayze.

### Moe Quits Track Post

Corvallis — Hal Moe has submitted his resignation as head coach at Oregon State College, Athletic Director R. S. (Spec) Keene announced.

Moe has been connected with Oregon State athletics for 17 years and has been head track coach since 1952. He is resigning to devote full time to the college physical education staff. He has served as an assistant professor in the physical education department.

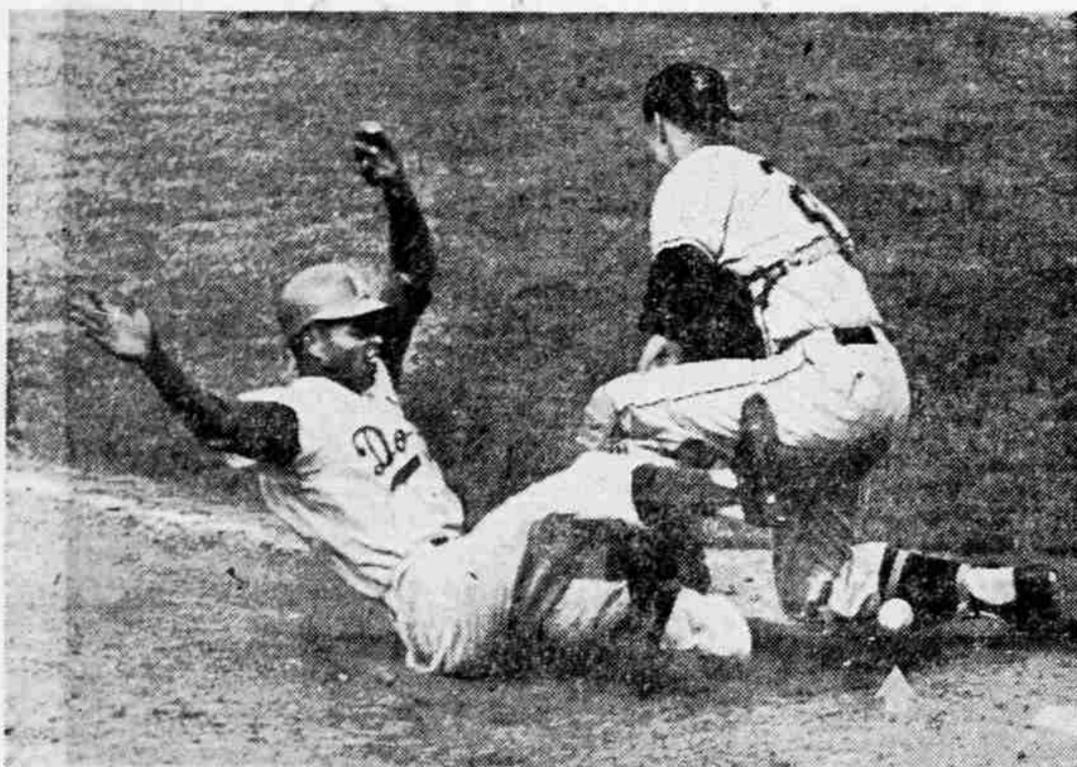

Effective July 1 The resignation becomes effective July 1. Keene said he hoped to be able to announce a successor by June 1.

Moe, a one-time halfback at OSC, served as assistant football coach from 1934 to 1942. After World War II naval service, he was head football coach and athletic director at the University of Portland until 1949 as freshman football coach and took over the track coaching job from Grant Swan in 1952.

### Camp White Baseball Practice Wednesday

Members of the Camp White baseball team will practice at the Medford high school field Wednesday at 5:30 p.m., it was announced today. Team members and others seeking a position with the club are asked to be present.

Hamilton, N.Y. — Frank J. (Buck) O'Neill, 82, noted football coach, died on Monday. O'Neill was elected to the Football Hall of Fame in 1951. He had coached at Williams College, Syracuse University, Colgate and Columbia University between 1902 and 1922.

GIANT ERROR SCORES TWO—Dodger Charlie Neal roars home to score on a single by Gino Cimoli in fifth inning of game with San Francisco Giants at the Coliseum in Los Angeles. Giant catcher Bob Schmidt bobbled the ball (arrow) and Dick Gray also scored. Dodgers won, 6-5.

### Shetrone Leading PCL Batting in First Week

By UNITED PRESS Rain washed out more than half of the scheduled games in the opening week of the Pacific Coast League season, but Barry Shetrone of Vancouver managed to take his cuts at the plate in four games to lead the loop with a .467 average.

Behind Shetrone in averages released Monday by William J. Weiss, league statistician, was Dave Pope of San Diego, with .435. However the Padre outfielder's four home runs and nine runs batted in placed him in the lead in both departments.

Ted Wiand of Seattle was the only pitcher to record two wins in the rain-shortened week—and he only hurled an inning in each game to do it. Wiand came on in relief twice, striking out one and giving up one base on balls for his perfect record. He failed to yield a run to the opposition.

Art Fowler, also of the Seattle club was leading the loop in strikeouts, 13, and innings pitched, 20, and had a 1-0 record although neither of the

### Dairy Maid Drill Set

Eagle Point—First practice of the Rogue Valley Dairy Maids, women's softball team, will be held at 1:30 p.m. Sunday at the Eagle Point High school diamond.

Coaches Shy Callaghan and Elmer Harnish said that all girls interested are welcome to practice. They said that most of last year's squad members are expected to be on hand this year.

The Maids again will be sponsored by the Milk Producers league and will play home games at the Veterans Administration Domiciliary stadium, Camp White, where they have a large following.

Games are planned with the Lind Florists of Portland, Eugene, Astoria, Alameda and Chico, Calif., and possibly with the Pennant shop of Portland.

### Seattle Coach Says Quitting 'Coincidental'

Seattle — John Castellani, who coached the Seattle Chieftains to the finals of the NCAA basketball playoffs this year, said today his resignation was only coincidental with the announcement that Seattle was banned from post season play for two years.

However, the short, jaunty coach who took the Seattle held only two years ago said it was "unfortunate" that his "efforts in behalf of the school" should be construed by the NCAA as violating the recruiting code.

Seattle was set down by the governing body for inter-collegiate athletics Monday at a meeting in New Orleans. "My future plans are indefinite," Castellani said. "One of my thoughts has been to return to law school."

### Beavers Facing Money Problems And Twin-Bills

Portland—The Portland Beavers faced a future schedule loaded with doubleheaders and a current financial crisis today after rain again forced postponement of their scheduled PCL game Monday night.

Portland was able to get in only two games during the first seven days of the 1958 season and one of these ended in a 3-3 tie. Monday night's postponed game with San Diego will be made up in a day-night twin-bill Saturday.

C. A. Kingsley, president of the club, said a drive would be started to sell stock. Officials said the team suffered losses of about \$75,000 because of the rain-outs.

A "sunshine" opener will be held Saturday, weather permitting, at which there will be a fashion show, a home run hitting contest and a youngster-ballplayer talk, in hopes of boosting attendance.

### New Names Lead Bowl Tournament

San Francisco — Some new names moved in among the leaders today in the Women's International Bowling Congress tournament at the Downtown bowl.

In doubles play, Dorothy Brinkhall and Jinnie Applequist of Fergus Falls, Minn., moved into the No. 5 spot with a 979.

There were two changes in team competition. The Hirsch and Price team of San Francisco backed into the lead in the second division.

Madera Bowl, Madera, Calif., took over fourth place in division three with 2,063.
