Obituaries

MRS. DOROTHY A. WILLIAMS

Mrs. Dorothy A. Williams, Prospect, died in a local hospital Wednesday evening. Funeral arrangements will be announced by Conger-Morris Funeral home.

LOUIS H. LANG

Funeral services for Louis H. Lang, of Shady Cove, who died in a local hospital Wednesday, will be held in the Conger-Morris Funeral home at 9:45 a.m. Saturday. Committal will be in Siskiyou Memorial park.

EMERY GEORGE NYE

Funeral services for Emory George Nye, 42, of Prospect, who died Tuesday, will be held at 11 a.m. Saturday at Conger-Morris Funeral home. Dr. D. Kirkland West of the First Presbyterian church will officiate. Committal will be in the Nye cemetery near Prospect.

Mr. Nye was born Sept. 14, 1915, in Prospect, Ore., and had lived all of his life in southern Oregon. He was married Feb. 16, 1955, in Medford, to Lorraine Bekker, who survives.

Other survivors include two sons, Jerome Nelson Nye, Grants Pass; and Gregory Kent Nye, Houston, Tex.; two brothers, Waldo Nye, Prospect, and Ivan Nye, Pullman, Wash.; and three sisters, Mrs. Hope Hedgepeth, Prospect; Mrs. Marian Bean, Medford; and Mrs. Irene Jantzer, Mt. Shasta, Calif.

ORVILLE JOHN FRANKLIN

Funeral services were held today in Siskiyou Memorial park for Orville J. Franklin, infant son of Mr. and Mrs. Orville D. Franklin, 789 Beatty st., Medford. The Rev. George Roseberry of the First Methodist church officiated. Conger-Morris Funeral home was in charge of arrangements.

Surviving, besides his parents, are one brother, David P. Franklin, at home, and his grandparents, Mr. and Mrs. Thomas McCall, Central Point.

Supervisor Named To Klamath Forest

Yreka, Calif. — Charles A. Yates has been appointed supervisor of the Klamath National forest with headquarters in Yreka, according to Charles A. Connaughton, regional forester in San Francisco.

Yates is the fire-control officer at the San Bernardino National forest. He replaces Russell W. Bower who was transferred to the San Francisco regional office to head the fire planning program. Bower spent eight years at the Klamath post. The moves will be effective May 4.

Yates is a native of San Francisco. He began his career in 1934 as CCC leader in the Big Bar on the Trinity river. He worked for the forest service in summers and attended school in the winter, graduating from the University of California.

He was married to Patricia O'Kane while stationed at the Mt. Hebron ranger station prior to World War II. Yates served with the paratroopers during World War II, and was discharged as a captain.

He has been in several positions in California before being appointed to his present position. Yates said his career in forest fire control ranges from shovels to modern methods.

Churchill Unhurt In Auto Collision

London—(UP)—The chauffer-driven limousine carrying Sir Winston Churchill collided with a double-decker bus in downtown London today. But the 83-year-old statesman was not injured in the minor accident.

The collision occurred in the whirlpool traffic circle of Parliament Square, just outside the House of Parliament, toward which Churchill was headed for the second day in a row. Wednesday he was roundly cheered when he made his first visit to the House of Commons in four months. It was evidence of his continuing recovery from a recent bout with pneumonia and pleurisy that almost took his life while he was vacationing on the Riviera.

West Coast Telephone Profits $4,168,461

San Francisco—(UP)—Profits of the West Coast Telephone Company for last year were up 13.6 per cent from 1956, a stockholders' report showed today.

Profits in 1957 were $4,168,461 on operating revenues of $14,841,161, or $1.49 a share.

Thornton To Seek Elkins Rehearing

Salem — (UP) — Attorney General Robert Y. Thornton said today he would seek rehearing on a Multnomah County Circuit Court ruling which tossed out a bootlegging indictment against James B. Elkins, Portland.

Circuit Judge James W. Crawford tossed the indictment out Monday and indicated he probably would treat nine other similar indictments the same way.

The 10 indictments are the only ones remaining against Elkins, a Portland gambling figure involved in city vice probes.

The grand jury with Thornton in charge brought the indictments in July, 1956.

Chrome Miners to Meet Saturday

Cave Junction—A meeting of the chrome miners will be held Saturday, April 26, starting at 2 p.m. in the Cave Junction American Legion hall.

All miners and interested people in the area are invited to attend. The possibility of a ferro-chrome plant in the area will be discussed.

The group also will consider methods of gaining an extension of the purchase program by the government. Dr. Hollis Dole, director of the Oregon state department of Geology and mineral industries, will report on several items. He recently appeared before the subcommittee on minerals, materials and fuels of the Senate Interior committee.

More newspapers, 58,000,000, are purchased every day than the total number of major league tickets bought in the past three years.

Duncan Leaves for Eugene, Boulder

Robert B. Duncan, state representative from Jackson county, left this morning to attend a two-day meeting of the Interim committee on Education in Eugene. The meeting will be held in the Erb Memorial building on the University of Oregon campus.

On Friday, the discussion will be devoted to school reorganization, with emphasis on the necessity for clarification and revision of the 1957 act. On Saturday, the committee will deal with compulsory education—whether it is any longer desirable to require children to go to school until 18 years of age—and will hold a hearing in order to air the view of educators and interested persons on this problem.

On Sunday, Duncan will fly to Boulder, Colo., to attend a legislative workshop dealing with issues in fanancing higher education, sponsored by the Western Interstate Commission for Higher Education. Discussion will center around getting the most value for the educational dollar and maximum benefit from our physical facilities, as well as new techniques in teaching and new sources of financing.

Duncan will attend the workshop as representative of the Interim Committee on Education and as a member of the House Ways and Means committee. He will return to Medford via Portland Wednesday, April 30.

Bride Waits Navy Man's Brig Release

San Francisco — (UP) — Cynthia Nation, 26-year-old Filipino bride, settled down here today to await the discharge of her husband from the U. S. Navy, which court-martialed him for marrying her without permission.

Mrs. Nation said neither she nor her husband, Paul, had any resentment about the court martial and Nation's six-month sentence in the brig, an international incident that shook U. S.-Philippine relations last year.

"We're only looking forward until he is out of the Navy," Cynthia told reporters on her arrival here from Manila yesterday. "We plan to live in San Francisco and open a small jewelry store."

Nation, of St. Paul, Minn., has several months to serve in the Navy. He was released from the brig after serving three months to complete his enlistment.

Registration for Kindergarten Set

Ashland — Registration for the 1958-59 kindergarten class room sessions will be held Friday, May 2 from 10:30 a.m. until 2:30 p.m., including the noon hour at Southern Oregon college. During those hours, Mrs. Janice Gouley and Mrs. Clarence Diebel will accept applications and answer questions.

Because class sizes remain limited while the number registering grows larger each year, a registration fee of $5 will be required at the time of registration this year to simplify fall enrollment and reduce this uncertainty. The fee will apply on tuition due at the time of fall enrollment and will be refunded for any application that is withdrawn by Sept. 10.

Any child who will be five years old before Nov. 15, 1958, and expects to be ready to enter first grade in the fall of 1959 is eligible for registration.

Practically every product or service sold on any day of the year will be purchased by a newspaper reader, because more than four out of five people (12 years of age and older) read a newspaper on an average day.

Stocks Move Higher In Major Sections

New York — (UP) — Stocks moved higher in all major sections today with industrials setting a new high since March 24 and utilities since Oct. 4, 1930.

Railroad issues joined the upturn and the average for 65 stocks, 30 industrials, 20 railroads, and 15 utilities, rose more than a point to its best level since last Oct. 3.

Individual gains ranging to more than two points dotted the list. Coppers ran up on higher prices for the metal in London and a ¼ cent a pound rise in the metal here in a sale by a custom smelter.

Automobile issues moved ahead with the top-ranking issues leading the day. Chrysler gained more than a point, and General Motors rose a major fraction to a new high for the year. Ford regained an early loss. American Motors continued active and firm.

Postmasters Hold Meeting in Talent

Jackson county postmasters recently attended a dinner-meeting at the Tally-Ho, Talent. Several guests were present.

Arthur Tonsing, district operations manager of the Portland district, and J. H. Eidswick, postal inspector for the area, attended. Tonsing told the group the department's plan to reorganize district operations and transportation service.

He said the new plan would speed the delivery and transportation of mail to homes. Roger Smoot, Talent postmaster, was host for the meeting.

The next meeting will be held in June at Ashland with Ashland Postmaster Parker Hess as host.

Science Professor Attends SF Conference

Ashland—Attending the National American Chemical Society in conference in San Francisco earlier this month was Dr. J. Kenneth Bartlett, assistant professor of science at Southern Oregon college, Ashland.

Approximately 6,000 delegates attended the conference. In addition to touring the radiation laboratories at the University of California, Dr. Bartlett attended the section in chemical education and analytical chemistry. He also viewed a huge scientific exhibit in the San Francisco Civic Center exhibit hall.

Dr. Taylor Attends Historian Meeting

Ashland — Dr. Arthur S. Taylor, chairman of the social science division at Southern Oregon college, attended a meeting of historians at Marylhurst college in Portland recently. Representatives of all history departments of the state of Oregon attended.

Special topics were devoted to European history. Next year's meeting will be conducted at Lewis and Clark College, Portland.

MECHANICAL WONDER

London —(UP)— Electronics engineers soon will produce office machines that can read the morning mail and tell executives when they can leave the office for a round of golf, according to a British expert on computing machines. Dr. A. D. Booth, of London University, said Wednesday the machines will be able to dictate answers to the mail He said if a high-level decision is needed, the machine will throw back the letter and say, "this is the one letter that you really have to look at, then you can go and play golf for the rest of the week."

BONES FOUND

Madrid, Spain—(UP)—Spanish scientists today announced the discovery of the skeleton of a million-year-old elephant. They said it was the "most complete remains" ever found in Spain. The elephant, which apparently stood about 16 feet high was uncovered at Villaverde by Prof. Rafael Blano y Caro of the Lope de Vega Institute.
