

Pirates Nab Fourth in Row; Braves Take Over 1st Spot

By FRED DOWN
United Press Sports Writer
The Pittsburgh Pirates are off and running like contenders—and the word is out that this time it may not be a false alarm.
The Pirates matched the season's longest National League winning streak when they beat the Los Angeles Dodgers, 7-1, Tuesday night for their fourth straight victory. The league's worst road team last season when they had a 26-51 record away from home, they've won five of seven on foreign soil this year.

Bob Friend, who slumped to a 14-18 record last season, turned in his third straight win with a four-hitter, and Frank Thomas sparked the Pirates' 11-hit assault with a homer and two singles. A crowd of 19,778 raised Los Angeles' home attendance for 10 dates to 397,379.
Pitchers also starred in three of the other four games played Tuesday as rain again marred the big league baseball schedule.
Milwaukee Takes Over First
Warren Spahn scattered nine hits and drove in three runs as the Milwaukee took

over first place with an 8-4 decision over the Chicago Cubs; Bob Purkey turned in his third straight win in the Cincinnati Reds' 5-2 win over the St. Louis Cardinals and Bobby Shantz pitched a six-hitter to give the New York Yankees a 5-1 triumph over the Detroit Tigers. The Philadelphia Phillies beat the San Francisco Giants, 7-4, in the other game.
Two years ago the Pirates astounded the baseball world when they popped up in first place in early June but by season's end their fans had that old seventh-place disillusionment. But baseball experts insist the team Danny Murtaugh has put together this season won't fall apart and could even wind up in the first division.
The odd part is that the Pirates are winning without much assistance from slugger Ted Kluszewski—the player Murtaugh described as "the key to our entire club." Ted went hitless again Tuesday but Thomas had ample support from Robert Clemente, whose two hits raised his average to .413, and Hank Follies who knocked in two runs with three hits.
Spahn was virtually the whole show in the Braves' eighth win in 12 games, contributing hits to three scoring innings and going the route for the third straight time. Cub outfielder Lee Walls hit his sixth and seventh homers and Ed Mathews hit No. 6 for the world champions.
Purkey Gains Victory
Purkey, acquired from the Pirates during the winter, yielded 10 Cardinal hits but gained his third victory when Gus Bell broke a 2-2 tie with a three-run homer off Vene- gar Bend Mizell in the eighth. Mizell had retired two batters after Pete Whisenant's inning opening single but then purposely walked Don Hoak to pitch to Bell, who was batting .206.
Stan Musial went 3-for-4 to raise his average to .551 and Gene Green homered for the Cardinals. Johnny Temple ran his hitting streak to 10 games for Cincinnati and also hit his first homer since 1956.
Shantz' steady pitching and the homer-hitting of Bill Skowron and Yogi Berra enabled the Yankees to make it six in a row in their home park. Shantz carried a shutout into the ninth as he won his second game. Skowron knocked in three runs with a pair of early homers off Paul Foytack and Berra homered off Bob Shaw in the seventh. Yankee pitchers have now allowed three runs and 12 hits in their last three games.
Dave Philley clouted a homer, double and single as the Phillies down the Giants before, only 6.801 at San Francisco. Curt Simmons was tagged for 12 San Francisco hits in seven innings but got credit for the victory, his first. Willie Mays had a triple and a single and Hank Sauer hit his seventh homer for the Giants.

Red Raiders Score Sixth Straight League Triumph

Ashland — Southern Oregon college continued to look like the New York Yankees of the Oregon Collegiate conference by blasting out a 15-2 victory over Oregon Tech in a baseball game here yesterday.
The win was the Red Raiders' sixth straight in conference play, keeping them on top of the standings with a perfect record.
Raider hurler Jim Eggers making his first start of the year after being bothered by a sprained ankle held the Owls of OTI in check for six innings without giving up a hit.
The Owls opened up in the seventh on Eggers and scored two runs on three hits. Jim Cox delivered the run producing blow with a bases loaded single.
Big Eighth
The Raiders picked up two in the fourth, one in the fifth, two in the seventh and 10 big runs more in the fateful eighth against the Owls.
In the big eighth inning the Raiders loaded the bases with nobody out on a walk, error, and single by Dave D'Olivo. Willie Jones hit into a fielder's choice which nabbed a runner at the plate but still left the bases loaded and the Owl chucker still in trouble.
Jim McAbee drew a walk to force in a run and Larry Maurer grounded out to the first baseman which produced another run, the second. Ron Maurer came through next with a single which drove across two more tallies. In the meantime the Owls had changed pitchers.
D'Olivo Homers
Eldon Francis followed with a single to move Maurer to third and Al Kimura scored both runners on a triple to right. Two pitches later Kimura stole home to add to the confusion of the Owls.
Things did not stop here, by any means, with nine Raider hitters having been to the plate. Jim Dietz walked, followed by Gordie Thoreson who also drew a pass to put runners on first and third after Dietz had stolen two bases.
D'Olivo, the next hitter, who had been sent in as a relief pitcher for Eggers in the top of the eighth, came to the plate looking for his second hit of the inning. He found it with a home run to right field which cleared the bases for three runs.
Raiders Get Rest
Things kept moving when Jones and McAbee singled but Jones was cut down at the plate for the third out of the inning on an attempted steal.
Eggers was credited with the win in striking out eight and walking only three. D'Olivo, in relief, struck out four, three of whom were the first three men in the ninth inning without giving up a walk.
The league leading Red Raiders now have a week and one half of rest before they meet Portland State in Portland for a three game series May 9 and 10.

Yank Quints Vie in Rain

Tiflis, U. S. S. R.—The touring United States basketball team, impressed by the reception they received in this southern Soviet City, will fly back to Moscow today to witness the May Day parade.
Following their one-day stopover in the Russian capital, the Yanks will travel to Leningrad, where they will conclude their tour by playing three more exhibition games.
More than 25,000 persons braved a driving rainstorm Tuesday night to watch the U. S. men's team whip the Georgian national team, 59-41, for its fourth straight victory in Russia. The U. S. women turned back the champions of Estonia, 43-34, for their second victory in four games.
Both games Tuesday were staged on the rain-soaked boards of the open-air Dinamo stadium. The Americans found it almost impossible to maintain their balance on the slippery floor but took the experience in good spirits.
Whenever one of the Yanks fell to the floor, teammates on the sidelines would shout "safe at third" or other baseball terms.
Burdy Alderson of Bartlesville, Okla., paced the U. S. men to victory by totaling 18 points. Sandy Fiete of Garnavilla, Iowa, led the women with 14.

Roseburg Man Reno Big Gun

Reno — Charley Collins, a 22-year handicapper from Roseburg, re., was the big gun Tuesday in the preliminary of the \$17,500 Golden West Grand American, the nation's richest trap shoot.
Collins scored 100 straight in the morning singles and then fired 98 in the afternoon round.
His perfect morning record of 100 straight was equaled by many including Orley Milligan, Roseburg, Ore.; Gordon Miller, Drain, Ore.; and B. Hutchinson, The Dalles, Ore.

Larry Maurer Keeps Leadership In Southern Oregon Swatting

Ashland — Larry Maurer continued to lead the Southern Oregon college batting statistics with a .415 batting average and 16 runs batted in. He also has scored the most runs, 22.
Teamwise the Red Raiders are leading the Oregon Collegiate conference standings with a commanding 5-0 record.

Tim Tam Breaks Through Jam To Win Derby Trial

By RAY AYRES
Louisville, Ky.—Because he did such an expert job of piloting Calumet Farm's Tim Tam through a heavy traffic jam in the Derby Trial Stakes, Ismael (Milo) Valenzuela will be back aboard the Calumet farm colt in Saturday's rose run. Mrs. Graham hopes to get Dave Erb as jockey for Ebony Pearl.

C. V. Whitney's Flamingo was third in the Trial and definitely will start Saturday, trainer Syl Veitch said. Gordon Glisson rides.
Nadir, who continued after the finish of the trial to work out a mile and one-eighth in 1:54 3/5, also is expected back along with Mr. and Mrs. George Lewis' Martins Rullah, who finished seventh.
Also expected to start are Silky Sullivan, the bright red chestnut geared for delayed action running, Belleau Chief, Benedicto, Chance It Tony, Gene Fishing, Lincoln Road, Nouredin, Red Hot Pistol and Warren G. If the track is fast A Dragon Killer will join them.
Silky Sullivan just galloped a round Churchill Downs Tuesday and handled the muddy track with no trouble. "He doesn't have to carry his race track around with him," said trainer Reggie Cornell. "I can run all day, wet or dry."

The track dried slowly all day Tuesday and was "slow" for the trial. No additional rain was forecast but the weather turned cool during the night.
Webfoots Slate San Jose State
Eugene — The Oregon Webfoots filled up their 1959 football schedule Tuesday with the signing of San Jose state for on October 10 contest.
Athletic Director Leo Hris said the Spartan game completes a 10-game slate for the Ducks, four on the road and six at home.
Penn State, a perennial power on Eastern grids, has signed a two-game series with Oregon for 1963 and 1964.

Walls, Sauer Lead in Homers

New York — The Chicago Cubs' Lee Walls and the San Francisco Giants' Hank Sauer are the early home run sensations of the major leagues.
Walls, who hit only six last season, and Sauer, who hit 26, each has seven so far this year. Walls hit two Tuesday while Sauer hit one.

Rule Move Talked To Permit Change of Club Into NY Area

Chicago — The National League could transfer a franchise back to New York immediately upon approval by Baseball Commissioner Ford Frick under a new rules change recommended for action at the next major league joint meeting.
The recommendation was made by the major league's Territorial Rules Committee.
It proposed changing the rule on leagues to provide that either major league may change to include any city of the other major league "after approval of the league desiring to change its circuit and the commissioner."
It also would stipulate that "such approval by the commissioner shall be withheld until after hearings have been held and necessary investigations conducted."
The current rule on territorial rights gives any major league club the power to veto the entrance of any other team into its city.
"The proposal takes away the veto power of the other league," Charles Segar, assistant to Frick, said.
There appeared little doubt the proposal would be approved, since in joint league meetings each league votes individually and Frick casts a third ballot to break a tie.
Frick today was to meet with other baseball officials to prepare the league for the four-year draft rule approved at the last major-league meeting. Segar said the meeting was routine and there would be no change in policy discussed.
The American League at a later session Monday discussed general problems including the current situation on possible federal legislation concerning baseball.

Don Nelson, Tony Softli Tops in NW

University of Oregon, Eugene — Two new leaders among the top track and field performers in the Northern Division popped up this week and another half dozen marks were improved as the teams again battled bad weather.
Washington's Tony Softli, who has not been among the top three prior to this week, took over the broad jump with an effort of 24-1 3/4 and WSC's Don Nelson, who had been third, became the top discus thrower with a heave of 155-9 1/4.
Oregon's Jim Grelle went out of the league last Saturday to win the Drake Relays a mile in the record time of 4:07.9 while the bulk of the Oregon squad was rained out at Idaho. This Saturday Grelle tangled with Washington's Jack Larson in the feature race as the Ducks and the Huskies meet in Seattle to settle the 1958 dual match championship.

The other improved marks of last week came from WSC's Don Maw, who moved into the tie for second with a 9.7 100-yard dash, Washington's Ernie Brannon, who took over third in the two mile with a 9:25.3, Spike Arit of WSC, who ran 23.8 in the low hurdles to better his own top mark, Cliff LaBounty of Washington, who pole vaulted 13-6 to take second, Don Cresswell of WSC, who high jumped 6-2 to tie Oregon's Dave Erdstrom, and WSC's Steve Frye, who held on to the top spot in the shot put by bettering his old season's best with a heave of 54-10 1/2.
