Gold Hill — Miss Mildred Gail has been elected to Mortar Board, national senior women's honor society at the University of Washington, Seattle.

They are to set an example for good conduct and good citizenship. The group raises funds each year for two scholarships, one for a sophomore girl and one for a junior.

Miss Gail is in the Far East department and is majoring in the Russian language, with a minor in French. She will soon appear in an all "French" three act play, in which she has a maid's role.

Rose Show Chairman Urges Disbudding of Hybrids Now

All persons intending to enter roses in the annual Medford Rose Show, to be held at the Red Cross building Monday, June 2, are urged by Mrs. Ronald Axtell, general chairman of the event, to begin disbudding their hybrid tea roses in preparation for exhibiting in the show. Specimen exhibition blooms must have been grown disbudded, she states, and evidences of late disbudding will be penalized by the judges. However, side buds are permitted on blooms of single roses, climbers, polyanthas, floribundas and grandiflora roses.

Exhibitors are also advised to fertilize their roses now so that they will be in top shape and producing, in quality and quantity, exhibition blooms for the show.

All rose enthusiasts who grow "old roses" (introduced prior to 1910) are invited to exhibit in the "Old Rose" division of the show. Section A of this division is a new exhibit this year. Class 1 of this section consists of three

stems of Moss roses; Class 2, three stems of Rugosa or Rugosa Hybrids (must be named); and Class 3, three stems of old fashioned roses (i.e., Hermosa, La Reine Victoria, Duchess de Brabant, etc.)

Section B of this division "Old Rose Bouquet" was a feature of last years rose show. The award for this section will be known as "The Will Tillotson Memorial Award" and will consist of "old fashioned rose bushes donated by the Will Tillotson Rose nursery. This bouquet must be arranged in an old fashioned vase, and will consist of eight or more old fashioned roses (introduced before 1910). Sixty points will be given for quality of blooms and 40 points for arrangement, fragrance, and suitability of container.

Any person desiring information in regard to the rose show may telephone Mrs. Wallace Peabody, SP 2-7364 or Mrs. Carl Norris, SP 2-4677.

Give them a Faith to live by

Worship with them this week

Naturally you want them to have all the good things in life... a happy home... a good education... plenty of chances to meet other nice young people. But be sure to give them the most precious gift of all... Faith.

The wonderful part is that faith is yours to give... no matter who you are, what you do for a living, how much money you have in the bank.

Faith is the gift you give a little at a time. Every week you worship with the children at your church or synagogue. The youngsters see you... the biggest, smartest, most important people in their world... asking God for help, thanking Him for blessings. Then it's clear to them... here they can always find the strength they need, always find the happiness they want.

Then you've done the best a parent—any parent—can do.
