

Los Angeles Takes Another On Nose From Giants, 12-3

Los Angeles — The Los Angeles Dodgers, nesting in last place in the National league for the first time in 10 years, today called on big Don Newcombe to try and stem the rampaging San Francisco Giants.

The last time the Dodgers were in the National league cellar was on July 2, 1948. Despite their poor showing thus far this season, 29,770 fans turned out Monday night to bring the Dodgers' total home attendance for 20 games to 557,289.

Last fall, when Medford and Grants Pass tied in their Southern Oregon conference football game and in the league's final standings, a vote of member schools was required and there was some delay before fans knew which team would represent District 6 A-1 in the state play-offs.

No delay is anticipated in the future unless a three-way tie occurs. Even then, selection of the district representative may be automatic.

lis and possibly with Astoria and one or two state of Washington schools. The contacts between the widely separated schools will be handled by "ham" radio. A recent similar meet with Ashland contending with McMinnville, West Linn and Tillamook met with considerable interest.

The victory-flushed Giants ran up their fifth straight win and fifth in a row over the Dodgers Monday night with Willie Mays' two homers, one a grand slam blast over the left center field screen that the grinning star later said was the hardest hit homer of his career.

Method of determining the District 6 quarter-finalist when standings are tied was settled Saturday at the Southern Oregon conference meeting at Central Point.

When Fred McKeen, Jacksonville high, came in second in the mile in the District 5B track meet Saturday we wondered what his plans would be for this coming week end. Fred by taking singles runner-up in the District 4 tennis meet last Friday, qualified for the state net tournament.

Mays drove in five runs with his two homers and Daryl Spencer also hit two homers to raise his total for the season to six, four of them off the Dodgers. And the Giants' 17 hits was their largest total of the year.

According to the plan, when teams knot in the standings and also in the game between them, the club with the most total overall yardage will gain the play-offs. If two teams tie in the final standings but not in the game in which they meet, the one which defeated the other is the district representative.

Both of these Oregon championship events are set for this Friday and Saturday, the tennis tourney at Corvallis and the track affair at Springfield. We haven't heard how McKeen will resolve the issue. He may forego one or the other, although he could start out in the tennis tourney Friday and, if eliminated, run in the mile on Saturday.

The Giants blasted starter Don Drysdale out of the box in two innings for his sixth defeat against one relief win. Meanwhile, Ruben Gomez was scoring his third win, all against the Dodgers, against two defeats for the season. Gomez struck out 10 men and walked only one while giving up six hits.

In the case of a three-way deadlock, if one of the teams has beaten both of the other two, it will advance into the state eliminations. Otherwise, a drawing will be required.

SEYMOUR TO MARINES
Bill Seymour, coach of football, basketball and baseball this year at Jacksonville High school, has enlisted in the Marine Corps and will enter officers training next September at Quantico, Va. He said he plans to loaf this summer.

Some Long Balls
The Dodgers were able to get more extra base hits than normal for them, five of the safeties going for more than one base, climaxed by Gil Hodges' homer in the bottom of the ninth.

ALL-STAR TEAM PLANNED
Southern Oregon conference baseball coaches or their representatives at the Saturday session left it up to this writer to conduct the poll for the league's all-star baseball squad. Only the coaches will vote. Ballots are being sent out this week.

PARASITE KILLS FISH
Clayton Hannon, Clatsop Falls Herald and News sports writer, mentions in his field and stream column, that fishermen at Lake of the Woods when the ice broke reported large numbers of dead fish on the shore and on the bottom. He said that, according to Art Gurlock of the state game commission, the situation isn't one to be alarmed about right now.

GP POINTS FOR TORNADO
Medford and Grants Pass high track teams meet here next Saturday in the first dual track meet between the schools in a number of years. We can't remember off-hand just when the last two-way encounter was. Coach Russ Werner's GP Cavemen track teams are known to be pointing for Mentor Dean Benson's Black Tornado aggregation.

A parasitic tapeworm is blamed. The worm is not harmful to human beings since it is confined to the organs of the fish and does not affect the flesh or skin. The worm reaches the fish through a cycle. It starts with the droppings of birds which are eaten by bugs which are in turn consumed by fish. When the fish die and come to the top of the water, they are eaten by birds. Gurlock informed Hannon that there is no way to control the problem but that he thinks the tapeworm gradually will die out.

NEW STATE PRIDE
George Pasero, sports editor of the Oregon Journal, points to the state pride which has resulted from the chopping up of the Pacific Coast conference. "Our southern neighbors have performed one notable service for the state of Oregon," he remarked. In the past, the pride suffered from the rivalry of the two major state schools, University of Oregon and Oregon State college. Now, Pasero points out, some of the most rabid supporters of each school cheer for the other — except when the two are playing each other.

GAME RESCHEDULED
San Francisco — Sunday's rained-out game between the Los Angeles Dodgers and San Francisco Giants will be played on Saturday, Aug. 30, as part of a day-night doubleheader at Seals Stadium.

What makes it rougher for the forthcoming GP dual is that the Cavemen have gained a capable miler in Ken Simmons. Previously a student at Grants Pass, Simmons has returned after attending school at Del Norte high, Crescent City, Calif.

FAREWELL FOR SIMPSON
A farewell dinner for Al Simpson, head football coach at Ashland High school, has been planned for Saturday evening, May 24 at the Bellview Grange hall. Former players of Al and acquaintances are invited. Simpson is leaving to take a coaching post at Cottage Grove. He has coached at Medford high and Southern Oregon college as well as Ashland.

Performances of the Black Tornado in the grid and field test with Grants Pass will be used in a mailographic meet with the University of Oregon Frosh. Medford high and the UO freshmen will mail their times, heights and distances to each other for comparison.

WHAT ABOUT PUCKETT
Someone has suggested that arrangements be made for Jim Puckett to run during the A-1 and A-2 state track meets at Corvallis on May 30 and 31. Puckett, sprinter for Cove High school, is a Class B performer, and under ordinary circumstances not eligible for running in the A school affair. Might be all right if it could be arranged at no disadvantage to the A-1 and A-2 qualifiers and if Puckett's placing would not count in the scoring. An objection, however, is that his running,

Medford high may have another broad jumper in George Koch. The junior trackman has started work in that event. He was jumping well in physical education class the other day.

DOG IN WAY
Sprinters Kerman Bennett and Jerry Kime and Coach Ed Knapp of Crater high hope that the dogs will be kept off the track when the District 6 A-1 track meet is held at Grants Pass on May 24. They report that a dog which got in their way in the 100-yard dash spoiled their chances in the triangular meet last Saturday in the Climate city.

New York — You Gotta Have Heart.
That was one of the smash hits in a memorable musical. Memorable mostly because it tells a fanciful tale of how Washington won and the Yankees lost the pennant.

It is extremely doubtful whether such a classical condition will arise this season, but Washington has, at least, come up with a young fellow who has gobs of that ingredient known as "heart."

He is Albie Pearson and he had to have "heart." Because if anybody smaller than Albie ever competed in the majors — aside from the midget who once was a pinch-hitter for the

Police Officers Get Prison Terms

Portland — Two former Portland police officers were sentenced to 18 months in the state penitentiary Monday by Circuit Judge Charles W. Redding. The former policemen had confessed to the burglaries of three business establishments.

The men were Donald E. Roberts, 29, and Frederick W. Matthews, 37.
Judge Redding told the pair "Were it not for the fact that you were police officers, you would have received suspended sentences."

Syracuse, N.Y. — Syracuse University and the University of Maryland have renewed football relations, with the first game scheduled for Archbold Stadium here, Oct. 3, 1959. The return game is scheduled for College Park, Md., Oct. 7, 1961. The two schools last met in 1956.

TV Boxing Debut Set For Liston

New York — Heavyweight Charles (Sonny) Liston of St. Louis, making his TV debut, is favored at 3-1 to beat Cuban Julio Mederos in their 10-rounder at the Chicago Stadium Wednesday night.

It will be the only nationally televised bout this week because the Friday night sponsors are interrupting their fight series with a TV play.

In Wednesday's fight at Chicago, six-foot Liston will make his bid for consideration as a contender. Weighing about 208 pounds, Sonny is an impressive boxer — puncher. He won 17 of his 18 bouts, nine by knockouts. His only defeat was on a split decision to Marty Marshall, who broke Sonny's jaw in two places.

Cuban Mederos, also exceeding six feet and 200 pounds, is a slugger who depends much upon the dynamite in his right hand. His 21-18-3 record includes 18 knockouts. In his last two bouts he was outpointed by George Chuvala and stopped (7) by Alex Miteff.

Each is 25. Their bout will be televised by ABC. The week's boxing schedule includes:
Tuesday: Boston—Barry Allison vs. Pete Adams; Richmond, Calif.—Hank Casey vs. Joe Brewer; Philadelphia—Len Matthews vs. Pappy Gault; Miami Beach—Ludwig Lightburn vs. Steve Ward.
Wednesday: Chicago Stadium—Sonny Liston vs. Julio Mederos.
Thursday: Los Angeles—Ezekiel Uribe vs. Paulie Armistead.
Saturday: Hollywood, Calif.—Enrique Aceves vs. Pete Kawala; Albuquerque, N.M.—Joey Giambra vs. Al Andrews.
Sunday—May 18—Mexico City—Davey Moore vs. Roberto Garcia.
