### Three Clubs Unbeaten in Grade Loop

Oak Grove took over the lone lead in the American league and Roosevelt A and Jefferson remain tied in the National circuit Thursday in city grade school baseball. All three of the leaders are unbeaten.

In the American loop Oak Grove edged Roosevelt B 5 to 4 while Lincoln tipped West Side 4 to 3. Roosevelt A nipped Washington 3 to 2 in the National and Jeff clubbed Jackson 13 to 1.

Stickley's hit, two errors and a base on balls were the ingredients for the Lincoln fifth inning winning marker. Pitcher Stickley struck out six men and issued one walk. For West Side Fritz Beck had three strikeouts. He also walked one.

Roosevelt took advantage of four Oak Grove errors and a hit by Rasmussen to score their four runs in the first inning. Oak Grove, on an error and a wild pitch, scored one run in the second. It added two more in the third on three walks and two passed balls. Two more runs in the fourth provided the winning margin.

Wise, of Roosevelt, struck out two, and walked three. Larson, Oak Grove, fanned three, walked two, and gave up two hits.

Jefferson ran up 10 of its runs in the fourth inning. Steve Ettles didn't allow Roosevelt A a hit. But the eastsiders capitalized from eight walks and four Washington errors. A walk, two stolen bases and a passed ball permitted the winning run in the fifth canto. Ettles struck out nine.

### Fourway Knot At Memphis

Memphis, Tenn. — Three professionals and a former Walker cup-player carried one-stroke leads into the second round of the \$24,000 Memphis Invitational Golf tournament today.

Oldtimer Chick Herbert, youngsters Jim Ferree and Ernie Vossler, and amateur Mason Rudolph each cut five strokes off par Thursday to finish the first round with 65 over the Colonial Country club course.

Veteran Marty Furgol of Lemont, Ill., was one shot back at 66.

Tied for the third spot were former Open champion Cary Middlecoff of Memphis, U.S. amateur king Hillman Robbins Jr., also of Memphis and Art Wall Jr. of Pocono Manor, Pa. They were in a group that posted 67s along with Australian Frank Phillips.

### Ben Hogan Has Tie in Greenbrier

White Sulphur Springs, W. Va. — Veteran Ben Hogan and newcomer Stan Mosel held a narrow one-stroke lead over Sam Snead and Gary Player today as a big field headed into the second round of the \$10,000 Greenbrier Open Golf tournament.

The 45-year-old Hogan, playing in only his fourth tournament this year in his semi-retired status, and Mosel, 26, fired 65s in the opening 18 holes Thursday. Snead, pushing 46, and Player, 22-year-old South African, barely missed making it a four-way tie. They had 66s on the par-71 Old White course at this mountain resort.

Four others were bracketed at 67 and three at 68.

### Game Education Men Complete School Touring

Portland — Some 51,700 Oregon students now have a better knowledge of the basic principles of wildlife management as a result of conservation programs presented in schools throughout the state this past winter by the educational staff of the Oregon Game commission. The recently completed schedule of appearances marks the eighth year that the game commission has worked in cooperation with the Oregon school system in presenting wildlife conservation to Oregon students.

During the past five months education agents Cal Giesler and Austin Hamer have toured the state giving illustrated talks and showing wildlife films to student assembly groups. During the period, 207 high schools, junior high schools, and elementary grade schools were visited by the representatives who presented a total of 270 separate one-hour programs.

Five programs, titled "General Conservation," "Big Game Management," "Fishery Management," "Waterfowl Management," and "Outdoor Safety," now comprise the series, with a different sound, color film used for each program. By rotating programs in the series each year, students hear from two to four phases of wildlife management before they graduate or move up to higher grades.

### Mayor Endorses Flanders Poppy Sale

Mayor John Snider recently endorsed the annual Flanders poppy event scheduled May 23 and 24 in Medford.

The poppies are made by veterans and will aid in the rehabilitation of veterans as well as for the care of children of veterans, he noted.

### Goal Kick Experiment By Morris

Eugene — The University of Oregon will conduct an experiment soon, with blessings of the NCAA, on possible new goal posts for collegiate football designed to increase the number of field goals and extra points. Athletic Director Leo Harris said today.

At present, college goal posts are located 10 yards back of the goal line while in professional football the posts are on the goal line.

Under the experiment the goal posts will be placed three yards closer to the goal line and the crossbars will be two yards wider. The posts themselves will be on the end zone line as at present but will project toward the goal line for three yards at the top. The experimental uprights will be six feet wider than the ones in use at present.

Harris said Oregon agreed to conduct the experiment after the NCAA meeting in Miami.

Jack Morris, whose place kicking helped Oregon into the Rose Bowl, will do experimental kicking at the new posts during June and July. Results will be studied by the NCAA.

### Red Raiders Tussle EOC

Ashland — Out to wrap up the Oregon Collegiate conference diadem in baseball, the Southern Oregon college Red Raiders met the Eastern Oregon college diamond on Saturday afternoon and face the Mountaineers in a doubleheader starting at 1 p.m. here on Saturday.

The Raiders need only one victory in the three-game series to knock EOC out of the title picture but must win at least two to be certain of the title. Southern Oregon leads the circuit with an 8-1 mark and Oregon college and EOC are 6-3 each.

Southern Oregon is favored in the week end series since Eastern Oregon lost three times to Oregon college over which the Raiders hold three triumphs.

The men of SOC have a team that is one of the greatest in history here at Southern Oregon. The hitting has been tremendous and the pitching has proven capable. The team as a whole is batting over .300 and four or five of the hitters are near the .400 mark.

### Rochester Holds Slim IL Edge

The UNITED PRESS  
The Miami Marlins, with some fine ninth inning relief work from the ageless Satchel Paige, took a doubleheader from the Richmond Virginians, 4-0 and 5-3, Thursday night to move into sixth place in the International league.

In other games, pace-setting Rochester maintained its slight percentage point margin over Montreal as the Red Wings defeated Buffalo, 9-1. Montreal edged Toronto, 6-5, while the Columbus Jets shut out Havana, 3-0, behind the five-hit pitching of Gonzalo Naranjo.

**BOONE OUT OF ACTION**  
Detroit — Firse Baseman Ray Boone of the Detroit Tigers will be out of action for an indefinite period. Boone twisted his right knee in the ninth inning of Wednesday's game with the Cleveland Indians when he was caught in a rundown between first and second.

## 12 Entries Expected In Preakness Field

Baltimore, Md. — Twelve horses, the largest Preakness field in 30 years, are expected to be entered today for Saturday's running of the Triple Crown classic that shapes up as a rerun of the Kentucky Derby.

Unconvinced that the Derby, run over a slippery, muddy track, was a true test, the trainers of seven other

starters from Churchill Downs were ready to give their charges another shot at Calumet Farm's winner, Tim Tam.

In addition, four other three-year-olds who passed up the Rose Run complete the roster for the 82nd running of the Preakness stakes.

Back for another crack at Tim Tam will be Derby starters Lincoln Road 2nd; Nouredin 3rd; Jewel's Reward 4th; Martins Rullah 5th; Chance II Tony 6th; Gone Fishin' 8th; and Silky Sullivan 12th.

### Mule Deer Should Be Plentiful

Census trends were completed this past month on most of Oregon's mule deer ranges and show that plenty of the big sage jumpers will be around for the hunting seasons this fall.

In general, the tally shows slight over-all increases in deer per mile throughout eastern Oregon, probably influenced by the extremely mild winter and a minimal winter loss. The only substantial winter losses were reported from winter ranges where critical food conditions exist.

By districts, the popular central area shows a considerable increase in deer numbers from the 1957 tally with the exception of the Tumalo range where a small decrease was noted. The Devils Garden, Hole-in-Ground, McKay-Ochoco, and other popular central ranges all showed substantial increases in the number of wintering deer.

### U.S. Open Qualifying Play Billed

New York — A record 2,123 golfers will battle it out in qualifying rounds for 145 berths in the U. S. Open championship at Tulsa's Southern Hills Country Club, June 12-14.

The U. S. Golf Association actually received 2,140 entries before the deadline for filing Thursday night, but 17 players, including defending champion Dick Mayer, qualified automatically for the championship flight.

There will be 28 qualifying rounds this year, the first at Honolulu on May 26 and the remainder scattered throughout the nation on June 2.

A fair sized herd was noted wintering just to the north of the state line road, the first such observation in 20 years. Considerable numbers also wintered in the Round lake area east of Kilgore reservoir.

The state line track count is now well under way and should be completed around the end of the month when most of the interstate herd have migrated north. Black-tailed deer west of the Cascades also show gain from the 1957 trend counts.

## No-No Tiff Chucked by Don Lane

By UNITED PRESS  
Lefthander Don Lane pitched a no-hit, no-run game for the University of Oregon against Idaho at Moscow Thursday as the Ducks downed the Vandals, 11-0, and maintained their game and one-half lead in the Northern Division pennant race.

Oregon State dumped Washington 10-4 to move half a game ahead of Washington State into second place.

Lane, a senior, allowed only one Vandal to reach third base, in the eighth inning. He struck out 11 and walked three. The Ducks had one error.

**19 Hits Pounded**  
Oregon pounded out 19 hits off two Idaho pitchers. Catcher Ellis Olson was the big gun for the Webfoots with a home run, a triple and two singles. Lane, Len Read and Jerry Urness all had three hits each for the Ducks, who now sport a 7-1 league record.

Oregon State made its 10 hits pay off in 10 runs in downing the Huskies at Seattle.

Bob Berreman led the Beavers at the plate with a home run, a triple and a single. Southpaw Ray Lunde held

## Giants Getting Series Ticket Applications

San Francisco — The Giants announced officially today that they "had been receiving a few" applications for World Series tickets.

Ticket manager Peter Hoffman said some San Francisco fans had written in, wanting to be first in line for tickets if the Giants should happen to get into the World Series.

"We just send them back announcing that we are not accepting applications at this time," said Hoffman. "What are they trying to do? Jinx us?"

With the Giants showing no immediate signs of collapsing on the swing to the east, there is more and more speculation here on just what would happen if the Giants should happen to get into the fall classic.

Naturally, this rookie-filled club isn't expected to do that well. In fact, most of the local fans would be satisfied to see it finish in the first division. Or ahead of the Dodgers, anyway!

Washington to only three hits. Washington made five errors. OSC is now 7-4 in the race while WSC is 6-4.
