A little learning is a dangerous thing...

... and that's what our children are going to receive if we don't do something about the serious shortage of classrooms and teachers. Needed right now, for example, some 203,000 more classrooms! What can we do about it? Join with our neighbors in community conferences—help get action on local school needs. Send for free booklet, "Let's Get Our Schools Ready Now." Better Schools, 9 East 40th St., New York 36, N.Y.

away. Other couples in the game do the same. Then, at a starting signal, all the couples run toward the other line, half of them running backwards. When they

reach the line the backward runners run forward to the starting line, and their partners go backwards, always with their arms locked. The first couple back wins!

Let's Draw a Monkey

Ann Davidow

The monkeys think it's quite a joke That they resemble human folk.

They laugh at us from lofty places, Making silly monkey faces

Until we're feeling incomplete, Standing on our clumsy feet.

Bottoms up, they seem to tell us, "People without tails are jealous!"
