Beavers Obtain Rodriguez From Chicago Cubs

Chicago — The Chicago Cubs announced today that pitcher Fernando Rodriguez had been optioned to Portland of the Pacific Coast league on 24-hour recall.

The cut brings the Cubs to the 25-player limit. Rodriguez, a righthander, had no record this season.

OGA Champ Title Taken By Wiggins

Salem — Roy Wiggins of Oswego won the annual Oregon Golf Association's Championship of Champions tournament Sunday but his five-under-par golf was only one stroke better than the score turned in by Ralph Dichter of Astoria.

Wiggins shot a 139 in the 36-hole medal play over the Salem Golf club course with a 68 in the morning and a 71 in the afternoon.

Dichter had a 140, followed by Frank Isaac of Eugene with a 142. Next in line was Ad Huycke, Oswego, the defending Oregon amateur champ, at 146. Cy Perkins, Hood River; Lou Tobin, Tullin, and Dick Stears, Portland, tied for fifth at 147.

Spike Beeber, Portland, had 148; defending champ Sig

Milligan of Eugene and Harry Millette of Medford had 149.

Tampa, Fla. — Miss Mary Louis Perfect tries to live up to her name. The Florida Jaycees have named her the state's outstanding teacher of the year.

PERFECT CHOICE

Corvallis — The Oregon State Rooks edged the Oregon Frosh in baseball 10-9 Saturday.

Rubber in an eraser doesn't do the erasing—it is the pumice in the rubber that does the trick.

Russian Sets Record

Moscow — Vasily Kuznetsov, a Russian athlete, studying at the Moscow Pedagogical Institute, Sunday set a new world Decathlon record when he scored 8,013 points in a track meet at Krasnodar. He became the first man to break 8,000 points in the Decathlon and wiped out Gafer Johnson's previous record of 7,985 set in 1955.

Pacific Coast Conference Holds Portland Session

Portland — Officials of the strife-torn Pacific Coast conference today tackled a number of thorny problems, including the future of the Rose Bowl.

Delegates from Southern California, UCLA and California were expected to attend the three day spring meeting, although all three schools have announced intentions to pull out of the PCC after July 1, 1959.

Representatives of two California independents — San Jose State and College of Pacific — were also expected to be on hand for an attempt to break into a reformed PCC.

Items on the agenda, in addition to the Rose Bowl problem, included: Basketball schedules for 1959-60, a review of rules on recruiting and scholastic eligibility, football schedules beyond 1962, establishment of dates and sites for 1958-59 spring sports playoffs, and a review of football and basketball rules changes.

Rose Bowl Problem

Officials were faced with the problem of how to select future Rose Bowl teams after 1960, with the departure of the so-called California "Big Three."

The Big Ten went along with the Rose Bowl agree-

ment with the understanding that the games would match schools from the two conferences. Whether UCLA, Southern Cal and California would be included in future Rose Bowl pacts remained to be ironed out—although observers said a definite solution may not be reached at this meeting.

The current contract between the Tournament of Roses and the PCC still has two games to go.

The possibility of a six-team basketball circuit, composed of Oregon, Oregon State, Washington State, Washington, Idaho and Stanford, has been discussed—but this faced a problem of scheduling.

Severance by Degrees

UCLA has said it plans to sever all athletic relations with all Northern schools except Washington after it pulls out of the PCC, but Cal and Southern Cal may be receptive to meeting the schools in sports other than football.

Whether the other schools would be so receptive, however, was another question.

A plan for giving more aid to athletes was beaten, 6-2, at the last conference meeting in San Francisco. Washington and Southern California favored the plan, while California was not represented.

Try and Stop Me

By BENNETT CERF

INDIANA UNIVERSITY Press has published a "Draftee's Confidential Guide" that contains numerous invaluable, off-beat tips for gawky youths who find themselves in the Army for the first time. Examples:

"On the range, try to get on the 'Ammo' detail. A little work carrying boxes may get you a ride back to the company on the ammunition truck"; "Carry a couple of candy bars along every day. You get mighty hungry out in the field after an hour or two of training"; "Don't stay in the barracks during off-duty hours or you may be picked for a detail. The library is one place they'll never find you."

With satellites apparently approaching the man-bearing stage, bolder wits in Moscow have come up with a new simile, according to NBC's roving correspondent, Irving Levine. One of his Russian friends asked him, "What ails you this morning, Irving? You're as nervous as a midjet at the missile grounds."
