

STATE TENNIS CHAMPIONS — Shirley Hanson and Ellen Callaghan, above, of Eagle Point High school, were crowned girls' state prep doubles tennis champions last Saturday at Corvallis. They defeated Marg Barnhart and Joan Walker of David Douglas in the final and also subbed another duo from David Douglas and girls from Grant and Corvallis High schools on their way. In taking the top doubles trophy the Eagle Point girls also gained a share of the time title with Washington and David Douglas. Two victories over Phoenix during the season qualified the girls for district honors and the state tourney trip. Both Miss Hanson and Miss Callaghan play for the Rogue Valley Dairy Maids softball team and will turn their attention from the net sport to softball for the summer.

Buena Park, Erv Lind's Florists on Schedule of Dairy Maid Softballers

A season schedule including the well-known Erv Lind Florists of Portland and the Buena Park, Calif., aggregation has been announced for the Rogue Valley Dairy Maids softball team.

The slate for the Milk Producers league - sponsored ladies' team is tentatively set to open on June 1 with a trip to Myrtle Creek. Tentative date for starting competition on the home field, the Veterans' Administration domiciliary stadium, Camp White, is June 7 against the same Myrtle Creek nine.

Game with the Florists will be on June 15 at Camp White. Tussle with the Buena Park club will also be on the VA field July 13. Other teams on the Dairy Maid schedule are Chico, Dunsuir and Alameda, Calif., Eugene McCulloch Chain Saw, Roseburg, Astoria and Albany.

The Oregon state tournament at Camp White and Eagle Point diamonds will climax the season. Dairy Maid practices are being held on Tuesdays and Thursdays at 6 p.m. and on Sundays at 1:30 p.m. Coaches Shy Callaghan and Elmer Harnish have stated that all girls interested are welcome to turn out.

A squad of 18 has been drilling. Bernice Bigham, shortstop regular of the Maids, will join the club when the spring term at University of Oregon concludes. Pat Barron, from Klamath Falls, is scheduled to pitch for the team again.

The Dairy Maid slate with women's clubs is in addition to their probable playing with men's teams in the Jackson County Softball association. M and W Chain Saw and the Maids have a practice tiff this evening.

SCHEDULE:
June 1—At Myrtle Creek (tentative). June 7—Myrtle Creek at Camp White (night, tentative). June 8—At Roseburg. June 15—Portland Lind Florists at Camp White (night). June 21—At Chico, Calif. June 22—At Dunsuir, Calif. June 23—At Eugene. McCulloch Chain Saw (night). June 29—McCulloch and Albany at Eugene. July 5—Astoria at Camp White (Saturday game, night). July 12—Chico at Camp White. July 13—Buena Park, Calif. at Camp White (night). July 19—Doubleheader against Alameda, Calif., and Eugene McCulloch at Camp White. July 20—Eugene at Camp White. July 26—At Alameda.

Vote June 3
As you guys know, the citizens of Los Angeles vote June 3 on a deal giving you the Chavez ravine site in exchange for Wrigley field, and you undoubtedly remember that there was some question about oil rights in the controversy.

Well, the city council did something about that too. The council has offered to sell oil rights to 245 of Chavez ravine's acres for \$1,000 an acre for 16 2/3 per cent royalties. The city would retain all oil rights.

And you may not have heard that a zoological group would like to build the world's "finest zoo" in your ravine. Not to mention the fact that another set of promoters would like to have a world's fair and exposition there.

It's pretty plain that you guys had better do something about that 10-game descent into the National league cellar.

Black Tornado Goes To KF On Wednesday

Medford High school's baseball twinbill at Klamath Falls has been shifted to Wednesday at 1:30 p.m., Medford Coach John Kovenz has reported. The game originally was set for this Friday.

First contest will count in the Southern Oregon conference standings and the second will be a non-leaguer.

If Ashland beats Grants Pass today and Medford overcomes the Pels tomorrow, Grants Pass and Medford would be tied for the Southern Oregon conference championship. A play-off would be necessary to determine the District 6 A-1 entry in state quarter-finals. Grants Pass has a one-game edge over Medford and needs only to trim Ashland today to claim sole possession of the crown.

RVCC Wins Team Tiff At Ashland
Rogue Valley Country club golfers defeated the Oak Knoll team 41 to 36 Sunday in a team match at the Oak Knoll links at Ashland.

Carl Schmidt, playing for the host Ashland team, toured in 68, four under par, to equal the course record and take low gross for the day. Dr. Dave Boals paced the Medford team with 70. Schmidt with a 65 and Boals with a 68 also had low net honors for their respective teams. Dave Burns had a 68 net for Oak Knoll and Jack Lewis a 69 for Rogue Valley.

Dom Provost Jr., of Oak Knoll had long drive and Dr. Abner Clark of Rogue Valley short drive. Burns was closest to the pin on No. 4 and Bill Kuhlwein of Oak Knoll closest on No. 7.

Ducks Club Washington Nine 10-7
Seattle—Oregon regained a half-game lead in the Northern Division baseball race Tuesday by downing Washington 10-7. The two teams met again today.

The victory gave Oregon a 3-2 record on its swing through Idaho and Washington and a conference mark of 8-3, compared to 8-4 for Oregon State and Washington State.

Ellis Olson led Oregon at the plate with a home run and a double and pitcher Rolie Heath, who went all the way, had two singles and a two-bagger.

Heath was touched for 10 hits but had only one really bad inning, the fifth, when the Huskies got four runs.

NAIA Play May 30, 31
Portland—The District 2 NAIA baseball tournament involving University of Portland, Southern Oregon, Oregon College of Education and either Lewis and Clark or Willamette, will be held here May 30 and 31, it was announced today.

Dragster Speeds 132

Noel Black and Gerald Fanger, Medford, pushed the Swiften's dragster up to 132 plus miles per hour at a Redding, Calif., drag race on Sunday.

Black hit speeds of 118 and 128 mph and Fanger was at the wheel when the dragster accelerated to more than 132 and recorded the lowest elapsed time, 11.11 seconds.

The Medford duo lost out in the class eliminations when the shifting arm bent but picked a trophy for being less than 10 per cent off the track record.

Drag race season of the Southern Oregon Timing association at its Camp White strip will open on June 1. A number of strips in the northern part of Oregon have reportedly closed down. It is felt that this fact will intensify activity at the SOTA strip.

Black and Fanger loom as a threat to the local strip record of better than 134 mph.

Hollywood—A California winegrower said today plans are in progress to stage an international wine-judging contest in California in 1960 in an attempt to prove that the West Coast product is "unexcelled by wines produced anywhere in the world."

In an address at the Hollywood Advertising Club's third annual California premium wine day luncheon, Otto E. Meyer said a representative group of California growers will meet with the California Wine Institute in San Francisco this week "to lay plans for activating this international competition."

Meyer, executive vice president of Paul Masson Vineyards said he was challenging "the wines of the world."

Take the wheel... get the Swept-Wing feel!

You spend a lot of time in your car—driving to work, shopping, taking trips. How your car rates on the road is important to you. So all we ask before you invest in a new car is this: Come in and take a "road rate" drive in a Swept-Wing 58

Really compare it thoroughly on every count. We honestly believe it rides better, handles easier, responds quicker than any other car you've ever driven. But we'll leave the verdict entirely up to you. You be the judge.

YOU BE THE JUDGE! THINGS TO NOTICE IN THE SWEEP-WING 58:

The feel behind the wheel—You feel different because you sit differently. Low and snug and secure, completely in control, almost a part of the car.

The view around you—The glass area is tremendous. The visibility is outstanding in every direction—front, sides, rear.

The ease of push-button driving—Once you try Dodge Push-Button TorqueFlite you'll never be happy with outmoded lever types. Ladies love it.

A ride that's a glide—There's no sway on curves, no dip at stops. Torston-Aire is standard equipment, too.

This power steering is different—No power steering is like Dodge power steering. It works full time, yet leaves you the feel of the road.

Horsepower and stopping power—You get up to 320 hp. You get new-design Total-Contact Brakes.
