

3OCC Tournaments During Week End At Southern Oregon

Ashtland—A big week end is on tap for Southern Oregon college beginning Friday, May 23, when the Oregon Collegiate conference tennis, track, and golf matches get underway.

Golf and tennis start Friday with the field events in the track meet to get under way Saturday morning at 10 a.m.

Southern Oregon will be playing host to one of the biggest aggregations of collegiate athletes ever to be seen here. There will be teams from Oregon Tech, Oregon College, Eastern Oregon, and Portland State.

In tennis the Raiders will be defending a championship they have held for the past three years and from the looks of things and past performances this could be a wide open tournament.

Coach Skip Graham will send five players into action with Bob Gouley and Bill Isaacs as his top men in both the singles and doubles play.

Filling out the rest of the squad will be Bruce Merrill, Jack Jacobson, and freshman Oris Theford.

To win the singles or doubles crown the winning combination will have to win four matches as it progresses up the ladder to the top.

Oregon Tech is the slight favorite to repeat as champ in the conference track meet with Portland State being ranked a near second. Behind them it will be a fight for the third place spot with Southern Oregon a possibility if it is in top shape.

There will be a trophy for the outstanding track man of the day in addition to the trophy that will go to the winning team. For the first five places in each event there will be medals.

Raider trackmen will go with the same general lineup they have had through the past season with hopes of picking up a first place or more.

Chief hope lies in the discus where defending champ Dave Lockard and newcomer Pedro Colley are rated among the top throwers. Eldon Francis could be a winner in the javelin if he overcomes the top thrower from Oregon college.

Others entering will be hurdles, Dick Johnson; sprints, Clarence Baker, Gordon Clayton, and Pat Conley; middle distances, Jack Johnson and George Perreard; mile and two-mile Don Moody and Rich Scott; 440 yard dash, Frank Scott, and the relay team of Baker, Conley, F. Scott, and J. Johnson.

In the field events entrants are pole vault, Gary Clayton

Tornado Nine Splits With Klamath Pels

Medford High baseballers put their 1936 season in the history book yesterday by splitting a doubleheader with the Klamath Union High Pelicans at Klamath Falls.

The Raiders are defending OCC champions in golf but they will have to fight it out with Portland State this year. Competition will begin Friday morning at Oak Knoll course for the first 18 holes. Championship will be decided Saturday in the final 18 holes.

SOC will enter a full team of five players in Phil Mongrain, Bob Meyer, Frank Shair, Jim McCoy, and Mike Phair under coach Al Akins.

The Black Tornado copped the Southern Oregon conference center first game 4 to 2 and dropped the non-league second scrape to the Pels 4 to 3.

With the league verdict the Medfordites finished in second place in District 6 A-1 only one game back of champion Grants Pass. With the split the Tornado finished its campaign with 14 triumphs and 12 defeats, which must be considered a good season for a line-up dominated by sophomore players.

To gain the edge in the starter yesterday Coach John Kovenz's Medford diamonders turned in their fourth straight errorless game. Junior Pitcher Dennis Barr tossed a four hitter and sophomore Cal Dean and Ken Jensen and junior George Ice contributed the heaviest hitting.

The Pelicans scored the winning run in the second mix in the bottom of the fifth and final inning on an error, a passed ball and a single by hard-swating freshman Rick Dewep. Two were out at the time.

The Tornado piled three of its first-game runs into the third inning. Cal Dean tripled, Dick Durante, Ice and Ron Peery singled and there was an overthrow error. In the sixth inning Ray Konopasek got on base when his long fly was dropped in the outfield. Jensen singled him home. Klamath tallied in the fourth frame when Bill Worlein walked, Dewep tripled and Bob Hall squeezed the freshman home.

Cal Dean socked two triples and a single for Medford in four times up. Ice and Jensen each had two hits. Dewep tripled and singled for Klamath.

Barr walked five and struck out one in his four-hitter. Blake Griggs on the hill for Klamath yielded 10

hits, walked two and fanned two. Medford had two double plays in its fine defensive game. Shortstop Cal Dean to Second Baseman Konopasek to First Baseman Lowell Pease on both occasions.

Five errors were charged to the Tornado in the second clash.

A good share of the Medford High team members will see duty in American Legion junior baseball this summer. Kovenz will coach the Legion nine and said the crew will assemble about the first of June. First game will be on June 7 against the Central Point Cheney Studs nine.

Grants Pass Host For District Meet

Grants Pass will be both the host and the favorite Saturday when the District 6 A-1 track and field meet will be run off on the Caveman oval and turf.

Preliminaries in the annual conflict are set for 11 a.m. with finals at 2:30 p.m.

Entries all will be from Southern Oregon conference schools and will be Medford, champion for the past five consecutive years, Ashtland, Crater and Klamath Falls.

Schools, naturally, will be trying for team honors. But most important will be the effort to qualify men for the state meet in Corvallis, May 30 and 31. Grants Pass on basis of 1936 record is the prognosticator's choice to both claim team laurels and qualify the most for state.

Cavemen Strong
 The Cavemen appear to have the top performers in at least six of the events, real hot contenders in four other events and outside chances in a couple more.

For Medford Mike Russell and Ron Reich have the best times in the 440-yard run, Bruce Hill the best time in the 880 and Murray the top shot put. The Tornado also must be figured a contender for

blue ribbons in the 100-yard dash, the mile and the broad jump and it has a chance for qualifiers in the hurdles, the relay, the high jump, the pole vault and the javelin.

Crater will bid strongest in the mile, the high jump, the broad jump, the pole vault and the javelin. Ashtland has Jerry Stubblefield and Al South, district champ and runner-up last year in the discus, and could threaten in the dashes, the broad jump and the high jump. Klamath Falls has hurdle and high jump contenders, a top broad jumper and a relay threat.

Crater will be handicapped by the absence of its leading sprinter, Kermon Bennett. He has gone to Oklahoma because of a death in the family. Paul Lindquist, Grants Pass broad jumper and 440-man is on the doubtful list because of spike wounds suffered in the meet with Medford last Saturday.

Beavers Sign C of I Player
 Portland—The Portland Beavers of the Pacific Coast League announced today the signing of Ron Morrison, shortstop for College of Idaho, Northwest conference baseball champion.

Morrison was signed by Assistant General Manager Bill Brenner who flew to Caldwell, Idaho, to look over the young star. Morrison, an all-Northwest Conference choice two years in a row, hit .500 in 1937 and .380 this year. He also is known for speed and skill in the field. He bats and throws right-hand.

FILIPINOS WIN
 Tokyo—The Philippines team won the Eastern Zone Davis Cup tennis finals, today with a three-game sweep over a Ceylonese team. By taking the doubles, 6-1, 6-0, 6-4, the Philippines earned the right to meet the winner of the European Zone in Australia this fall.

SEATTLE WINNER
 Portland—Seattle university downed Portland State college 8-1 and 11-2 in a baseball doubleheader Wednesday. Roy Sloy hurled a three-hitter for Seattle in the nightcap while Bob Simmons fanned seven as he twirled a five-hitter for the Chieftains in the opener. Both were seven-inning games.

Art Student's Work In New York Display
 Miss Dewanda Winchell, junior at Medford High school, recently won honorable mention in lineoleum block prints in national competition. Her award-winning art work will be displayed at the National High School Art exhibition in New York June 5 through 30 at the Riverside museum.

The New York showing is the climax of the Scholastic Magazine art awards program for junior and senior high school students. The regional exhibit, held at Lipman Wolfe and Company, Portland, was sponsored by that firm.

Prizes for the New York exhibition winners include more than 100 tuition scholarships plus \$18,000 cash awards.

Miss Winchell is a daughter of Mr. and Mrs. W. O. Winchell, 471 Ross lane.

School Art Section Grows at State Fair
 Salem—Art students in Oregon's elementary and high schools will have a chance to obtain state-wide recognition by entering their works in the enlarged school art section of the Oregon State Fair, Mrs. Laneta King, art superintendent, announced today.

OSC, Ducks Will Clash In Deciders

Eugene—Oregon and Oregon State will decide the Northern division baseball champion this week end with a pair of doubleheaders.

Oregon holds a one-game lead over Oregon State and Washington State. The Cougars play Idaho Friday and Saturday.

Oregon meets Oregon State in a pair at Corvallis Friday and in a twin bill here Saturday.

A-1 Playoff Tilts Billed
 By UNITED PRESS
 Two quarter final games in the Oregon class A-1 high school baseball playoffs were set today with other opponents to be selected in games this week end.

Forest Grove and David Douglas open quarterfinal play in Portland at 3 p.m. Friday. On Saturday night Lincoln of Portland plays at The Dalles.

Grant and Grants Pass also have clinched quarter-final berths. Grant will meet the winner of a series between Bend and North Salem while Grants Pass plays the winner of a playoff between South Eugene and Roseburg.

Welding Show Set At Medford Plant
 A traveling welding show sponsored by Industrial Air Products company, Portland, will be at the Medford plant on Highway 99 north of Medford Friday and Saturday, May 23 and 24.

New equipment at the Medford plant will be on display in addition to booths set up by manufacturers handling welding equipment. Demonstrations will be given in each booth.

The show will be open between 2 and 9 p.m. each day. The demonstrations will include welding with tungsten inert gas and metallic inert gas, officials said. There also will be a medical booth in which, medical gases will be displayed.

Negro Reporter Seeks Passport
 Portland—Rep. Coya Knutson (D., Minn.) who rejected the public plea of her husband Andrew to quit Congress is shown at her desk in Washington, D. C., after a visit to her state.

Trojans Favorites In PCC Track Meet

Eugene—Coach Bill Bowerman of the University of Oregon track team predicted today the winner of the 1936 PCC mile title probably would run close to four minutes.

He said the field included seven of the best 10 milers in the country. Don Bowden of California, who might run both the mile and 880, was the first American to break the four-minute barrier. Jim Groelle of Oregon has done 4:06.9 this year, a time bettered by Bowden and Norm Lloyd of Stanford.

Oregon's squad left here today for Berkeley and the PCC meet this week end.

Berkeley, Calif.—Southern California's Trojans, perennial powerhouse of track and field, are heavily favored to win the 28th annual Pacific Coast conference championships opening here Friday.

Led by world record holder high jumper Charley Dumas the Trojans are expected to make a run-away of the competition.

This doesn't mean that the Trojans will be supreme in all events. But over-all balance will give them a big edge—especially in the field events.

Off their earlier clockings this year, the Trojans could go through the whole two-day competition without winning a track event. The best time in the 100-yard dash is held by Willie White of California. Dean Maw of Washington State tops the 220 runners.

Jack Yerman of Cal and Ted Smith of USC have equal marks in the 440. Norm Lloyd of Stanford has the best mark in the half mile and Don Bowden of California is tops in the mile.

The USC man all alone is Max Truax, intercollegiate champion in the two-mile event.

The high hurdles best is Chuck Cobb of Stanford; and the low hurdles tops is Marv Lester, UCLA.

UNDERWATER STATUE
 Acapulco, Mexico—A 525-pound bronze and nickel statue of Mexico's patron saint, the Virgin of Guadalupe, will be placed on a pedestal in 30 feet of water here by the end of the year and will become North America's first underwater shrine, it was announced today.

PARKING LIMITED
 Bend—Camping and parking facilities at East and Paulina lakes will be limited because of deep roadside snowdrifts during the opening of the high lake trout season this week end. Deschutes National Forest officials said today.
