Youth Need Faith Evangelist Says

San Francisco—Evangelist Billy Graham urges young people to pattern themselves after David and slay giants.

He told an audience of 17,000 at the Cow Palace Thursday night that youth today needs the same faith David had when he chose five smooth stones and slew Goliath.

"Youth faces the giants of jealousy, disobedience, carelessness, sex and the temptation of conformity," he said. "Just as David learned to fight the giant by first taking on a bear and then a lion, thereby learning the discipline that our youths lack, so too we must win our victories one by one."

He said youth can do this by arming itself with "five stones," just as David armed himself with five stones against Goliath.

"Our stones," he said, "are faith, respect, devotional life, humility and preparedness." Most of the standing room audience was composed of teenagers. Total attendance in the fourth week of Graham's crusade is 370,200.

Stocks Climbing; Oil Becomes Strong

New York—Stocks edged higher today with the list around its best average levels of the year.

The tobacco settled down to narrow price movements. Oils produced several strong spots and a group of new highs. Metals ran up fractions to more than a point on a firmer price tone for copper metal. Aircrafts gained. Some of the chemicals, drugs, tires, steels, and a special issues moved higher.

Harlow H. Curtice, president of General Motors, anticipated an improvement in passenger car sales in the fourth quarter as a result of the stimulus of the company's new models. General Motors stock held firm in an otherwise steady auto group.

A long list of issues reached new highs for the year.

Princess Stands On Her Decision

London—Informed sources said Friday Princess Margaret probably will not see Peter Townsend again before he leaves for Brussels this weekend.

The princess arrived in Scotland early Friday to begin a long weekend at Balmoral Castle. She is not expected back until Wednesday. Townsend is scheduled to leave Saturday for Brussels, where he plans to make his home in what British newspapers regard as "semi-exile." There is no indication that he intends to follow the princess to Scotland.

Margaret has seen Townsend several times since he returned from a world tour, but the Buckingham Palace press office says she still stands by her 1955 decision not to marry the divorced fighter ace.

Governor Okays Regional Plan

Salem—The governor's office said Thursday Gov. Robert D. Holmes has given general endorsement of a Columbia river regional corporation.

The governor's statement was prepared for a Senate public works subcommittee which is holding hearings on the bill. It said that "although the bill holds some weaknesses, it is an opportunity for agreement by public and private power advocates."
