

Five Tornado Players on All-Conference

Smith, Huneycutt Picked Unanimously on All-Star Crew in SO Loop Baseball

Five players each from Medford and Grants Pass High school, three from Ashland and one from Klamath Falls were named to the Southern Oregon conference all-star baseball squad in a poll of the coaches of the five member teams.

Jim Smith, pitcher, and Gary Huneycutt, catcher, Grants Pass batterymates, were the only unanimous selections for their positions.

Medford choices were Dennis Barr, pitcher; Ken Jensen, catcher; Lowell Dean, first baseman; Ron Peery, outfielder, and Calvin Dean, utility infielder.

Others named from District 6 and conference champion Grants Pass were: Dick Hayes, third baseman; Don Jaquette, outfielder, and Pete Proctor, who tied with Lowell Dean at first base. Chosen from Ashland were Harley Dickerson, second baseman; Bill Maurer, shortstop, and Don Simpson, utility outfielder.

Hall Chosen
Bob Hall, Klamath Falls outfielder, rounded out the 14-man squad.

The squad has two pitchers, two catchers, one infielder at each position except at first base where there the occurred, the normal complement of three outfielders and one utility man each for the infield and outfield.

Five of those who got all-star spots failed to receive a majority vote for their respective positions but four of these, Lowell and Calvin Dean, Proctor and Simpson did get votes in other positions, thereby each receiving recognition from three out of five coaches.

Selection of Maurer was virtually unanimous since he was listed on the ballots of all five mentors. However, he was named at the utility infield position on one of the five.

Honorable Mention
Rex Benner, Grants Pass, Blake Griggs, Klamath Falls, and Bob Johnson, Ashland, rate at least honorable mention in the coaches' poll.

Benner received three votes each at a different position, third base, outfield and utility. Griggs got one vote for pitcher and one for utility outfielder and Johnson had one ballot each for first base and outfielder.

Hayes had four votes at third base although he normally was at shortstop when not pitching for the Cavemen.

The considerably divided vote in the poll was further emphasized by the fact that eight other players each received one vote.

Votes were tabulated for the coaches by the Mail Tribune sports department.

Ducks Capture 3 Second Spots In PCC Tussle

Berkeley, Calif.—(UPI)—Oregon and Oregon State failed to capture any first places in the PCC track and field meet Saturday. Oregon finished fifth, behind the four California schools, with 20½ points.

Southern Cal won the meet with 60½ points while Don Bowden of California set a new mile mark of 4:03.7. Jim Grelle of Oregon finished second in the mile with 4:06.3.

Dave Edstrom of Oregon was second in the 120-yard high hurdles, and Otis Davis of Oregon grabbed second in the 220.

Campy Offered NY Boxing Post

New York —(UPI)—Roy Campanella, "overwhelmed" by an offer to serve as a deputy state boxing commissioner, was to start training for his new job today.

The former Los Angeles Dodgers' catcher was to be allowed to sit up in a wheelchair for the first time since he suffered partial paralysis in an auto accident last Jan. 28.

Gov. Averell Harriman visited Campanella Sunday at the Institute for Physical Medicine and Rehabilitation at the NYU-Bellevue Medical center and offered Campy the deputy commissioner's job.

Regulars Romp On OSC Gridiron

Corvallis—(UPI)—Oregon State's football team put on an offensive show Saturday in a spring practice windup game which saw the regulars crush the reserves 92-18. Two sophomore tailbacks, Grimm Mason and Leon Criner, sparked for the Beavers.

Reed Student Dies In Fall Off Rock

Camas, Wash.—(UPI)—John Gollehon, 19, Waterville, Wash., was injured fatally Sunday in a 200-foot fall from Chimney Rock about 10 miles northeast of here.

Gollehon, a student at Portland's Reed college, was climbing the rock with four others when his rope parted.

He was alive when first reached, suffering from a fractured skull and other injuries. His companions said he struck the side of the sheer rock face twice.

A forestry truck brought out the body over a rough road. The victim was said to have been experienced in mountain climbing.

Indianapolis has both Bulgarian and Syrian language newspapers.

Ted Kambour Hurls NWL Perfect Game

By United Press International
Yakima's Ted Kambour wrote his name into the Northwest league record book in no uncertain terms Sunday as he pitched a perfect game against Salem in the seven inning opener of a double-header.

Kambour's teammates were able to give him only one run, but that was all he needed. Kambour faced only 21 men. He struck out three and didn't give up a walk. The Bears scored their lone run in the fourth inning when Ted Tappe tripled and scored on an infield roller.

The Bears went on to make it a perfect day by copping the nightcap 3-1 behind the 6-hit pitching of Bob Cleboski.

The double defeat ran Salem's losing streak to 12 straight and dropped the Senators deeper into the cellar. 13½ games behind league-

San Francisco —(UPI)—

Archie Moore and Charley Norkus, both seeking shots at Floyd Patterson's world heavyweight title, meet tonight in a 10-round bout at the Civic auditorium.

Moore is favored to defeat the bullet-headed ex-Marine who packs a good left hook and pulled off one big surprise already in this city. Four years ago Norkus knocked out Charley Powell and to all intents and purposes ended the big San Francisco Forty Niner's own title aspirations.

Norkus feels that a good win over Moore might get him a championship bout with Patterson, whose manager Gus D'Amato is feuding with the IBC and has a long list of "ineligible" opponents.

Moore, who is the world light heavyweight champion although his present girth makes it seem impossible, had one chance at Patterson's title in 1956. He was stopped in the fifth round.

Racers Ready At Indianapolis

Indianapolis, Ind.—(UPI)—The speedway resembled a junk yard today as the fastest cars in the history of the 500 mile auto race were dismantled for final inspection.

The lineup for the 42nd annual event was completed late Sunday when two more cars were ousted by faster competitors for a field average of 143.445 miles per hour—two miles faster than last year and nearly a mile quicker than the previous top of 142.507 in 1956.

The fastest qualifier was Dick Rathmann, Miami, Fla., who won the pole position with an average of 145.974. Bob Christie, Grants Pass, Ore., was the slowest at 142.253.

A brand new car driven by Troy Rutman, the 1952 race winner, never got going despite the fact the engine was rebuilt completely. Rutman and six other hopefuls were left stranded at the starting apron when time ran out.

Oregon Varsity Tops Reserves

Eugene —(UPI)—Halifax Willie West scored twice Saturday as the Oregon football team defeated the reserves 20-0. Sandy Fraser and Dave Grosz alternated at quarterback for the Webfoots.

Stranded Boys Are Rescued Sunday

Portland —(UPI)—Two teenage boys who became stranded on a ridge above Wahkeena Falls on the Columbia river were reached Sunday night.

Larry W. Bakken, 14, and Arthur W. Potter, 16, both of Portland, were on a church outing on Larch mountain and had left their group to pick wildflowers.

They were led down the steep ridge by Gerry Blomgren, 25, and Vere Bower, 13, who heard the stranded pair yelling for help and waving their arms for attention. The rescued boys were described as "very tired and frightened."

BOYER MEDALIST
Oswego —(UPI)—Grant high school's Sybil Boyer, shot a 27-hole 132 to take medalist honors in the annual state high school girl's golf tournament Saturday. Cleveland high school took top position with a 469, and Franklin was second with a 525.

Corvallis—(UPI)—A rained-out game between Oregon State and University of Oregon and Idaho's 5-3 victory over Washington State Saturday gave OSC the right to represent the Northern Division in title playoffs this Friday and Saturday. OSC will meet Southern California in a best two-out-of-three game series.

A doubleheader that would have given the Webfoots a chance for the championship was called by rain, and the Vandal victory put WSC out of the picture.

Idaho's Jim Throckmorton belted a two-run homer in the 10th inning to give the Vandals their victory.

Oregon State finished the Northern Division season with a 10-4 mark to 9-5 for WSC and Oregon.

Marlene Hagge Golf Champion

Asheville, N.C.—(UPI)—Marlene Bauer Hagge has been playing golf for 20 of her 24 years but it's doubtful if she ever staged a rally like the one that earned her the top prize in the Land of the Sky open.

Four strokes back of Joanne Prentice of Birmingham, Ala., at the start of Sunday's third and final round, the auburn-haired beauty from Delray Beach, Fla., tied Miss Prentice for first place at 213, then won the event on the first "sudden death" extra hole.

Faye Crocker of Uruguay, defending champion Bev Hanson of India, Calif., and Alice Bauer of Paradise, Fla., tied for third with 218 totals.

Angling Generally Good In Area During Week End

Reports varied concerning fishermen's luck Saturday and Sunday when trout angling season in this area opened full scale but a quick survey this morning indicated that fishing was "pretty good as a whole."

Diamond Lake produced well on Saturday with a good number of limits being taken. Trolling reportedly slowed Sunday but bank fishermen did fairly well. Most fish were from 10 to 14 inches long, it was said, but there were reports of 21, 24 and 25-inch catches.

In contrast to a year ago, when Diamond lake opened after being closed a year, the lake was far from crowded with boats.

Most sources queried had reports that angling was good in the smaller streams of the area and not so good in the main Rogue river. However, one sporting goods dealer said his information indicated just the reverse. While anglers, who went higher up the river did not do too well, luck was good between Elks picnic grounds and just below Gold Ray dam with a number of limits taken.

McGinty Heads Shooters Again

Hugh McGinty fired a 355 out of a possible 400 score, topping his previous best of the season and gaining high honors of the evening in the smallbore rifle shoot of the VFW Rifle and Pistol club last Friday.

Other scores included W. O. Burnette 347, Eugene Higgins 329, Clay Wheeler 319, Ralph McKinsey 317, Betty Wheeler 250 and L. E. Burnette 195 in the event at the armory.

Plans for the Southern Oregon 30 Caliber tournament, to be sponsored by the club, will be discussed at the next meeting on June 4 at the Veterans of Foreign Wars hall. The tourney will be on June 28-29 at the Camp White range.

6,000 ANGLERS

Bend—(UPI)—An estimated 6,000 anglers were at East and Paulina lakes for the opening of the high lake trout season Saturday. Fishing was described as very good but traffic conditions were jammed.
