

Erskine Chucks Two-Hitter As Dodgers Clip Phils 2-1

By MILTON RICHMAN

UPI Sports Writer

All that talk about Carl Erskine being washed up turns out to be just a lot of soap suds.

Don't try to sell that lather to the Philadelphia Phillies, who managed to get only two singles off him Monday night when he pitched the Los Angeles Dodgers to a 2-1 victory.

Erskine, who held the Phils

hitless until the sixth inning,

had a little extra incentive because he knew his hospitalized old batterymate, Roy Campanella, was watching him on television.

"It would sound too corny if I said I won it for Campy," said Erskine, who visited him Sunday night, "but I knew he was watching and I know the kick he gets whenever we win."

Roberts Loses Fifth

There wasn't a thing wrong with the Dodgers Monday

night as they hung Robin Roberts' fifth defeat of the season on him. They scored both of their runs in the fourth inning when Gil Hodges walked with two out, Gino Cimoli singled and little Don Zimmer scored them both with a line double off the left-field wall.

The victory was Erskine's third of the season and it looked all the more impressive coming off a 4-0 triumph he registered over the Cardinals in his last previous start on May 18.

The Milwaukee Braves moved to within two games of first place with a 4-3 victory over the Chicago Cubs in the only other National League game scheduled.

Eddie Mathews' 11th home run of the season in the eighth inning off Moe Drabowsky settled matters after the Cubs battled back to tie the score with a three-run rally in the sixth.

McMahon Relieves Burdette

Frank Torre gave the Braves a three-run jump as he homered with two on in the fourth but the Cubs drove starter New Burdette to cover with their three-run burst in the sixth. Fast-baller Don McMahon then took over, checked Chicago on one hit the rest of the way and earned his third victory in eight days.

Murry Dickson, 42-year-old Kansas City knuckleballer, won his own ball game with a 10th inning homer over the left field wall that beat Baltimore, 5-4.

Dickson's homer was only the third one he's hit in his 17-year major league career and it capped a relief stint of 6 2-3 innings during which he yielded only four hits to register his third victory of the campaign.

Jim Busby put Baltimore in front with a fourth-inning grand-slam homer off KC Starter Ralph Terry. The A's got three of those back in the bottom of the fourth off Connie Johnson on Bob Martyn's two-run homer, an error and a pair of infield outs, then tied the score on Harry Chitt's homer in the fifth.

Arnie Portocarrero relieved Johnson at that point and held the A's to two hits until Dickson hit his first pitch in the 10th barely over the left field barrier.

It was the only American league game scheduled.

Circus Due Here Wednesday

The Carson and Barnes Wild Animal circus, with trucks of wonders and cages of animals from every land, will arrive in Medford early Wednesday, May 28.

Col. Tim McCoy, movie and television personality, will be among performers at the 3 p.m. matinee and 8 p.m. performance at the sheriff posse grounds on Sage rd. The circus here is being sponsored by the Jackson County Sheriff's posse.

First tent to be erected after the circus arrives will be the "cookhouse" where all circus personnel are fed, and next, the animal and horse tents, followed by the "big top" and sidestands.

The public is invited to the grounds at 10 a.m. Wednesday to watch the animals being fed and watered. There will be no charge.

Among the animals is "Mighty Goliath," the largest hippopotamus ever captured, which weighs more than four tons, according to those in charge.

Most lobsters are a dark color when caught and turn scarlet only when cooked, but occasionally an all-red specimen is taken from the sea.

SOVIETS MAKE PROGRESS

London — (UPI) — Radio Moscow reported today that a party of American iron and steel experts now touring Russia visited a steel plant in Chelyabinsk Monday. The broadcast quoted delegation leader Edward Ryerson as saying the Soviet steel industry's progress is "tremendous if you take into account the short time in which it has been built up."

The game was scheduled for 3:30 p.m. at the neutral Lincoln field.

Grants Pass meets South Eugene in another quarterfinal contest.

Woman Killed in Auto, Truck Crash

The Dalles — (UPI) — Bertha Mannschreck, 57, Altadena, Calif., was killed instantly Monday evening when the car in which she was riding and an empty cattle truck collided on rain-slickened Highway 30 about 18 miles west of here.

The women's husband, George J. Mannschreck, was hospitalized in Hood River Memorial hospital in "satisfactory" condition with contusions, abrasions and extreme shock, according to attendants. Police said he was the driver of the car.

The truck driver, Huey Paul Mears, Sunnyside, Wash., was treated at the hospital for shock and released.

Pittsburgh Official Files Protest About Bean Balls

Pittsburgh — (UPI) — Joe L. Brown, general manager of the Pittsburgh Pirates, appealed to National League President Warren Giles Monday in a "formal" protest against "beanball" pitchers in general, and those who play for the San Francisco Giants in particular.

The protest was a direct result of the flare-up between the Pirates and the Giants at Forbes field Sunday.

Brown said he felt it was "obvious" that Giant pitcher Ruben Gomez "threw at Bill Mazeroski," the Pirates' second baseman in the first game of the doubleheader, and said he told Giles of his feelings in a 15-minute telephone conversation.

Board Rules On Protest In 500-Mile

Indianapolis — (UPI) — The Central Area Competition committee of the United States Auto club has ruled against an Indianapolis man who protested a qualification time trial decision for the Memorial Day 500-mile race.

Fred Sommer filed a protest in connection with a second qualifying speed granted Bob Christie, Grants Pass, Ore., who qualified a week ago Sunday at an average speed of 141,900 miles per hour. His speed was later upped to 142,253—just fast enough to keep him from being "bumped" Sunday—following a recheck of the official timers' tape.

Sommer pointed out that his car, driven by Gene Hartley of Indianapolis, would be in the race had officials followed the rules and not changed the announced speed.

Chief Steward Harlan Fenger disallowed the protest, saying it should have been filed within half an hour after Christie's new speed was posted.

Sommer appealed to the USAC, governing body of the "500," for further consideration.

Robert C. Wilke, chairman of the competition committee, Monday upheld Fenger's ruling that the protest was filed too late.

He said it was not made within time limits prescribed in USAC official competition rules or in the speedway entry blank.

Hail Storm Causes \$100,000 Damages

Madras — (UPI) — An estimate made Monday by a local insurance man, Con Herbster, said a hail storm Saturday caused \$100,000 damage to roofs and windows in private and municipal buildings in this area.

The hailstorm which hit about 2 p.m. bombarded crops and houses with hailstones, breaking windows and putting holes in tarred roofs. Even more damage may result from leaking roofs if more rain falls before roofs can be repaired, according to insurance adjusters.

The same storm that struck here Saturday also caused flood conditions in the Warm Springs Indian agency and cascaded across the highway into agency property.

Damage on the reservation was estimated at \$24,000 by A. W. Galbraith, reservation superintendent.

Chieftains Down Emeralds In Make-Up Game

By United Press International

The Wenatchee Chiefs took advantage of a make-up game with Eugene Monday night to gain a half game on the league-leading Lewiston Broncs.

Wenatchee defeated the Emeralds 4-1 in the only action of the night as Chuck Tulner belted a two-run homer in the fourth inning to set up the victory.

Claude Osteen went the distance for Wenatchee, notching his fifth win in six decisions. He struck out twelve and walked three as he limited Eugene to five hits.

League action resumes tonight with the Broncs playing host to Tri-City, Wenatchee opening a series at Salem and Yakima invading Eugene.

SF Giants Set Attendance Marks; San Jose Folds Up

Dragsters Turn 128

Southern Oregon Timing association opens its drag racing season on Sunday, June 1, at its Camp White strip and already there's indication that fast times will be revved up on the one-fourth mile ribbon.

On Sunday in practice runs Noel Black and Gerald Fanger had the Swiftens' dragster sponsored by OK Rubber Welders, up to more than 128 miles per hour and Roy Wilsey had the Mickie, Roberts and Wilsey dragsters also up to more than 128 with 11.64 seconds elapsed time over the one-fourth mile run.

It was the first time the latter had run on an electrically-clocked course. Ken Mickles had the Ashland machine up to 114 mph and Howard Roberts had it up to 118.

Inquiries from all over Oregon and from California indicate a big turnout this Sunday. Time trials are set for 10 a.m. and the first drags at 12:30 p.m.

It will be the first activity at the track this season for which the public may turn out as spectators. The drags have been popular attractions in past seasons. A concessions stand will be in operation.

Western Air Lines To Renew Service

Los Angeles — (UPI) — Target date for resumption of service in 13 western states, Canada and Mexico by Western air lines has been set by company officials at next midweek.

Negotiations between the airline and representatives of the Air Line Pilots Association continued today under a truce that permitted Western's 263 pilots to return to the jobs they struck Feb. 21.

Under the agreement, proposed by Federal Mediator Leverett Edwards and accepted by both sides, talks would continue for five days in an effort to resolve contract differences.

At the end of that time all unsettled points would be submitted to arbitration.

Aircraft maintenance crews and office personnel have been called back to work and other furloughed employees will be recalled as they are needed, a spokesman said.

SUMMONSES MOUNT

New York — (UPI) — The week-long crackdown on littering resulted in 4,082 persons receiving summonses, Sanitation Commission Paul R. Screvane reported today.

Highest total for a single day was 1,016 summonses issued in the drive to keep New York's streets clean.
