MILTON SMITH Wins Scholarship

## Milton Smith Wins MT Scholarship

A \$150 college scholarship which has been set up from the funds derived from proceeds of a soft drink machine in the Mail Tribune folding room, was awarded this week to Milton Smith, who will graduate from Medford High school this year.

Smith, 17, is the son of Mr. and Mrs. Andrus Smith, 202 Haven st., Medford, and will attend Oregon State college this fall, where he will study electrical engineering.

As a student of Medford High school he was active in band and chorus work and was vice president of the school orchestra.

The scholarships are awarded on the basis of scholastic rating, citizenship and sincerity in the desire to attend college. To be eligible a boy must have served as a carrier for a period of not less than three years. This is the fourth

## PERMITS FOR OPEN BURNING TO STOP

The Jacksonville Volunteer Fire Department has announced that no more permits for open burning will be issued in the City starting June 1, 1958.

The Department said open grass fires will be in violation of the city ordinance and all trash fires must be in properly screened incinerators. Seasonal permits for incinerators can be obtained from the Jacksonville Police Chief; incinerators will be inspected by the Chief of Police, to see if they are properly screened before a permit will be issued.

Permit holders must have sufficient garden hose available while burning, must not build too large a fire, and must do all burning between 8 a.m. and noon.

Holders of permits are responsible for damage from fire if it should spread to surrounding areas and any permits may be revoked if requirements are not met.

All grass must be cleared from around incinerators, and they must be properly screened before a permit will be given.

Resident of Jacksonville to Report a Fire should Dial 116, say they wish to Report a Fire in Jacksonville, wait until connection is made with the Fire Dept. State clearly their name, address, and the type of fire they have.
