

DEJECTED — Mrs. Rose Powers, 46, of Texarkana, Ark., kept the body of her illegitimate baby for 11 years in a footlocker because, she said, "I just couldn't get rid of it."

Medford Men Get Doctor's Degrees At WSC Sunday

Pullman, Wash. — Two Medford men were among the more than 1,300 students who received degrees and certificates Sunday afternoon at Washington State college during the 62nd annual commencement exercises.

Douglas P. Phillips was graduated with honors and received a degree as a doctor of veterinary medicine. Guy W. Bishop was presented a degree of doctor of philosophy in entomology.

The first formal event of the commencement week-end — the annual senior-junior banquet — was held in the Compton Union building Saturday night, with more than 500 persons present.

Other events scheduled Sunday included a joint commissioning ceremony for Air Force and Army ROTC cadets in Todd hall auditorium at 9 a.m.; an organ concert by Prof. George Scott at 9:40 a.m. in Bohler gymnasium; the annual baccalaureate services in Bohler gymnasium at 10 a.m.; and the final concert of the WSC band at 1:45 p.m. in Rogers field. Maj. Gen. Francis Day, commanding general of the Tenth U.S. Army corps, is scheduled to speak at the commissioning ceremony and Chief Justice Matthew Hill of the Washington State Supreme court, was scheduled to speak at baccalaureate services. President C. Clement French of WSC addressed the seniors at commencement exercises.

Two Saved From Drowning at Coast

Tillamook — (UPI) — A Willamette university coed and a fellow student were saved from drowning Friday at Neskowin beach, the Tillamook county sheriff's office reports.

Drury Spurlock, Lafayette, Calif., was pulled from the water on a rope handed to her by Dave Crane, a companion, after she became caught in the undertow. Then Crane was swept out by the tide while four other students stood helplessly by.

C. C. Wright of the sheriff's air posse was alerted at Pacific City and Wright and Dean Reddekopp flew a rescue plane over Crane and dropped a life raft, enabling the youth to paddle back to shore.

Jet Transport On Maiden Flight

Long Beach, Calif. — (UPI) Douglas Aircraft's giant DC8 rose successfully off Long Beach Municipal Airport Friday and roared out over the Pacific on its maiden flight.

The DC8 lifted off the runway at exactly 3,500 feet, its four jet engines streaking black smoke as it turned over nearby Seal Beach and went into "full maneuvers" at 95 per cent of the speed of sound.

It flew a special flight pattern set by the Civil Aeronautics administration at an altitude of 31,000 feet. It was expected to land at Edwards Air Force Base on California's Mojave Desert in about two hours.

As originally written, Verdi's "The Masked Ball" was an opera concerning the assassination of a king. But, as played mostly in these times, it has to do with the murder of the "Governor of Boston."
