Membership in the British Trade unions now exceeds nine million workers.

Genoa, Italy—(UPI)—1,000 passengers, including 650 bound for the United States, have been stranded here by Italy's ship strike.

The Italian liner, whose SS Cristoforo Colombo has been unable to sail for New York, sent 298 of its 450 passengers off on a sightseeing tour of Naples over the week end.

Sparri, also known as Dominic Albano, Vincent Costa, and by several other aliases,

had apparently been "holing up" in the southwest apartment near which he was slain.

He was walking north on the street when car pulled up and five men got out, shot him, then jumped back in the car and drove away.

Sparri's record showed he was wanted by the government on a federal narcotics charge, for violating the stolen automobile act, and had served time for robbery.

Police said Vincent Costa, Sparri's partner, was shot down by five men who shot him twice in the back and at least three times in the head.

A black notebook in the victim's pocket showed a floor plan for a building basement, and the word "Allgaier" scrawled on it.

Sparri's record showed he was wanted by the government on a federal narcotics charge, for violating the stolen automobile act, and had served time for robbery.

Genoa, Italy—(UPI)—1,000 passengers, including 650 bound for the United States, have been stranded here by Italy's ship strike.

The Italian liner, whose SS Cristoforo Colombo has been unable to sail for New York, sent 298 of its 450 passengers off on a sightseeing tour of Naples over the week end.

Sparri, also known as Dominic Albano, Vincent Costa, and by several other aliases,

had apparently been "holing up" in the southwest apartment near which he was slain.

He was walking north on the street when car pulled up and five men got out, shot him, then jumped back in the car and drove away.
