

**IF YOU'RE NOT SHOPPING AT THE GROCETERIA YOU'RE PAYING TOO MUCH!**

# YOUR GROCETERIA IS CELEBRATING!

Yes, we are having a party, with a cake (lots and lots of cakes) and ice cream too. We want you to help us celebrate the completion of our expansion and modernizing. We have just gone "all out" here at your Groceteria to do the things that you have asked us to do and that we have always wanted for you, and that is to make your food shopping more pleasant and convenient. Yes, we've tried to think of everything, and we hope you will like the wider aisles, the new entrance from the parking lot with automatic doors that open for you, and the faster, easier shopping at your Groceteria. And besides that we have made room for dozens and dozens of new things. New foods, some so new you may never have seen them before. New products to make your lives easier and more pleasant. You will be amazed to find how many new things there are for you at your new Groceteria. And the prices? Lower than ever!! You bet it is still true. If you are not trading at the Groceteria, you are paying too much!

Don't forget!! Our Celebration lasts for two whole weeks. There will be specials galore! Free prizes and hundreds of other reasons why you will want to celebrate with your Groceteria. Keep watching and listening for the ads. You won't want to miss the fun and savings, too.
