Central Point Stud, Medford Legion Nines Vie on Saturday

Either Bob Johnson or Alan McKinnis will open on the hill for the Central Point American Legion junior baseball team Saturday night when it hosts Medford in the first game of the season for both clubs.

SPORTS

Will Mays, Cepeda Set Giant Pace

San Francisco — (UPI) — The hot bats of Orlando Cepeda and Willie Mays had the San Francisco Giants back in business again even if they have not entirely come out of their private recession.

Cepeda collected four singles Wednesday, as did Mays, and drove home the winning run in the 12th inning by hitting a one-bagger to right which brought Jim Finigan loping in from second base for a 5-4 triumph over Milwaukee.

However, the Braves remained on top of the National league and led Manager Bill Rigney's second place club by 10 percentage points. Tonight Ramon Montant (4-3) is scheduled to start against Cincinnati's Harvey Haddix (3-3) as the Redlegs move in for a four game series.

JAMBOREE OFF

The Ashland YMCA softball league jamboree planned for this evening has been called off because of wet weather. Bill Warren of the Ashland Y said this morning.

PARATROOP MOTIF

Turin, Italy — (UPI) — Once a paratrooper always a paratrooper. In announcing plans today for his June 24 marriage, former Italian paratrooper Alberto de Cristoforo said he, the bride and former paratrooper chaplain Father Lino Basso, who will officiate, will jump from several thousand feet over an airfield the morning of the wedding. When they land, they will proceed with the formal ceremony. The bride, Bianca Cappone, will wear slacks and paratrooper jump-boots.

Dennis Barr is the likely starting choice for Medford but Coach John Kovenz reported that all members of his pitching staff may see service during two week end games with the Cheney Stud crew of CP. The others are Tom Laurance, Pat McLaughlin, Jerry Anderson and Herb Wheeler.

The two clubs play at Cheney field at 8 p.m. Saturday and at 2 p.m. Sunday. Central Point will be host for the fray tomorrow night. It will be "Kids' Night" with all boys and girls 16 years of age and under admitted free if accompanied by an adult. Medford will have the role of home team on Sunday.

For Medford on Saturday

the line-up may be Bob Pond, catcher; Ray Konopasek, second base; Ken Durkee or Dick Ragsdale, shortstop; Mike Parsons or Durkee, third base; Frank Peterson or Tom Turpin, center field; Ken Jensen or Booth Deakins, left field and Dick Barlow or Bob Quinney, right field.

Central Point may have Jerry Korbol, first base; Harley Dickerson, second base; Loyal Higinbotham, shortstop; Dennis Johnson, third base; and among Pete Stemple, Dave Brown, Dennis Pfaff and John Ahn in the outfield.

Ashland and Crater High players on the Cheney Studs squad and Medford high athletes make up the majority on the local crew.

Summer Baseball, Tennis Programs of City School System To Open June 23

Plans for the summer baseball and tennis programs have been announced by the city schools office.

Baseball classes Monday through Thursday each week will be held from June 23 through July 18. The senior high school field tennis classes, Monday through Friday, are set to start on June 23 and will end on July 18.

Boys living in the Medford school district who have reached their ninth birthdays and who have not graduated from high school are eligible for baseball classes. Both boys and girls living in the Medford district may attend the tennis instruction.

Lee Ragsdale, Alex McDonald, Frank Roelant and John Kovenz, handling the baseball classes from 8:30 a.m. until noon are experienced players and teachers. Ragsdale is supervisor and Kovenz director in charge.

Voluntary Attendance

A registration fee of \$1 is required for each boy who registers. This is to defray part of the cost of supplies used. Boys may register any morning during the baseball program and can check with any of the instructors. Attendance is voluntary. But, to get the most out of the program, boys are advised to attend regularly.

Boys are expected to furnish their own gloves but school officials pointed out that no boy should stay away because he has no mitt. Baseball shoes are optional. Bats,

balls and other special equipment will be furnished by the district.

Each boy will be given a chance to play on a team. Players will be chosen to play with other teams in the area. Warren Brønner will be tennis instructor and classes will be conducted from 7 a.m. until noon.

Mickey Wright Paces Women In Links Fray

Pittsburgh — (UPI) — Mickey Wright, a fifty-year pro from San Diego, Calif., carried a two-stroke lead into the second round of the Ladies Professional Golf association championship today after shooting what she termed "my finest round."

Tied in the runner-up spot with 71's were Mrs. Kathy Cornelius of Lakeland, Fla., and Marilyn Smith, of Wichita, Kansas.

Defending LPGA champion Louise Suggs, of Sea Island, Ga., was back in the pack with a 70 after encountering putter troubles.

The 23-year-old Miss Wright, whose best previous finish in the LPGA event was fourth back in 1956, needed only 30 putts to card a one-under men's par 69 for the first 18 holes Thursday.

One-half the world's people live in eastern Asia.

Camp White Eyeing RV League Starter; KF Fray Cancelled

Camp White—Wet grounds and threat of more rain today has forced cancellation of the baseball tussle the semi-pro Camp White nine had scheduled with the Klamath Falls Cubs this evening.

The Whitters, sponsored by the Veterans Administration domiciliary, are now holding out hope that rainy weather will not prevent start of the Rogue Valley league on schedule Sunday afternoon.

Camp White will be host to Cave Junction for the 2 p.m. tussle. Butte Falls goes to Riddle.

Jim Smith, top chucker for Grants Pass high's twice in a row District 6 A-1 champions, may be the hurler for Camp White. He wrapped up his Caveman career this spring. Others who may be in the

line-up for Camp White on Sunday are Manager Pete Hale, catcher; Clyde Smith, first base; Chuck Mairchant, second base; Vern Parent, shortstop; Wayne Allen, third base, and among Dick Nix, Don Wendt, Guy Gillespie, Rob Isaacs, Bob Smith and Jack Burns in the outfield.

Shrine Hospital Day To Be Observed

Portland — Shriners from all parts of the Northwest and Canada will take part in an observance here Sunday of National Shrine Hospital day. The public is invited.

Presiding over the ceremonies at the Portland Shrine hospital will be Marianne Paus, 11-year-old daughter of Mr. and Mrs. Anton Paus, Portland. German-born, this little girl can attest to the hospital's magic, since two operations corrected a club-foot condition.

More than 8,500 children from the Pacific Northwest and Western Canada have been treated as bed patients since the Portland hospital was founded in 1924. R. Earl Riley, chairman of the hospital board, reported. More than 20,000 children have been given out-patient treatment. Riley said the 17 Shrine hospitals in North America and Hawaii have treated more than 250,000 children in the past 34 years.

Rooney Headed For Divorce Court

Hollywood — (UPI) — Mickey Rooney's fourth marriage apparently is headed for the divorce courts. His wife of six years, a actress Elaine Mahnken, admitted today she had spoken to attorney Jerry Giesler about a separation. "I think both Mickey and I may be happier if we get a divorce but nothing definite has been done yet," she said. Rooney previously was wed to Ava Gardner, Betty Jane Ase and Martha Vickers.

Court Records

DISTRICT COURT
Harry L. Jewett, no motor vehicle license, \$10.
Leo G. Corrigan, 58, of 4887 South Pacific highway, drunk on public highway, \$30.

Indians Agree To Flood Control Talks

Pendleton — (UPI) — Officials of the Umatilla Indians said here Thursday that the tribe would agree to a special meeting with the Umatilla river flood control groups on a dam other than one proposed at Mission. The Indians are opposed to a dam at the Mission site. After a special meeting Thursday they urged a compromise site at Thorn Hollow, provided Indian board members and the flood control committee can get going immediately.

AMERICANS TO COMPETE

New York — (UPI) — The Amateur Athletic union has announced that a United States track and field team will engage rivals in four countries this summer. The U.S. squad of 44 men and 22 women meet a Russian team in Moscow, July 27-28, take on Poland at Warsaw, Aug. 1-2, the Hungarians in Budapest, Aug. 4-5, and a Greek team in Athens, Aug. 8-9.

Television Used To Watch Killers In Colorado Jail

Golden, Colo. — (UPI) — Closed-circuit television, an innovation in the mountain-town Jefferson county jail, was installed Thursday to watch murderers and escape artists Albert Kostal and Arthur Watson.

But Sheriff Arthur Wer-muth, Medal of Honor winner and Marine "one-man army" on Bataan in World War II, admits the duo still has him scared.

In addition to the TV, Wer-muth has:
—A special guard watching the two cells on the TV monitor 24 hours a day.
—Floodlights trained on both cells day and night.
—New locks and new three-inch chains on the cell doors.
—Welded shut cell windows and bunks welded to the walls.

—One daily 30-minute exercise period during which the two are shackled together.

The pair broke from the same jail last year using a key fashioned from a toothbrush and Kostal got to New York before the FBI gunned him down in Times Square.

He is still crippled from a leg wound. Watson, until the TV was installed, wore a 15-pound weight on his leg.

As he watched the television being installed to guard him until he goes to death row and ultimately the gas chamber, Watson commented: "We're gonna check our ratings Friday to see if we can stay on top of the entertainment world."

Copenhagen Forgets Olsens in Directory

Copenhagen — (UPI) — The Danish Telephone company announced today it was revising its new telephone directory because it had forgotten the Olsens.

Olsen, as popular a name here as Smith is in the United States, normally takes up 60 columns in the Copenhagen directory.

New Zealand ranks fourth among the world's wool producing countries.

Technology Program To Put U.S. on Keel With Russians Urged

Los Angeles — (UPI) — Lt. Gen. James M. Gavin, former Deputy Chief of Staff, has called for a program of technological and psychological advancement to put the United States on a more competitive basis with the Soviet Union.

Gavin, in addressing an audience of California's leading scientists and industrialists, declared that the Russians "are five years ahead of us in psychological warfare."

"The Soviets are leading us in the field of psychology and we are doing nothing to combat them. The Russians preach peace, a peace they believe in because they believe they can conquer us through peaceful means and enter our cities unopposed."

"Militarily and technologically they are far in front of us. Perhaps five years is not an exaggeration."

Gavin, who retired from the army after a hassle with the Pentagon over the nation's space program, said:
"The Russians are ahead in the cold war now. With the launching of their Sputniks they proved they have the capability of reaching the moon. I believe the reason they have not launched a rocket to the moon is because

psychology is their goal. They have the makings of an inter-continental missile orbiting our earth as a psychological weapon."

Asks Combined Forces
The former service chief of the Army Research and Development Service called for the formation of combined forces of science and industry, a "war team" to explore the technological advances of modern warfare and go beyond into space problems.

"The future of mankind is in space, the dark space of the outer world," Gavin said.

Cancer Society Quits United Fund

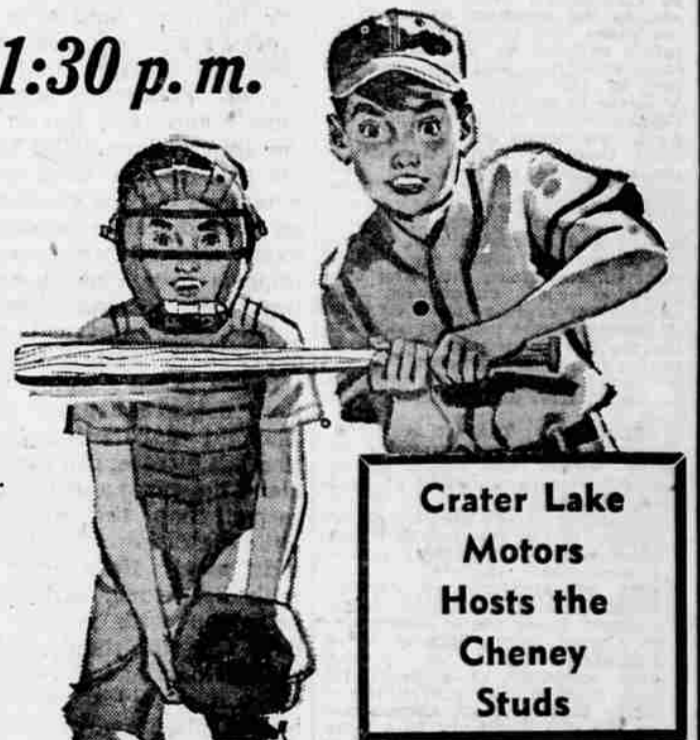

Portland — (UPI) — Decision of the American Cancer Society to withdraw from combined fund drives such as the Portland United Fund today led to predictions of the death of the United Fund locally.

Charles R. Holloway Jr., president of the Portland U.F., said: "If an agency finds it can withdraw and still maintain its standing, all will withdraw. If the Cancer Society drive has good results, the stampe will be on."

The Oregon Cancer Society has decided to withdraw from the U.F. immediately following a vote at the recent national society convention ordering all local divisions out of U.F. by 1960.

DO IT YOURSELF with JOHN DEERE Tractor Power

Are profits and completion dates slipping away from you because you must wait for outside help and equipment?

For a surprisingly low outlay you can own your own power equipment, do your own trenching and backfilling, and get your total job done on time, using your own help.

John Deere mobile power rigs—crawler and wheel-type—are simple, easy to understand. They are sure-footed and stable,

inexpensive to buy and maintain. Best tractors have a world of power for their size (approximately 30 engine h.p.). Best of all, they are light enough to work over septic tanks and new foundations—where larger, heavier tractors would be apt to cause cave-ins. Because they are so compact in size, these units will work inside buildings and down in excavations—mighty important features to you.

See us or phone for further information.
