Introduced as the committee chairman for the coming year were Mrs. Edwin W. Gebhard, art; Mrs. DeVere Taylor, courtesy; Mrs. Wallace Haskins, education; Mrs. Nils Edin, fellowship luncheon; Mrs. Berwick Wood, fellowship play; Mrs. R. P. Knights, historian; Mrs. William McLaren, hospitality; Mrs. Harry P. Poston, international relations.

Special purpose of the board meeting was to acquaint these chairmen and the new officers with the nature of their work. In addition to this orientation session, preliminary plans for fall activities were discussed. An increased membership participation in the Radio Story Hour is desired when it resumes in October. A new project will be a series of children's TV programs, and it will be essential that many members budget some time to help in this worthwhile undertaking," it was said.

Like the radio program, those on television are to serve a dual purpose. First, they are designed as a service to the children and parents of the community. Further than this, the money paid by their sponsors is used for the fellowship grants for advanced study given by the Medford branch to qualified and deserving students.
