

THANKS a MILLION!

This week marks our FIRST year in Medford and the Rogue River Valley! It has been a pleasant and successful one for us, too, and our fast increasing business has already made an upstairs expansion necessary. Especially are we gratified with the friendliness of the people of this area, and we feel that our efforts to bring finer home furnishings to you at consistently low prices have been, indeed, fruitful. So, as a way of expressing our sincere appreciation in a very tangible way, we are featuring this big, store-wide Anniversary Sale Event which will offer FREE HOME FURNISHINGS of your own choosing when you buy at Lippert's. Come during this birthday party—help us celebrate—see how YOU can really SAVE on bright new furnishings for Your home!
