Home Management Teachers Say Laundry Still Needs Hot Water

Fargo, N. D. — (UPI) — New cold water washing processes provide the proper temperature range for "wash and wear" fabrics, but the bulk of household laundry still requires hot water.

Home management teachers at North Dakota State say an advantage of cold water washing being advertised in new deluxe washing machines is that it minimizes wrinkles especially the deep-set ones in wash and wear garments.

However, studies of family laundry show that a big part of the household wash continues to be cotton items that get the heavier soil and need hot water for good cleaning.

Beef—and preferably steak—is the perfect choice to please Dad on Father's Day. Let the youngsters prepare a meal fit for the king of the family of steaks served "on a raft" of frozen potato patties. For the "Steaks on a Raft," select a boneless steak as filet mignon, boneless strip sirloin, rib steak or a big sirloin cut into individual servings before broiling. For best eating, make certain that the steak is cut at least 1-inch thick. With a boneless steak, ½ pound of meat per person should be adequate, but to really please Dad, plan on a robust ¾ pound serving. Broil the steaks in a preheated broiler at least 3-inches from the source of heat to the perfect degree of doneness. The frozen potato patties come

ready-shaped, requiring only a brushing of butter before slipping into the broiler for a few minutes to brown.

Steaks on a Raft

(4 servings)
4 (1 package) frozen potato patties
Butter
Onion salt (optional)
4 teaspoons sesame seeds
4 boneless steaks, cut 1-inch thick
Butter potato patties. Sprinkle with onion salt. Sprinkle each patty with 1 teaspoon sesame seeds. Broil according to package directions. Remove to platter and keep warm in oven. Broil steaks approximately 3-inches from heat source 5 minutes on each side for rare, 6 minutes for medium and 7 to 8 minutes for well done. Remove steaks, place each on a potato patty and serve.

Cut 1 small green pepper in thin strips and place a strip on each tomato half. Sprinkle with cheese mixture. Broil 3 to 4 inches from heat 4 to 5 minutes.
