Klamath Roundup Set July 25-27

Klamath Falls — The annual Klamath Basin Roundup will be held July 25, 26 and 27, instead of the regular July 4, it was announced today. The change was made to avoid competition from rodeos in other communities.

A full roster of world champion cowboys, clowns and bull fighters, and top cutting horses will take part in the show at the Klamath Falls fairgrounds, officials stated.

The rodeo will be the first leg of Oregon's Golden Triangle Rodeo association, with the Eugene rodeo scheduled for Aug. 1-3 and the Prineville event Aug. 8-10.

The purse for the Klamath rodeo will be \$5,600. Combined purse for the triangle performances will be \$16,000.

Any amateur cowboy may apply to the Rodeo Cowboy's association for a \$5 permit which will allow him to work in any or all RCA rodeos during 1958, or until he wins a total of \$1,000 prize money. He is then required to join the RCA or quit competing in the rodeos.

Information and tickets are available at the Klamath Basin Roundup association, box 367, Klamath Falls.

Lice Identified In Portland Plague

Portland—(UPI)—The State Board of Health announced Wednesday the identification of the lice that plagued school children here for several weeks.

The Board said the infestation was caused by both lice and mites, separate pests.

Three lice specimens supplied by a local hospital were identified at the U.S. Public Health Service Plague Laboratory in San Francisco. Their identity was discovered by examining the nits.

The mites were identified by the Federal Rocky Mountain laboratory at Hamilton, Mont.

A spokesman said few lice probably were involved in the infestation. The infestation was caused mostly by mites which are too small to see with the naked eye, he said.
