

### CJ Center Applies For Tax Refund

Cave Junction—An application for refund of approximately \$1,700 of the total federal income taxes paid by the Illinois Valley Medical Center was signed at a board meeting this week.

Larry Cushing, a member of the board, said that from the information received, it was felt that there is a good chance of receiving the refund.

An application seeking exemption from income tax as a non-profit organization also was signed. This has no bearing on the application for refund, but is to apply to future taxes. The 1957 tax returns were filed, but request was made that collection be deferred until exemption is determined.

B. K. Herndon of Grants was appointed as attorney to appear before the treasury department on these tax matters.

### TOMAS ELECTED

Lisbon, Portugal—(UPI)—The government-backed president-elect, Americo Tomas, polled 80 per cent of the votes cast in Portugal's extensive overseas provinces in Sunday's election, the government reported Thursday. An overwhelming majority in the mainland vote already had clinched Tomas's victory over Gen. Humberto Delgado. Tomas currently is navy minister.
