Ex-Manager Plans Fight

Los Angeles—(UPI)—Al Weill, the former New York promoter who managed Rocky Marciano to the heavyweight title, makes his pitch today, against heated local opposition, for permission to stage a title bout between champion Floyd Patterson and Roy Harris, the Texas challenger.

Weill goes before the California state Athletic commission to present a formal application for a promoter's license, braving the hard stares of those he calls the "jealous" local promoters.

Weill said he will post the required bond for the projected Aug. 4 fight between Patterson and the lad from the Texas town of Cut and Shoot.

Signed contracts of both fighters, he said, will also be deposited with the commission. Due To Attend
Harris and his manager, Lou Vicusci, were due to attend the meeting.

Before leaving Houston Monday night, Vicusci said he and his fighter who is just out of the Army, are hopeful of overcoming local opposition to the bout.

Predicted Slow Down of Home Run Hits At Los Angeles Coliseum Confirmed

Los Angeles—(UPI)—Predictions of the experts that the home run hitting pace at the Coliseum, home of the Dodgers, would drop off as the season progressed were confirmed today by statistics on the club's second home stand.

During the Dodgers' first lengthy home stand of 21 games, broken only by a three-day jaunt to San Francisco, 63 home runs were hit for an average of three a game. Sudden Drop
During the 12-game stand which ended Sunday, only 20

home runs were hit, an average of 1.66 per game, nearly half as many as during the first long home stand.
The overall average for 33 games at home was 2.66 homes per game. Even if that average would continue for the rest of the season, the total would be 205 homers as compared with 217 hit at Cincinnati last year and 207 hit in Ebbets Field.

But if the pace for the rest of the season continues as it did during the last 12 games, only 151 homers will be hit for the season.
For the visiting clubs, Frank Thomas of Pittsburgh has six homers in the Coliseum and 20 for the season. But during the recent three-game series, he was able to get only one, indicating a more normal output for him also.

Portland—(UPI)—Two players from Portland and two from southern Oregon topped the qualifiers Monday as play got under way in the Oregon Junior Golf Championships under a broiling sun.

Medford's 10-year-old Dennis Olson led the Peeewe division with a 39, breaking previous qualifying records.
Jim O'Toole, who led Central Catholic to the state prep title, had the day's best round, a two-under-par 70, to lead the Junior division. Fred Taylor of Grant high led the boys class with a 73.

Phil Moyer Decided On By Mueller

Portland, Ore.—(UPI)—Peter Mueller, Cologne, Germany, won a split decision Monday night over young Phil Moyer of Portland, ending Moyer's victory string at 10 in Portland Auditorium.

The stocky German overcame an early Moyer lead to win into the final five rounds of their scheduled 10-round bout. Mueller, weighing 158, ripped Moyer repeatedly with uppercuts and short hooks to the head to build up an advantage over Moyer's stinging lefts to the head, and body attack. There were no knock-downs.

The 19-year-old Moyer, also weighing 158, lost his first fight since turning professional last December.
Referee Joe Louis, former world heavyweight champion, favored Mueller 58 to 52. Judge Ralph Gruman scored it 56 to 54 for Mueller and judge Herm Devault saw it 55 1/2 to 54 1/2 for Moyer.

In preliminary fights, Jimmy Raxter, 140, Portland, decisioned Jimmy Zale, 144, Portland, in four rounds. Bobby Gaeton, 147, San Francisco, decisioned Chino Chavez, 149, Portland. Giants Meet Pirates To Open Road Tour

Pittsburgh—(UPI)—The San Francisco Giants meet the Pittsburgh Pirates tonight in the first game of a 15-game road trip which should prove whether or not the bloom is gone from the flower of the National league.

The Giants still hold second place, just a game and a half behind the league-leading Milwaukee Braves, but they wilted slightly after winning 13 and losing 8 on their first trip away from home.

Manager Bill Rigney's boys returned home as conquering heroes—only to lose 9 of 14 games before the hometown fans.
Antonelli to Pitch
Flashy left-hander Johnny Antonelli will take the mound tonight in an effort to get the Giants off to a good start. He will face Curt Raydon, who had a hand in Pittsburgh's three game sweep over the Giants recently in San Francisco.

The last time the two teams met in Pittsburgh, a bean-ball incident nearly led to a bat-swinging free-for-all—so the Giants can expect nothing but verbal abuse from the Pittsburgh fans.

A new star will take the field in Pittsburgh for San Francisco, while the Pirates may be doing without the services of one of their top stars.
Felipe Alou, recently recalled from Phoenix by the Giants, has 12 hits in 29 times at bat and has been rattling the fence in all fields.
Thomas May Sit Out
But Frank Thomas of Pittsburgh, who was a demon against the Giants in San Francisco, was struck on the hand in the last game of the Los Angeles series and may sit out tonight's contest.

The Pirates are in fourth place, just three and a half games behind the Giants.
Willie Mays, who went into a bad slump during the final stages of the Giants' home stand, hoped to snap back and help lengthen that margin during the present three-game series.
