USC, Missouri Vie For College Title

Omaha, Neb. — (UPI) — Southern California goes against unbeaten Missouri tonight in an attempt to keep the NCAA college world series baseball championship in

its home state. The University of California won last year's meet but fell victims to the Trojans in the Pacific Coast conference this year. USC, beaten once by the spunky Holy Cross team it eliminated Tuesday night, meets Missouri in what may be the final game.

If Missouri wins, it takes the title — but the Trojans have to beat Old Mizzou twice to win the double elimination meet.

USC Coach Raoul (Rod) Dedaux tabbed Bill Thom (7-1) to go against the fighting Tigers and young John Donoghue (6-2) will take the hill for Missouri. Southern California bounced toward Holy Cross from the tournament Tuesday night, 6-2, after Ken Guffey opened with a triple and scored when Mike Castanon grounded out.

Half a dozen singles in the second frame produced four runs and a single coupled with three walks brought in another run in the seventh.

Missouri's 3-1 win over Western Michigan, a duplication of the opener Friday night, sent the Broncos home to Kalamazoo.

Camp White Holds Drill For KF Nine

Camp White semi-pro baseball club of the Rogue Valley loop will meet the Klamath Falls Kubs in a non-loop scuffle on Friday evening at the Veterans Administration Memorial stadium at Camp White. Game time will be 8 p.m.

The Whittiers will hold a practice at 6:30 p.m. today at the VA diamond to ready for the scrap and for their league game with Prospect on Sunday.

The VA-sponsored team defeated the Klamath nine last Saturday at Klamath Falls.

Low Bid Submitted For Dammasch Work

Salem — (UPI) — Ross B. Hammond Co., Portland, submitted the low basic bid of \$6,043,142 Tuesday for first phase construction of the F. H. Dammasch mental hospital in the Wilsonville area. The State Board of Control said alternate bids would make it possible to award a contract without a long delay. There is \$5,300,000 now on hand for work on the hospital.

Crater Lake Legion Trips Studs, Plays GP Crew Thursday

A spurge of four runs in the seventh inning last night gave the Medford Crater Lake Motors nine its first district triumph in American Legion junior baseball.

Crater Lake bumped the Central Point Cheney Studs 7 to 3.

With the score knotted a 3-all going into the final frame, Bob Quinney got a base on a third strike error, Lowell Dean singled and Calvin Dean and Ray Konopasek were issued successive walks (the one to Dean was intended) by pitcher Alan McKinnis to force over one run. Then Dick Ragsdale doubled off reliever Bill Anhorn to bring home the other three markers.

Medford and Central Point nines are now tied in third place in the southern district of the southwestern Oregon area with one win and one loss each.

Non League With G.P.

The Crater Lake team will be host to the Grants Pass aggregation at Cheney field here on Thursday evening. Game time is 8 p.m. Grants Pass is the unbeaten loop leader but Medford won't have a chance to gain on GP nor will the Climate city youths have an opportunity to stretch their lead tomorrow. It will be a non-league ruckus. However, the rival crews will have an opportunity to feel each other out for a counting scrape next Sunday, also on the local diamond.

Medford got a three-run jump in the tussle last night but the Studs picked up a single run in the fifth inning and two in the sixth to deadlock the action.

Al Weil Files Pacts For Fight

Los Angeles — (UPI) — Promoter Al Weil was awaiting word today from the California State Athletic commission on his request for approval of a title fight at Wrigley Field Aug. 4 between Heavyweight Champion Floyd Patterson and challenger Roy Harris, the pride of Cut and Shoot, Tex.

Weill filed his formal application for a California promoter's license Tuesday at the commission office and at the same time deposited signed contracts from both fighters for the bout which he predicted would draw a gate of better than half a million dollars.

The man who managed Rocky Marciano to the heavyweight title and before that acted as promoter for the International Boxing club (IBC) in New York might be a promoter in name only as far as the California commission was concerned, although odds were in his favor.

Documents Received
Commission secretary Clayton Frye received the proper documents from Weill and immediately went to work on the long distance telephone to advise the various commissioners of their content.

Frye said a decision could be expected by Friday. He said the commissioners, scattered throughout the state, would probably confer by telephone and make their decision without holding a formal meeting.

Weill was anxious to get a quick decision so he could start rolling on promotion for the bout. He said he gave the 24-year-old Harris a flat \$100,000 guarantee. Patterson would get 50 per cent of the net gate which might run into a matter of \$200,000.

Leafs Display Hill Strength

By United Press International
The Toronto Maple Leafs were favored to win the International league pennant on the strength of their heavy hitting, but now they are also exhibiting one of the more potent pitching staffs in the circuit.

Don Johnson became the sixth straight Leaf to pitch a complete game when he blanked the Miami Marlins, 5-0, Tuesday night. In those six games, of which they won five, Leaf pitchers have limited the opposition to seven runs.

Montreal retained its half-game first-place edge on Toronto by whipping Havana, 6-4. The Royals scored three times in each of the seventh and eighth innings to gain the

victory for starter Tom Lard.

In other action, Columbus stopped Rochester, 7-2, behind the five-hit pitching of Whammy Douglas and Richmond beat Buffalo, 7-2, in the second game after the Bisons had won the seven-inning opener, 1-0, on Luke Easter's home run.

OSC Tennis Duo Doubles Victor

Annapolis — (UPI) — Paul Sdvana and Jimmie Jackson of Oregon State college won their doubles match in the NCAA tennis tournament Tuesday, 6-3, over Jackson Yang and Donald Schweitzer of Maryland.

Always smoother because it's slow-distilled

There are less costly ways to make bourbon whiskies—but they'll never give you the smoothness you get in Early Times.
