Check List Given For Vacationers

Chicago—(UPI)—It's normal for people leaving on a vacation to feel that they forgot to do something they should have done.

Safety officials drew up a list of the more important items that should be checked to aid vacationers in their last-minute preparations.

1. Notify the circulation department of your newspaper to have the paper sent to your vacation address, or stop delivery while you're away. Tell the milkman and others who make regular home deliveries that you'll be away.
2. Turn off your refrigerator and other utilities.
3. Provide for the care of your garden.
4. Provide for your pets.
5. Arrange for someone to pick up your mail; if necessary, have it forwarded.
6. Notify your neighbors and local police that you are taking a trip and that you have asked no one to move anything from your home or apartment.
7. Be sure all exterior doors and windows are locked.
8. Leave window shades only part way down.
9. Don't leave a note in the mail box for prospective guests announcing that you're gone and to make themselves at home.
10. Plan your trip well in advance, including your itinerary places to visit, accommodations, points of interest, route information and maps.
11. Make sure you have a car registration certificate and a valid driver's license, with the correct address on them.
12. Remember to take along such essential items as a thermos bottle, camera and films, personal effects, sun glasses, first aid kit, travelers checks, check book, flashlight, and motor club and insurance credentials.

Ashland Band to Present Concert

Ashland—Community singing will be featured at the first Ashland City Band concert of the 1958 season at 7:30 o'clock tonight in the Butler Memorial Band shell in Lithia Park here.

Band Director Herbert Cecil noted that in the past audience participation has been featured but for the last few seasons it had not been attempted. He said that if audience response is favorable, it will be continued in subsequent concerts this season.

Among selections for Thursday's program will be "Allerseelen" by Richard Strauss, and Leroy Anderson's "Blue Tango."

The public is invited to attend the concerts, which are free.
