

Chicago's Homer Barrage Puts Pox On Warren Spahn

By MILTON BUCHHEIT

United Press International

The Chicago Cubs have suddenly broken out in a rash of home runs and even if they're not serious infecting the rest of the National league, they've certainly put a pox on poor old Warren Spahn.

Spahn, quite possibly the best pitcher in the league, just can't understand it. He's given up 11 homers in his last three games and nine of them were hit by the Cubs.

They really laid into him

West Coast Net Battle Continuing

Annapolis, Md. — (UPI) —

The battle of the West Coast tennis powers resumes today with Southern California and Stanford seeking the edge in 1958 national collegiate championship play.

The Trojans, with a 6-7 point lead over the Indians, had a slight margin for the day's play because they sent men into each of the top four scheduled matches. Stanford will have men in only two events.

Second-seeded Alex Olmedo of Southern California and Andrews of Iowa in one of the semi-final singles matches, while Stanford's Jack Douglas takes on third-seeded Don Dell of Yale.

In doubles competition, Olmedo and Ed Atkinson face Andrews and Jim Posthast of Iowa, while the Trojans' Jim Buck and Ed Guzman battle Douglas and Dave Nelson.

Southern California picked up four points to Stanford's two in yesterday's contests, but Douglas achieved the upset of the day when he downed top-seeded Ron Holmberg of Tulane, 6-3, 6-0. He then joined Nelson for an 8-0, 3-6, 6-2 victory over Ron Fischer and Art Foust of Rice.

Didn't Believe Father Mistreated, Stayton Man Says

Stayton, Ore. — (UPI) —

Daniel G. Cole, 28, on \$2,500 bail, said today he didn't think he'd been mistreating his 88-year-old father who was found by deputies in an electrified enclosure behind the son's house here Wednesday.

The younger Cole, 80, said he was "embarrassed" by the incident, but added that his father "hadn't been complaining."

The older man was reported suffering from malnutrition and was resting comfortably.

Portland Man Beaten, Robbed

Portland — (UPI) —

Maurice L. Dutton, 60, Portland, was hospitalized at Veterans hospital with severe head cuts today after being assaulted and robbed and then tossed down a bank about a mile east of Brital Veil on the Columbia River Express highway, sheriff's officers reported.

Dutton, who was given first aid by a passing truck driver, told police he was driving his pickup truck along the highway Thursday night and ran out of gas. He said two men came along in a car and offered to take him to a service station but after driving about a mile down the highway they returned to the truck where one struck him three or four times with a tire iron before taking his wallet containing \$14. He said he was struck once more on the head before he was dumped over the railing.

Body of Man Found In Willamette River

Portland — (UPI) —

Authorities today sought the identity of a man about 60 years old whose body was found floating in the Willamette river near the Steel bridge. Deputy Coroner Bill Farrell said the body had been in the water only a few hours when found.

Kentucky was formed into a colony of Virginia in 1776 and was admitted to the Union as a state in 1792.

GAMES POSTPONED

Jackson County Softball association games billed for the Camp White field last night were postponed because of wet grounds.

State Methodists Urge Recognition Of Red China

Portland — (UPI) —

Recognition of Red China by the United Nations was urged in a resolution adopted by the Oregon Methodist Conference Thursday.

The Conference, in voting in favor of the resolution, asked steps be taken "to fulfill the responsibilities of the free world, and the United States in particular, for the safety and well-being of refugees from the Chinese Communist dictatorship, especially in Formosa."

Some Object

The resolution was passed over the objection of some. Max McMillen, attorney from Grants Pass, said Red China should be kept out of the U.N. "for the very obvious reason that we want to demonstrate to the world that we are opposed to the enslavement of people of this world. Red China is the antithesis of the Christian way of life."

The Rev. Horace H. Mounts, Beaverton, said "other nations are going to move ahead and face this issue. We have Russia in the U.N. and if you have observed the relationship that exists between the United States and Russia, you will not that there is a great exchange of ideas. I think this is healthy."

Efforts Favored

The Conference also went on record favoring local efforts to promote Sunday family day observance and closure of businesses on that day.

It was explained that the resolution made no reference to present U.S. policy toward Red China and was not suggesting recognition of Red China by this country.

Medford Nicks GP In Legion Fracas

Medford's Crater Lake Motors

American Legion baseball crew seems bent on creating suspense and giving the hometown fans a thrill by waiting until the last possible opportunity to wrap up their contests.

Last night Calvin Dean swiped home with two out in the seventh inning to break up the tussle and give the Motorsmen a 10 to 9 nod over the Grants Pass Mock Ford Sales in a non-league scrap. It was the second time this week that Medford had scored in the final panel to claim a decision.

Tally was tied at 9-all when Crater Lake came to bat in the seventh. Dean led off by getting a base on balls from GP tosser Roy Harris. He was sacrificed to second by Ray Konopasek and took third on a passed ball. Garland Lowery fanned but Wayne Thompson was issued a walk.

Cal Dean Scores

On the double steal maneuver, Thompson headed for second, drawing a throw to that base from Catcher Gary Huneycutt. Thompson held up in his dash, avoiding a tag out at second base and Dean was able to scoot across the plate.

"There was no further attempt to run down Thompson and he never got to second base. But neither was necessary for the run wrote finish to the hassle."

"The fracas was a loose one over the first three innings and tightened up over most of the rest of the route. Grants Pass outthit the locals 14 to six but Medford put five of their bingles into a second inning basket for six runs."

Lowell Dean singled twice and Konopasek, Thompson and Bob Kunney each once in

the frame. There were two errors, two stolen bases, a fielder's option, a sacrifice flyout by Dick Ragsdale and a base on balls. Cal Dean tallied on a wild pitch. Garland Lowery got on base on a dropped third strike and stole home. Medford's other three runs were in the third inning on a single by Konopasek, two bases on balls, a fielder's choice and error, a stolen base and a balk.

Three-Run Bingles

Grants Pass tabulated three times in the first inning on a triple by Frank Sprinkle, singles by Denny Walker, John Fox and one of two errors. Three more for Mock were in the second canto on hits by Rex Benner, Bill Cole, a base on balls, a hit batter and a fielder's option. Another run was in the third on a double by Jerry Patterson, single by Benner and two bases on balls.

The Climate City team tied up the fray in the fifth with two markers on safeties by Benner, Fox and Huneycutt, a fielder's choice and two miscues.

Relief thrower Harris held Medford hitless over the last four innings but issued five bases on balls. Three of these loaded the bases in the sixth inning giving Medford a chance to wind up the game a half-inning earlier. But Durkee was out trying to steal home.

Benner Four for Four

Benner had four hits in four times up for Grants Pass and Fox hit three for three. For Medford Dean and Konopasek each had two for three.

Pat McLaughlin pitched the first three innings for Medford and was charged with seven of the runs. He yielded nine hits and four bases on balls and struck out two. Herb Wheeler over the last four innings was taken for five bingles. He struck out three and walked one. Cole in three innings on the hill for GP, allowed Medford nine runs on six hits. He walked three and whiffed four. Harris fanned five.

The clubs vie in a twin-header here again on Sunday at 1:30 p.m.

LaComb Shingle Mill Destroyed

Lebanon — (UPI) — The Newberg Shingle mill at La Comb, Ore., 16 miles east of Lebanon, was wiped out by fire early today. The plant, which employs about 20 persons, was damaged by another blaze several years ago.

Ed Newberg, owner of the mill estimated damage at \$100,000 which he said was partly covered by insurance. Cause of the fire was not determined.

The Lebanon rural fire department and the Linn county fire patrol responded to the alarm with equipment and managed to keep the flames from spreading to the Newberg home and to other adjacent houses.

Governor Likes Tax Repeal News

Salem — (UPI) — Gov. Robert D. Holmes said today the Senate vote to repeal excise taxes on freight and transportation was the "best news I could possibly take back to Oregon producers."

The governor has been attacking the taxes as discriminatory against Oregon.

Action on the measure had been one of the reasons for the governor's hurried visit to the nation's capitol this week to lend his voice to that of the Oregon congressional delegation.
