Lessman is being held in the county jail pending transfer to the penitentiary.

Circuit Judge Kelly signed an order Monday revoking Lessman's probation. He had pleaded guilty in December when appearing on charges of unlawful possession of narcotics. He was placed on probation after being given a three-year suspended sentence.

He was recently convicted in Siskiyou county, California, of unlawful possession of narcotics.

Bob Crosby's Son Nabbed in Theft Try

West Los Angeles—(UPI)—Christopher D. Crosby, 15, son of bandleader Bob Crosby, was arrested Thursday night with a teen age friend on charges they tried to go joyriding in a sport car.

Police said young Crosby, of Beverly Hills, and Jeffrey Lee Davidson, 16, West Los Angeles, admitted stopping at the residence of Peter Heisser, in the Bel-Air Area, and trying to push his Corvette out of the driveway.

Heisser heard them and called police who took the youths into custody. Crosby was later released to his mother, June, and the Davidson boy to his parents, Mr. and Mrs. Raymond Davidson.

Officers said the ignition key was in the Corvette.

Railroad Shares In Active Session

New York — (UPI) — Railroad shares more than made up Thursday's losses in a more active stock market session today.

Industrial shares also came back but their recovery was slower and less vigorous than the rails. Utilities neared their high since 1930.

Gains in the rails ranged to two points in Kansas City Southern. New York Central was up more than a point early in the day and held a large part of the gain.

Automobile issues ignored the Senate action in retaining excises on autos. American lost a half point on news Louis E. Wolfson, largest stockholder, was selling his shares. Chrysler at its best was up one. Ford and General Motors firmed fractions.

Oil issues moved up to gains of more than a point.

Dominica Will Fill Responsibility

Ciudad Trujillo, D. R. — (UPI) — President Hector B. Trujillo says the Dominican Republic, despite its prospective repudiation of U. S. aid, will "continue to fulfill its responsibilities" for Western Hemisphere defense.

Trujillo, whose brother, Rafael has dominated Dominican politics for 28 years, told newsmen he will appoint a special committee to study congressional demands for the rejection of U. S. aid and cancellation of America's right to maintain missile-tracking stations on Dominican soil.

He said that 38 Dominicans studying at U.S. military schools have been ordered home for "technical reasons," along with students in France, Italy, Spain, Panama, Peru and Venezuela.

It has been believed earlier that the recall of the Dominicans was a result of the U.S. Command and General Staff College's refusal to grant a diploma to Lt. Gen. Rafael Trujillo Jr., son of the strongman and nephew of the President.

Hatfield Visits National Guard

Salem—(UPI)—Secretary of State Mark Hatfield took in numerous activities of Oregon's National Guard during a two-day visit to Fort Lewis, Wash., and Camp Clatsop which was completed Thursday night.

Hatfield, a World War II Navy veteran, sat in on a night firing range briefing, inspected two kitchens before reveille next morning, breakfasted with a company from Bend, tossed hand grenades, fired a 50 caliber machine gun, ate out of a mess kit in the field and watched engineers bridging a pond.

At Camp Clatsop he watched anti-aircraft practice and took a lesson in radar.

The secretary said it was a "real inspiration" to see the units in action.

Buyers, Lumbermen In Near Stalemate

Portland —(UPI)— Crow's Lumber Market Service today reported a near stalemate between buyers and lumbermen. The service said buyers were attempting to place orders at a dollar less than prevailing prices while most mills were not willing to sell for depressed prices.

Crow's reported demand for fir and hemlock by water levelling off as buyers wait for lower prices.

Plywood sheathing continues in heavy demand at prices up sharply over three weeks ago. Sanded stock has maintained a fairly good position at about $4 over the recent low, Crow's said.
