

Monroe, Olson State Junior Golf Champions

RVCC Boys Victors in OGA Tussle

Portland—(UPI)—Biff Lovett, Portland, edged David Munro, Portland, by one stroke Friday to capture the Oregon Junior Golf championship here at Riverside Golf and Country Club. Lovett shot a four-over-par over the 36-hole course.

Mike Monroe, Medford, won the Boys' title by downing Lynn Yturri, Ontario, 3 and 2. The Girls' division crown went to Jane Robinson, Tillamook, her second straight title. She defeated Mary Ann Rongerude of The Dalles, 4 and 3.

Olson Sets Record
Doug Olson, Medford, beat Jim Taggard, Portland, 5 and 4, for the Pee-wee championship. Olson, termed "mighty 10-year-old," Monday set a record by qualifying with a 39 in nine holes.

Lovett, Olson and Robinson were favored in their matches. Monroe's victory was considered an upset over Yturri.

Monroe, who is 15, was four over par on each of his rounds, morning and afternoon, on the par 72 Riverside layout, in taking his championship match over a 34-hole route. He established his final 3-up margin with pars on the 14th and 15th greens and halved No. 16 hole to wrap up the title.

Even at Lunch
Mike and Yturri were even at the lunchtime break and was 1 up going into the back nine in the afternoon. Monroe went 2 up when Lynn missed a shortie putt on No. 12 but Monroe, himself, missed a short one on No. 13 to restore 1 up status.

Monroe, after his first match on Tuesday, was never down to 0 rival. He said it was "one of those God-given weeks."

Another entrant from Medford, Charles Allen, lost 3 and 2 to Kent Ruhl, Oswego, in the finals of the Boys' first flight.

SOTA Will Have Group At Redding

Southern Oregon Timing association is expected to have a large delegation present when the fourth annual Northern California Championship drags are staged June 28 and 29.

Shasta Roadsters will sponsor the races at the municipal airport six miles east of Redding, Calif.

SOTA has cancelled a program which had been planned here for that week end in order not to draw attention away from the Redding affair.

The Northern Cal meet will have both fuel and gasoline classes. Trophies valued at \$800 will be offered for 19 classes, top eliminator and top gas eliminator. Prizes include a \$50 bond for top eliminator, \$25 bond for top gas eliminator and \$25 bond for top time.

Saturday time trials will be from 8 a.m. to 5 p.m. Pits will open at 7 a.m. on Sunday with stock eliminations at 11 a.m. and others at 1 p.m. A championship dance is set for Saturday night at the Veterans Memorial hall.

Milkers estimate it requires 340 to 350 squirts during the milking process to yield one gallon of milk.

Solons' Franchise Sought By Tucson

Sacramento, Calif.—(UPI)—The City of Tucson, Ariz., would like to get the Sacramento Solons Pacific Coast league franchise, owner Don Jameson of the Tucson club in the Class C Arizona-New Mexico league said Saturday.

"Sacramento seems to be the logical place to start as it is not drawing too good," Jameson said.

However, Fred David, president of the Solons, told United Press International that the Sacramento franchise "is not for sale."

But then David qualified the statement. "We intend to stay in Sacramento as long as financially possible."

David estimated the club would lose more than \$100,000 this year unless attendance takes a sudden upswing.

Jameson said he wanted to get into the Coast league to join Phoenix in AAA baseball.

He cited "tremendous rival-

ry" between the two Arizona cities and said he thought both towns would support PCL baseball.

Phoenix joined the PCL this year after the Giants invaded San Francisco.

"We have a very enthusiastic community for baseball of a higher classification," Jameson said.

David said the Solons, currently in seventh place in the PCL, were doing about as well at the gate this season as they did last year when they lost \$30,000.

In addition to that, David said the team sold its radio right for \$22,000 last year, but this season the club had to pick up an \$8,000 tab just to get the games on the air.

Losses through reduced pre-season sales threatened to run the prospective loss figure to about \$103,000 David said.

"We can't stay here and lose money like that," he added.

Summer Tennis, Baseball Classes Begin on Monday

School age youngsters in Medford School district will enroll Monday in the summer baseball and tennis programs.

Registration will be at the high school baseball field and tennis courts.

Boys nine years old through high school age may attend the baseball classes Monday through Thursday each week from 8:30 a.m. until noon. Those who have graduated from high school are not eligible.

Both boys and girls of school age may enroll in the tennis instruction which will be from 7 a.m. through noon Monday through Friday each week. Registration tomorrow is at 9 a.m.

While all register Monday, the very youngest boys out for

baseball training, will not report until June 30. This will give coaches time to organize teams for the Southern Oregon Junior Baseball circuit in Pee Wee, intermediate and, club classifications. League plays opens this week.

John Kovenz, head baseball coach at Medford High, will be baseball program director. Other coaches will be Frank Roelandt, Alex McDonald and Howard Gang.

Warren Brenner will handle the tennis program although he has resigned as Medford high net coach.

\$1 Registration Fee
There is a \$1 registration fee each for baseball and tennis instruction. Baseball school continues through Aug. 7 and tennis through July 18.

The Medford school system's bulletin concerning the baseball program says that boys unable to register the first morning of the classes may enroll any morning during the sessions with any instructor. While attendance is voluntary, those in charge bring out that regular attendance is important to get the most out of the program.

Boys are expected to furnish their own gloves and baseball shoes are optional. The school district will provide bats and balls and other special equipment. However, it is pointed out that no boy should stay away because he has no mitt. A few extra gloves generally are available.

Each boy will have the chance to play on a team since there will be an intramural program. While a good share of time is devoted to playing the game, stress also is given to correct fundamentals.

A better tennis program is anticipated this year because of additional courts which will alleviate the crowded situation of last summer. Two courts were added this spring making a total of five at the high school. A tournament is planned for the last week or so of the net program.

Finisterre Cops Yacht Laurels

Hamilton, Bermuda—(UPI)—The yacht Legend, Touche, Glory and Finisterre, were officially confirmed as the class winners in the annual Newport-Bermuda race after race authorities straightened out the greatest confusion in the history of the ocean classic.

The first yacht to complete the 635-mile journey from Rhode Island slipped across the finish line Wednesday night; the last in the field of 110 struggled in Friday morning.

But officials had to study the certificates of each vessel in order to determine the final placings. They said that 27 yachts failed to signal as required on night arrivals. In addition, several arrived almost simultaneously and still others crossed the line two or three times adding to the confusion.

Carleton Mitchell's Finisterre was the overall winner, the first time that the same yacht has taken top honors two straight years.

Australia Runner Cracks World Mark For Mile Race

By HAL WOOD
United Press International
Bakersfield, Calif.—(UPI)—Herb Elliott, Australia's lanky young distance star, cracked the recognized world mark for the mile Saturday night as he outlasted countryman Merv Lincoln in a grueling stretch duel to win the National AAU mile in 3:57.9.

In one of the greatest duels of track history involving Gail Hodgson of Oklahoma and South Africa and Don Bowden of California, the two Australians, took over on the final 200 yards and made a run-away of it.

But the early leaders faded quickly when Elliott and Lincoln, battling like arch enemies, came rumpling around the back curve. They had passed the U.S. collegians, with Elliott in the lead, but Lincoln, the defending champion, came right along on his heels.

But the superb conditioning of Elliott told the story. As Lincoln struggled vainly to catch the flying Elliott, the 20-year-old Herb just increased his pace. He finally won by about three yards.

The old accepted world mark is John Landy's 3:58 flat, set in 1954. Since that time the mark has been bettered by Derek Ibbotson and Elliott, but both men reportedly used "pacers" and the international committee is loath to accept such marks.

Ten Men Start
At the start it was Hodgson, Bowden, Elliott, and Lincoln — and that was the pattern to follow for most of the next three laps — no change in pace, no change in position.

Elliott was not to be denied. He had run the mile in the preliminaries last night while loafing in 4:01.4. He was even better Saturday night as he fought back the pack and finished going away.

Lincoln was timed in 3:58.4. Moran, who got up at the tape to win third, and Grelle were each timed in 4:01.7.

Away back in fifth place came Jerome Walters of Los Angeles, with a 4:02.2 clocking — a brilliant effort and the fastest time ever recorded by a Negro miler. Bowden finished in sixth and was timed in 4:02.6.

The thermometer registered 86 degrees at the time of the race — and there was a light breeze blowing.

Earlier in the night, Texas' Eddie Southern had equalled the world's recognized mark of 45.8 seconds in the 440-yard run.

Charley Jenkins of Vancouver, B. C., finished a fast-closing second, with Jack Yerman of University of California third.

Southern equalled a mark set by Jim Lea of USC and the Air Force at Modesto in 1956. However, Glenn Davis of Ohio State who set a world mark in the 440-yard hurdles Friday night, ran a 45.7 in the NCAA meet a week ago Saturday.

Jenkins was timed in 46.1 and Yerman in 46.6.

The race was run on a two turn track, from staggered lanes.

Alex Henderson, Australia's gift to Arizona (Tempe) State soundly whipped Hungary's Laszlo Tabori in the three mile run in the new National AAU record time of 13:37.1.

This cracked the old mark of 13:55, set by John Macy last year.

Habori, running for the Santa Clara (Calif.), Valley Youth Village, was clocked in 13:38.9. The two top Americans were Bill Dellinger of the Air Force, who finished third in 13:40.1; and little Max Trux of USC, clocked in 13:47. They'll probably get the bid to run against the Russians in the 5,000 meter race.

The 56 pound weight championship went to defending champion Bob Backus of the New York Athletic club at 43 feet, two inches, as he defended the title he won last year.

SO Junior Baseball Loops Get Underway This Week

Summer baseball in Jackson county will get into full tempo this week with the opening games of the Southern Oregon Junior Baseball league.

Four games are set on Tuesday and four on Thursday in the pee wee circuit. Tuesday frays are Lone Pine at Ashland Cubs, Ashland Bears at Central Point, Talent at Med-

ford Tigers and Medford Wildcats at Eagle Point. They are members of the Southern division. Grants Pass has a pee wee loop forming the Northern division.

Three games on Wednesday begin the intermediate loop which will play once per week. This week's scuffles are Ashland at Central Point, Jacksonville at Medford Giants and Medford Yankees at Lone Pine.

Cubs on Mondays
Cub leaguers will have Monday scrambles, starting June 30, with Ashland at Grants Pass Cubs and Grants Pass Bears at Medford.

Second time around for the pee wee slate will end on Aug. 7. Cub regular season ends Aug. 4 and intermediates are through July 23 except for a possible play-off tourney to fill out the season.

June 15 is the reckoning date to determine player eligibility. Those who were not 13 years of age by that date can play pee wee ball, those not 15 by that time are eligible for intermediate ball and those not 16 by that time may vie on cub teams.

Kirkland Gets Recall From Farm

Philadelphia—(UPI)—The San Francisco Giants Saturday announced the recall of outfielder Willie Kirkland from their Phoenix farm club in the Pacific Coast league and the purchase of outfielder Leon Wagner from the same club.

Kirkland, who hit .217 in 44 games with the Giants this season before he was sent back to Phoenix on June 4, and Wagner are scheduled to join the team here today.

The Giants also announced the option of outfielder Donald Taussig and Jim King to Phoenix. Tussig hit .204 in 38 games with the Giants this year and King, originally obtained from the St. Louis Cardinals in a trade for catcher Ray Katt, hit .214 in 34 games.

Friday Normal In PCL After Hectic Week
United Press International

Things returned to normal Friday after a hectic week in the Pacific Coast league. All four first division teams turned on the power to win their respective games. But even so none were easy.

Vancouver took its first game in four starts against fifth place Portland, edging past the Beavers, 6-5. Phoenix downed Sacramento, 1-0. San Diego slipped by Spokane, 6-5 while Salt Lake compiled the widest margin in beating Seattle, 8-5, and in the process tied a PCL record with three consecutive home runs.

Vancouver and Portland were tied 2-2 going into the top of the eighth frame when the Mounties suddenly un-

wound for four runs, two of them off Beaver errors.

That looked like pretty much the game. But in Portland's ninth, Jack Littrell came close to tying it up by smashing a three-run homer, his seventh this season. Joe Durham hit a two run round-tripper for the Mounties in the first inning.

BORGESGAARD VICTOR
Portland—(UPI)—Mrs. Chris Borgsgaard, of Eastmoreland, won the Rose City amateur golf tournament here Friday, despite her seven-over-par 83. Her three-day score of 241 was three strokes better than that of Miss Molly Murphy of Waverley and Mrs. Dale Hiltz of Rose City. They both had 244.

Bolt Leads In Buick Open Golf

Grand Blanc, Mich.—(UPI)—Tommy Bolt, using a wrong club on the second straight round, preserved his slim, one stroke lead in the \$52,000 Buick open Saturday while Ted Kroll was knocking out his second straight 71 to move into second place.

Bolt shot an even par 72 after his first round 69 for a 141. Kroll was one under after the first nine but matched two birdies and as many bogies on the back nine.

He bettered Bill Casper Jr., Bob Rosburg, Bill Johnston, Ernie Vossler, and Doug Sanders by one stroke. All five were locked in a tie for third two strokes off the pace at 143.

Ken Venturi was tied at 146 with Don January and Mike Souchak.

Other scores included: Tony Lema, 75-77-152; John Mcullen, 74-76-150; Al Balding, 72-75-147; Lyle Crawford, 79-77-156; Stan Leonard, 76-73-149.

Toronto Takes Over First Spot
By UNITED PRESS INTERNATIONAL

Jack Crimian's shut out pitching lifted the Toronto Maple Leafs into first place in the international league Friday.

Crimian blanked the Cuban Sugar Kings, 2-0, on a seven-hitter at Havana Friday night to move the Leafs a half game ahead of the slumping Montreal Royals, who dropped a 6-2 decision to the Miami Marlins.

SIGNS BONUS PACT
Detroit—(UPI)—Ron Nischwitz, Ohio State's star southpaw, has signed a bonus contract with the Detroit Tigers "in excess of \$25,000," Nischwitz, who won five games for the Buckeyes this year, will report to Lancaster of the Class A Eastern League.

Cornell Crew Captures College Rowing Title

Syracuse, N.Y.—(UPI)—Cornell's varsity eight, the crew which didn't win a race all season, captured the American Intercollegiate rowing title in impressive fashion on Saturday by turning back nine rivals at the 56th IRA regatta.

Taking charge after one-third of the three-mile race had been rowed, Cornell beat off challenge after challenge to finish almost three lengths in front of fast-closing Navy.

The Middles, considered no threat this year, surprised by passing third-place Syracuse in the final seconds.

Although California was officially placed fourth, IRA officials announced there was "some doubt" which finished fourth. IRA officials said they would review pictures of the race and make a decision over the week end.

Pulling steadily at an easy 30 strokes, Meakem led his crew to a length lead, beating off challenges from Pennsylvania, Princeton, California, Syracuse and Navy—all of whom were second at one stage of the race.

Motorcycle Hill Climb A 2 P.M.
Rogue River Ramblers Motorcycle club of Medford is sponsoring its first hill-climb of the season today at 2 p.m. on the Don Mentzer ranch, about four miles west of Phoenix. The route to the hill will be well marked from the Texaco station in Phoenix.

Members of the motorcycle club have been working evenings on the hill to get it in good shape, and also have put in a new log for starting position. The hill still will have its two dips, which are well accepted by the slant artists.

Events will be run on the usual time system and will be run off in classes if there are enough different sized cycles competing. Trophies will go to the winners. Parking area is free, but there is to be a small admission charge. Clubs from Klamath Falls, Yreka, Redding and Roseburg will be represented.
