

Anti-Trust Bill Would Outlaw Major Loop Farm Operations

Washington—(UPI)—Rep. Albert W. Cretella (R-Conn.) prepared to introduce in the House today a sports anti-trust bill that would curb major league baseball broadcasts and telecasts in minor league territory and outlaw the major league farm system effective in 1960.

Cretella, a member of the House Judiciary Committee which recently approved another sports bill, which would come up for House debate Tuesday, said he offered his bill as a compromise between the committee-approved measure and a substitute introduced last week by four committee colleagues.

Cretella's bill would apply the anti-trust laws to professional baseball, basketball, football and hockey. But it would exempt from any anti-trust action the reserve clause, player contracts, territorial rights, expansion and formation of leagues, advancement

of players through draft and waiver and assignment of player contracts.

It would however, correct what Cretella called "the worst type of sports monopoly." He said it would protect baseball's minor leagues "from total destruction by attacking the two major threats to the existence of the minor leagues—indiscriminate telecasting and broadcasting of major league games into minor league territory and the farm system."

"Accordingly," Cretella said, "for the sake of minor league survival, I am proposing that: 'No major league game telecast or broadcast be permitted into a minor league area when a minor league team is playing in that city, unless that minor league team specifically consents to such a broadcast or telecast.'

"No major league team may, after Jan. 1, 1960, own a minor league team directly or indirectly."

Cretella's bill also would provide that:

"A player who signs a contract when he is less than 21 years old, would have a choice of continuing to play for the team with which he signed or becoming a free agent on reaching the age of 21."

"A player who has served in the majors for at least three years cannot be transferred to the minor leagues without his consent after he is once placed on the waiver list and is claimed by a major league club."

"A player who has served in the minor leagues for five years cannot be transferred with out his consent to another team in the same or lesser classification."

Dick Hayes Chucks No-Hitter for GP; Medfordites Split

Medford Crater Lake Motors American Legion Junior baseball team will be host to Central Point Chemists on Wednesday, June 25, at Cheney diamond here and will entertain Klamath Falls on Thursday evening.

These games are being played on nights opposite to those previously announced. The KF-Medford game was listed for Wednesday on local slates but Klamath had the game scheduled for Thursday. Switch of the Medford-CP game was made to convenience Klamath.

Status of a Tuesday Central Point-Roseburg ruckus was still uncertain today. The game was originally set for night at Roseburg. But that community is at least temporarily without lights and now wants a twilight game. Central Point seeks to have the fray moved to Medford because of the difficulty in fielding a club for a late afternoon and early evening session.

third base only in the fifth inning when Ray Konopasek walked and rounded on an error and a wild pitch.

Durkee led off Medford's first batting turn of the second mix with his three-base. He scored on Dick Ragsdale's sacrifice flyout. Anderson's tremendous rap came with two out in the inning. Medford's other run in the ruckus was in the third inning. Ragsdale and Bob Quinney singled and got to second and third on a double steal. Mike Parsons flied out and Ragsdale romped home after the catch.

Grants Pass gained its run in the second inning on singles by Dan Wolke and Dave Anderson, two bases on balls and a sacrifice bunt by Jerry Patterson. Anderson drove the run over. He and Wolke each had two singles for the only GP safeties.

McLaughlin fanned two, walked three and hit one batsman.

Medford's five hits were all off Roy Harris in three innings. He whiffed one and walked one and Bill Cole issued one free pass.

Dick Hayes boosted the cause of Grants Pass Mock Ford in the southern Oregon district of American Legion junior baseball yesterday by flinging a 4 to 0 no-hit, no-run triumph over Medford Crater Lake Motors at Cheney field here.

The Medfordites came back to split the doubleheader with a 3 to 1 verdict in the second game. With it the Motormen salvaged some of their honor but gained no headway districtwise since the conclusion was a non-league game.

While dropping three tangles to district foes, two of the scuffles to Medford, the Mock aggregation has won three straight and tumbled in one of the scraps which figure in the official standings. Crater Lake Motors is now one-two in the campaign.

Hayes retired batters nine times on strikeouts and walked just three men. John Fox of Mock was the lone player with more than one hit. He had a two-bagger and single and blasted home one run. Frank Sprinkle knocked in a tally and the others scored on a passed ball and on an error.

Anderson Homers

A three-base hit by Ken Durkee and a towering home run swat over the left field barrier by Jerry Anderson, along with four-hit throwing by Pat McLaughlin were highlights of the five-inning second scramble.

GP put over two of its runs in the first inning on singles by Lee Holmes and Sprinkle, a sacrifice by Denny Walker, a pair of bases on balls and two passed balls. For run No. 3 Rex Benner singled, Sprinkle sacrificed and Fox doubled in the third frame. The fourth marker was in the sixth inning on a walk, stolen base and miscue.

Smith Captures Royal Oaks Play

Vancouver, Wash.—(UPI)—Bob Smith, Portland's Waverly club, carded a 73 hole Sunday to defeat Jerry Howlds of University of Portland and take the Royal Oaks Invitational golf crown. He won by one stroke. The two 19-year-old golfers tied for first place last week end, necessitating a playoff.

MARK EQUALLED

Sedaka, Kyushu, Japan—(UPI)—Fukiaki Masunaga, 19-year-old Nihon University student, equalled the world record of 1:03.1 seconds for the 100-meter butterfly event yesterday in a local swim meet. The world mark originally was set by Takashi Ishimoto.

Hill, Gendebien Win a LeMans

Le Mans, France—(UPI)—Driver Bruce Kessler of Beverly Hills, Calif., who was injured in the same collision that took the life of French driver Jean Mary in the 24-hour Le Mans endurance sports car race, was reported in "satisfactory" condition today in a hospital here.

The race ended Sunday with Phil Hill of Santa Monica, Calif., becoming the first American driver to share in the title in the famed race, teaming with Oliver Gendebien of France to take first place in a Ferrari with an average speed of 107 miles per hour.

Mary, the first person to be killed in this race since new safety rules were installed after the 1955 tragedy in which 83 persons perished, was killed when his Jaguar collided with Kessler's car and smashed into a brick wall.

Chico Nips Dairy Maids

Rogue Valley Dairy Maids softball team broke even on its week end road trip.

Chico, Calif., beat the Maids 3 to 2 on Saturday night and the two clubs were tied 2 to 2 in an extra session halted by time limit. At Klamath Falls last night the Maids were leading the home team 4 to 1 in the last half of the fourth inning when rain stopped the encounter.

Chico scored two runs in the bottom of the seventh inning to beat the Maids. The tallies were on an error, walk, fielder's option and a hit. An error and four hits gave Rogue Valley its four runs at Klamath Falls in the first inning.

Pat Barron pitched the full game for the Maids at Chico and the part of game at Klamath. Doris Hickson was chucker for the Maids in the abbreviated tussle in the California town.

Unknowns Take Mille Miglia

Brescia, Italy—(UPI)—Luigi Taramazzo and Giuseppe Gerini, two relatively unknown drivers, won Italy's famed and tamed "Mille Miglia" Sunday in a drastically slowed-down race that claimed two lives despite numerous added safety features.

Taramazzo and Gerini averaged only 30.3 miles per hour in their Ferrari, taking approximately 30 hours to negotiate 1,000 miles of steep roads, precipitous curves and exacting time check points.

After three decades, during which it won the reputation for being the classic "killer" of road racing, the Mille Miglia was slowed to a virtual walk this year by new rules and new routes along the winding mountain roads.

The two persons killed were drivers Guido Zeneri and Mario Mora, who met death only a few miles from the starting line Saturday.

Stock Auto Main By Wayne Lemley

Ashland — Wayne Lemley stormed from behind to sweep by Red McGilvray and take the 25-lap main event of the opening 1958 stock car races at Valley View Speedway Saturday evening.

Lemley hesitated and stuck with the main body of the field before he began to move out at about the 15th lap. Lemley passed McGilvray when the latter's engine blew all its rods.

McGilvray thrilled the crowd when he came from behind to nose out Cecil James by a mere two feet for first place.

In the ten-lap trophy dash another McGilvray brother, Bob, took top honors when he came through with his 1951 Hudson. Red McGilvray was third in the event.

Third McGilvray

Topping the first heat was the third McGilvray brother, Cliff, in his stock Studebaker. Jack Keck Sr. placed second in his Dodge convertible.

For a small field the drivers put one of the most exciting races as evidenced by the general feeling of the crowd.

Down to the wire for second place in the final heat came Jerry Weir and Bill Chase in a neck and neck battle before Weir finally won out by about six inches.

Earl Stevens in his Buick ran into trouble when he developed flames on the eighth lap of the main event. Lon Gay in his 1951 Pontiac broke an axle and lost a wheel on the 11th lap.

During most of the early stages of the main event Lemley appeared to be hanging back and biding his time until he made his race winning move and passed up Red McGilvray's ailing Studebaker. Lemley in moving out showed he was back in old form again which led him to the top point total during the 1957 hardtop season. Lemley was also driving a top notch Ford for his brother, Doyle.

Red McGilvray in his Studebaker reported he was just waiting for the car to blow. He bought the car just recently and worked the motor over only to the extent of installing new spark plugs.

Racing is slated for the near future with the date to be announced in the next week.

Ron Peery Does Well In All-Star

Ron Peery from Medford High acquitted himself well in the prep all-star baseball game Saturday at Eugene.

He had two hits in five times up as State lead-off hitter and came close to getting another. He was in center field, the position he played for Medford, for the entire game.

Metro got its winning run off Jim Smith from Grants Pass on a hit batter, a sacrifice and error and a squeeze bunt.

Eugene — (UPI) — The Metropolitanans squeezed out a 9-8 baseball victory over State Saturday in the first annual high school Senior All-Star game at Bethel park here.

A bunt by Sam Holteen in the ninth inning scored Metro's Terry Stewart from third for the deciding run.

The Staters, down by a score of 8-2 going into the seventh, exploded for three runs and added three more in the eighth frame to tie it all up.

Marv Carrick, Parkrose, was the winning pitcher. Dave Wells, The Dalles, was charged with the loss.

Berg Victor In Western Women's Golf

Rogue Valley Country club lady golfers will host the Grants Pass Country club ladies at the July 10 monthly luncheon and play will be on the inter-club trophy.

Qualifying round for the club championship tournament must be played between June 26 and July 10.

Competition for Thursday, June 19, was the third play on the RVWG trophy. Winner in A group was Mrs. Thomas Culbertson. B group winner was Mrs. L. R. Smith. C group winner was Mrs. Ed Radzweit. In D group, Mrs. William Knope and Mrs. Reese Alexander tied. Nine-hole winner was Mrs. W. H. Pyle.
