

Third Shutout Hits Giants; Milwaukee Takes 7-0 Win

San Francisco — (UPI) — Willie Mays collected his 999th and 1000th major league hits Monday night, but that's the best that can be said about the San Francisco Giants in their contest with Milwaukee.

The Giants suffered their third shutout of the season, 7-0, at the hands of the National league leaders. As a result, they fell 2½ games off the pace.

They could get out of town within a half game of first place—but if they do they'll have to sweep the next two games from the Braves. That's not being done very handily these days.

Manager Bill Rigney plans

to start Stu Miller (1-3) against the Braves tonight. The Braves will go with Warren Spahn (8-4).

The most humiliating part about the Giants' defeat was the fact the Braves won behind 27-year-old Carleton Willey, a strong-armed right-hander who never before had started in a major league game.

Willey was the most valuable player with Wichita's American Association champions last year. He recently was recalled from Wichita, where he had a 3-3 record and a no-hit, no runner.

Willey yielded six hits and got his no-runner Monday night on a fancy bit of defense work by left fielder Joe Adcock.

In the fourth inning, with the Braves ahead 2-0, the Giants put Mays on third by way of a forceout and Leon Wagner on first by way of a single.

Then Ray Jablonski hit a high fly to left near the foul line. Adcock backed to the corner against the 7-foot screen. At the last second, the 6-4 former cage star jumped and pulled the ball out of the stands for the out that preserved Willey's shutout—and knocked out the Giants.

From then on, the Braves poured it on.

Paul Giel, who was relieved in the seventh, was tagged with the loss.

Pro Tennis Matches To Wind Up

Forest Hills, N.Y.—(UPI)—Big Pancho Gonzales, already assured of the \$3,000 top money, meets Lew Hoad of Australia tonight in a wind-up of Jack Kramer's \$15,000 round robin pro tennis championship that's a mere formality.

Of more importance to Pancho's purse is the doubles final in which he and Aussie Ken Rosewall hope to split \$1,500 by defeating Tony Trabert of Cincinnati and Frank Sedgman of Australia.

Pancho ran his record to 5-0 in singles Monday night by dusting off Sedgman, 10-8, 6-2, and then backed into the championship when Rosewall whipped Hoad, 6-2, 9-7. Rosewall finished the tournament with a 5-1 record but even if Hoad licks Pancho in the wind-up to give Gonzales a similar record, Rosewall can't claim a title because he lost to Pancho last Sunday.

STATE GOLF CHAMPION—Mike Monroe, above, 15-year-old Medford linkster, won the boys' division title in Oregon Golf association junior tournament at Portland last week. Monroe defeated Lynn Yturri, Ontario, 3 and 2 in the Friday 35-hole finale. He never trailed in the match.

Jack Webb Plans To Marry Tonight

Hollywood — (UPI) — Actor-producer Jack Webb of TV's "Dragnet" weds actress Jackie Loughery, Miss U.S.A. in 1953, tonight in his third venture into matrimony.

Webb, poker-faced cop on the cops-and-robbers television drama announced his marriage plans Monday but ignored newsmen's requests to "just get the facts, man."

He refused to say where he and his red-haired bride would be wed but did say the ceremony would be performed by a judge.

Webb formerly was wed to actress Dorothy Towne and singer Julie London. Crooner Guy Mitchell was Miss Loughery's first husband.

Pied Piper To Be Fired in Winter

Washington — (UPI) — The magazine Aviation Week says the Air Force hopes to launch its first Pied Piper reconnaissance satellite from California in December or early January.

Eventually, it said, 20 or more big Pied Pipers may be hurled into orbit.

The magazine said in an article published Sunday that the first camera-carrying satellite would be a test vehicle weighing perhaps as much as 1,200 pounds. Later versions may be even heavier. Russia's Sputnik II weighed about 1,000 pounds; its Sputnik III about 3,000.

The magazine said Lockheed Aircraft Corp. hopes to have the Pied Piper "ready and waiting" when launching pads for the Air Force are available at Cooke Air Force Base in December or January.

DEPLORES DISINTEREST — Birmingham, Ala.—(UPI)—"The lack of interest in Christ's Church in Europe is appalling," a Methodist minister told his congregation Sunday. Dr. Paul Hardin Jr., who returned to the pulpit after a nine-week tour of Europe and the Middle East, said that in Europe the church "has become just a sight-seeing place of architectural interest."

Ortiz Bout Favorite; Busso Foe

New York — UPI — This week's boxing offers an exceptionally good lightweight match Friday night between contenders Carlos Ortiz and Johnny Busso at Madison Square Garden.

The two other TV fights bring together good middleweights at New York and Chicago.

Featherweight champion Hogan (Kid) Bassey meets Jules Touan of French Senegal, Africa, at London Tuesday night in a non-title bout. On the same card, middleweight Spider Webb of Chicago meets Dick Tiger of Nigeria, British Empire champ.

Ortiz Favored

In Friday night's TV 10-rounder at the Garden, Puerto Rico-born Ortiz is favored at 8-5 to beat Busso of New York because of his combination boxer-puncher ability and because he is unbeaten in 27 starts, married only by a no-decision affair. He scored nine knockouts.

Middleweight contenders Rory Calhoun (7) and Bobby Boyd (8) are slated for a return 10-rounder at the Chicago Stadium Wednesday night. Calhoun of White Plains, N. Y., is favored at 2-1 because he stopped Boyd of Chicago in the second round last Nov. 22.

The week's boxing schedule also includes:

Tuesday—Athol, Mass.—Gordon Parker vs. Lou Carmona, Houston, Tex.—Paul Jorgenson vs. Rocky Randall.

Wednesday—Louisville, Ky.—Duke Harris vs. Rudell Stutch.

Thursday—Los Angeles—Toluco Lopez vs. Willie Parker.

Saturday—Hollywood, Que.—Enrique Aceves vs. Ernesto Figueroa.

Sunday—Sherbrooke, Que.—Robe Cleroux vs. Eddie Vick.

By United Press International

The Yakima Bears will attempt to hold onto their newly gained second place position in the Northwest league baseball race tonight as they tangle with fifth place Eugene in the first game of a three-game series.

Wenatchee, which dropped to third spot over the week end, will visit last place Salem for a three-game stand which starts tonight. The Chiefs will be out to make up the half game advantage enjoyed by the Bears.

High-riding Lewiston, enjoying a six-game bulge over Yakima, will host Tri-City tonight for the first contest of a three-game set. The Braves are in fourth place, 11 games off the pace.

The new Oakdale Market, now being built behind the present store, will be completed some time this fall, according to Ray Bostwick, store manager.

The new store will be half again as large as the present Bostwick said. The old building will be torn down to provide parking for about 30 cars, he added.

All departments will be enlarged and the staff will be "at least doubled," Bostwick said. The floor plan will be similar to the East Side market at 608 East Main st., Bostwick said.

The construction at 401 South Oakdale ave. started June 14.

It is a week-long citizenship training program sponsored by the American Legion.

MEDFORD, CP LEGION BASEBALL WEDNESDAY

Medford Crater Lake Motors and Central Point Cheney Studs American Legion junior baseball teams tussle for the third time this season Wednesday night.

Game time will be 8 p.m. at Cheney field here.

While both clubs use the diamond at the south edge of Medford for their home field, Crater Lake Motors will be the host club for this week's brush. Wednesday's ruckus will be a non-district engagement. A counter conflict between the two aggregations is planned for July 2.

Medford has taken the two previous brushes, 8 to 4 in a non-leaguer and 7 to 3 in a district scrap. Those results will give the Motormen the favored role.

Records Compared

However, the Studs are not to be taken lightly, as records of other games show. Cheney has one win over Grants Pass, against whom Medford has won two and lost one and the Central Point crew has taken two of three games with Klamath Falls, against whom Crater Lake has a one win, one loss mark. The Studs also have tripped Roseburg, which club holds a win over Medford.

Central Point is expected to have its squad intact for the tangle. Bob Pond, catcher-outfielder, and Frank Peterson, outfielder, still will be missing from the Medford crew but the Fordmen still will be the strongest in almost two weeks.

Medford pitcher will be picked from among Dennis Barr, Tom Laurance, Jerry

Zanni and Hanlon Top Pitchers

San Francisco — (UPI) — Dom Zanni (8-4) of Phoenix and Dick Hanlon (8-5) of Spokane led the Pacific Coast league pitchers with the most victories today while George Bamberger (6-3), Vancouver's veteran right-hander, had a best earned run average of 1.88.

Marshall Bridges (7-6) of Sacramento topped the league in strikeouts, having whiffed 93 batters, but also was tied with Zanni for the most bases on balls. Each had given up 53.

The biggest losers were Larry Jansen of Portland and Joe Stanka of Sacramento. Each had 2-8 records.

Carlos Bernier and Dick Stuart, Salt Lake City's mighty one-two punch, continued to monopolize the league batting race.

Bernier led for the hitting title with a .370 average and also paced the loop with 92 hits. Stuart showed the way in home runs with 28 and also led in the clutch hit department by batting in 73 runs.

Webb Meets Champion

London — (UPI) — Spider Webb of Chicago hopes to out-box hard-hitting British Empire middleweight champion Dick Tiger of Nigeria tonight in their 10-round co-featured bout at Empress Hall.

In the other feature, world featherweight champion Hogan (Kid) Bassey of Nigeria is heavily favored to win a non-title 10-rounder from Jules Touan of French West Africa.

Webb has impressed British observers with his boxing skill in workouts since arriving here. He doesn't appear to pack as much dynamite as Tiger, but he's much more experienced and obviously the superior in ring craftsmanship.

Search Continues For Killer of Cop

Hayfork, Calif. — (UPI) — The search for George Edward Cole, 31, continued today in the rugged Trinity National Forest area where he was believed to be hiding out.

Cole has been the object of an extensive manhunt since Saturday when he was reportedly seen at Carlotia, Calif. He is wanted for the slaying of a San Francisco police officer two years ago.

A 50-man search party reported late Monday night it had no new leads.

Barney Root, Myrtle Creek, carded a 258 to go on top in the men's high game rivalry.

All other leaders held their positions over the Saturday-Sunday stretch. Tourney activity was halted at 5:15 p.m. Sunday when the turbulent electrical storm hit Medford, knocking out power at the bowling lanes along with many other places.

In men's contention E. H. Mann Company, Medford, assumed men's team fifth place with 3008. In doubles Les Schneider and Bob Martin, Arcata, Calif., took over third with 1289 and Elliott, Myrtle Creek, fourth with 1282.
