

Braves Have Fattest Spread Of Year in National League

By FRED DOWN
United Press International
The Milwaukee Braves' National League rivals better get a move on before they're in the same boat as the "sorry seven" who are chasing the New York Yankees in the American league.

There's no longer any doubt about it—the Braves are making a "big move"—and may be in the process of building an insurmountable lead. Their 3½-game lead after Tuesday night's 2-1 victory over the San Francisco Giants is their fattest margin of the year and it's in sharp contrast to their fourth-place position of a year ago when they eventually won by eight games.

In two weeks since June 10 the Braves have won eight of 12 games, a relatively modest drive, but enough to gain at least two games on every rival except the St. Louis Cardinals. The Cardinals, 8-5 over the same period, have lost only a half game to the Braves and Tuesday night beat the Pittsburgh Pirates, 2-1, for their fourth win in a row.

Warren Spahn, who hadn't won a game since May 31, pitched a three-hitter Tuesday night to shade Stu Miller in a battle decided by homers. Ed Mathews and Joe Adcock belted homers for the Braves and Felipe Alou hit one for the fading Giants, who have lost 17 of their last 24 games to drop into third place.

Despite Spahn's June slump, he too is ahead of his pace of last season when he won 21 games and the Cy Young award as pitcher of the year. The 37-year-old left-hander stands 0-4 this year compared to 7-5 on June 25, 1957.

Pittsburgh's Ron Kline had the Cardinals shut out until the ninth when Gene Green walked and Curt Flood followed by a 400-foot homer. Relief pitcher Phil Paine received credit for his fourth win without a loss while Ron Kline suffered his eighth loss against even victories.

Rookie John Briggs, recently brought up from Ft. Worth, pitched a six-hitter to give the Chicago Cubs a 3-0 win over the Philadelphia Phillies and the Los Angeles Dodgers beat the Cincinnati Redlegs, 13-10, in 10 innings and 7-2 in 11 innings in the other NL activity.

The Yankees bounced back into the win column and increased their American league lead to eight games when they whipped the Chicago White Sox, 6-2. The Detroit Tigers downed the Baltimore Orioles, 5-0, the Boston Red Sox rallied to edge out the Cleveland Indians, 4-3, and the Kansas City A's and Washington Senators played a 2-2 tie in their other AL games.

Catcher Sammy Taylor's two-run homer was the big blow for the Cubs as Briggs struck out six and walked four in recording his first big league win. The loser was Jack Sanford, NL rookie of the year in 1957 who now stands 5-6 for this season.

The Dodgers swept their second straight doubleheader in a seven-hour and 11-minute slugfest with Cincinnati that

wound up at 2:11 a.m. They won the opener on 10th-inning homers by Gil Hodges and Joe Pignatano and scored five runs in the 11th inning of the nightcap. Duke Snider had six hits in the doubleheader and Gil Hodges hit two homers and knocked in five runs for the Dodgers. Sandy Koufax, who won the opener, closed out the nightcap in relief.

Manly Lumper—Homer Mickey Mantle, Jerry Lumpe and Norm Siebern hit homers in a five-run fourth-inning rally that kayoed Early Wynn and then relief Ace Ryne Duren preserved the victory for the Yankees with a tremendous relief performance in which he struck out six batters in 2 2/3 innings. Duren's job preserved Bob Turley's 11th win—high for the majors.

Paul Foytack pitched a five-hitter for the Tigers who have won 11 of 14 games under manager Bill Norman. Gail Harris' homer and a two-run single by Al Kaline were the big blows in an eight-hit Detroit attack. Milt Pappas was the loser.

Vic Power, who had driven in all of Cleveland's runs with a single and a two-run homer, let in the Red Sox' winning run with a ninth-inning error. The victory went to Leo Kiely while Joyt Wilhelm was the loser.

The Senators scored two seventh-inning runs to gain a tie with Kansas City before rain finally halted the contest an inning later. The game will be replayed in its entirety.

LA, Cincinnati Greet Milkmen

Cincinnati—(UPI)—You will please pardon if the Los Angeles Dodgers and Cincinnati Redlegs are too pooped to put their all in tonight's final meeting of a four-game series.

But, both squads will be there with Harvey Haddix (5-3) starting for Cincinnati and Stan Williams (2-1) the probable starter for Los Angeles.

The teams met Tuesday night in a 21-inning doubleheader that lasted seven hours and 11 minutes. By the time the game ended at 2:11 a.m., milkmen were preparing to make their rounds.

Los Angeles, in last place, took the opener, 13-10, with 10th inning homers by Gil Hodges and Joe Pignatano, and returned in the second game to blast the Redlegs, 7-2, in 11 innings.

Softball Frays Thursday Night
Parsons Motors is slated against Eagle Point Merchants and Cheney Studs are to go against Butte Falls Loggers in Thursday evening scraps of the Jackson County Softball association at Camp White.

Parsons and Eagle Point mix at 7 p.m. in the opener. Monday's tussles in the weather-plagued loop were postponed because of wet grounds from the week-end storm.

Riddle Bounces Cave Junction
Riddle—Southern Douglas County Trojans of Riddle defeated Cave Junction 9 to 3 last Sunday in their opening Rogue Valley league baseball game. They got seven-hit pitching from Duane Miller, Linfield college and ex-Glendale High chucker. The game was at Glendale where Riddle is holding all its contests.

Riddle's field is being re-located. The Trojans have a league engagement at Camp White this Sunday.

Train Holdup Due at Ontario
Ontario, Ore.—(UPI)—There will be a train holdup in Ontario next week end. But there also will be dancing in the streets.

It's all part of the city's annual Diamond Jubilee celebration. The eastbound Union Pacific Portland Rose streamliner will be stopped by masked "robbers" Friday morning and the Portland delegation enroute to the celebration will be "kidnaped."

Other events planned for the celebration include two street water fights staged by members of the Portland Chamber of Commerce and the Ontario Fire department, servings of traditional food by the Japanese and Basque people in the community, a street square dance and a water carnival.

Lawyer Nominated In South Carolina
Columbia, S. C.—(UPI)—Ernest F. Hollings, a 36-year-old Charleston lawyer, rested today from the rigors of a grueling campaign that culminated Tuesday in his nomination as the next governor of South Carolina.

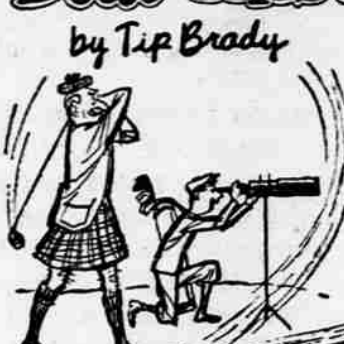

Hollings rolled up tremendous majorities in the rural counties and got heavy backing in the populous Piedmont counties to swamp former University of South Carolina President Donald S. Russell by more than 45,000 votes in the run-off primary.

OSC BILLS GRID SALE
Corvallis—(UPI)—Oregon State will start selling its 1958 football tickets on July 1, Business Manager Jim Barratt said today.

Home games for 1958 include Washington and Kansas in Portland and Oregon, California and UCLA in Corvallis.

PLACES REVERSED
New York—(UPI)—Princeton has been awarded fourth place and California fifth in the varsity race in the Intercollegiate Rowing association regatta last Saturday at Lake Onondaga, N. Y., instead of the reverse. The officials changed the placings Tuesday after viewing films of the race. They said the original mistake in placing had been due to a similarity in white jerseys worn by the two crews. The race was won by Cornell.

Phoenix Takes Over Lead Again in PCL

By GENE BRYANT
United Press International
The Phoenix Giants made it back to first place in the Pacific Coast league standings today—thanks to the San Diego Padres and the Giants' remarkable affinity for the home run.

While the Padres stopped Vancouver, 3-2, Tuesday night, dropping the Mounties into second place, the Giants exploded for seven home runs, three by shortstop Andre Rodger, to outlast Spokane, 12-9, and move ahead of the pack for the first time in several weeks. The seven four-baggers marked a PCL high for the season.

The hard-hitting Arizonans are now a full game in front of Vancouver. San Diego trails the Mounties by only a half game.

Camp White To Engage Butte Falls

Camp White—Clyde Smith will be on the hill for Camp White this evening when the Veterans Administration domiciliary-sponsored semi-pro meets Butte Falls at Memorial stadium here.

First pitch is planned for 8 p.m. Both clubs are members of the Rogue Valley league but tonight's ruckus is a non-league. Butte Falls took an early season win from Camp White, but the Whittiers have come out on top against the mountain team since then.

The Camp White-Chiloquin game for Friday evening at the VA diamond is definite, it was reported today.

Calhoun, Boyd Battle Tonight

Chicago—(UPI)—Rory Calhoun and Bobby Boyd, the National Boxing association's 7th and 8th ranked middleweights, tangle before the TV cameras tonight with the winner perhaps climbing a little closer to a title bout.

It will be a return match. Calhoun knocked out Boyd in two rounds last Nov. 22, but Boyd, who has had 20 more bouts than his opponent, vowed that such "a lucky punch" wouldn't happen again.

The fight was rated nearly even by the odds-makers. It appeared that if it goes the scheduled 10 rounds, Boyd will have an edge, but Calhoun has the power to put over a quick finish again.

Langer GOP Winner In North Dakota

Bismarck, N. D.—(UPI)—Veteran Republican Sen. William Langer, overcoming lack of organization support and charges he was "weak and sickly," today won the GOP nomination to a fourth term in North Dakota's primary election.

The win in Tuesday's balloting climaxed an uphill drive by the 71-year-old "maverick" senator, who scored by an impressive margin over his chief rival, Lt. Gov. Clyde Duffy.

A United Press International tabulation from 736 of the state's 2,325 precincts showed 21,207 votes for Langer to 13,669 for Duffy, who had the backing of the state's GOP organization. A third candidate, A. L. Monroe, trailed with 311.

Grand Jury Considers Fatal Shooting Case

Canyon City, Ore.—(UPI)—The Grant county grand jury met today to consider the case of Robert Spraul, 43, accused in the fatal shooting last Saturday of his brother-in-law, Harlin Williams.

Spraul was bound over to the grand jury following a preliminary hearing in Justice Court Tuesday.

"BUT LOOK, UMP . . ."—Orioles' Jim Busby isn't really pleading with Umpire Joe Paparella. Busby was safe on second base in third inning of double-header against White Sox in Chicago. Busby slid into second and jolted Nellie Fox so hard that Fox lost the ball. Orioles won, 2-0.

Degrees Bestowed On Cornell Wives

Ithaca, N. Y.—(UPI)—The honorary "degree" of Ph.D. "Putting Husband Through" has been bestowed on 30 wives of Cornell University graduate students.

Decked out in academic finery, Dean John W. McConnell of the university's graduate school conferred the "degree" on each wife who had aided her husband in achieving his educational goal—either an M.A. or Ph.D. degree. In keeping with a Cornell tradition, the diplomas received the "official" signature of Dean McConnell's wife.

The "degrees" were awarded in recognition of keeping the baby quiet, providing an atmosphere conducive to study, coping with financial situations which often were difficult and for general encouragement.

The 30 graduate wives had cared for 33 babies. Communities have been quick to respond to the sudden growth of the number of pools by issuing ordinances regulating the noise, glare of lights and danger to children.

Many cities now prohibit pools in front yards, require pool regulation equipment to be set back from property lines, control drainage, require fences and occasionally require the consent of neighbors before the pools can be built.

Royals On Top By Full Game

The Montreal Royals, snapping out of a slump that temporarily cost them first place in the International league, are counting on their current home stand to bolster their regained lead.

Montreal went 12 innings Tuesday night before besting the streaking Richmond Virginians, 8-7. The Royals, in winning their second straight after having lost five of their previous six, increased their league lead to a full game over idle Toronto.

Lynn Lovenguth went all the way to lead Rochester to a 6-4 victory over Miami in the only other contest scheduled Tuesday night.

Bryant Named Astoria Coach

Astoria—(UPI)—Pete Bryant, who has been coach at Lewis and Clark consolidated grade school the past six years, will be new head football coach at Astoria high school.

Bryant will succeed Roy Thompson who resigned to become football coach at Roseburg high school. Bryant will also assist the basketball coach.

Yankees at Wimbledon Eye Trouble

Wimbledon, England—(UPI)—America's weakest tennis expedition in many years, now an 11-man group led by lanky Barry MacKay, ran into seeded stars for the first time in the Wimbledon championships today in a second round of men's singles that promised to be full of trouble.

Five U.S. girls also were scheduled to compete in second-round matches in women's singles today, hoping to join defending champion Althea Gibson of New York and Mimi Arnold of Redwood City, Calif., in the third round.

MacKay, former intercollegiate champion from Dayton, Ohio, who is seeded eighth as the only Yank with a ranking in men's play was expected to win easily over Eric Blumer of Britain despite a painful blister on his racket hand.

Deep Underdog
But Jack Frost of Monterey, Calif., was a deep underdog against third-seeded southpaw Mervyn Rose, one of Australia's "Big Four" in this tourney. And young Earl Buchholz of St. Louis, Mo., who is rated one of America's best hopes for future Davis Cup play, met a rugged test against fifth-seeded Luis Ayala of Chile.

Two other U.S. young hopes were to be tested by Australians—Greg Grant of San Marino, Calif., against Bob Mar and Nick Carter of San Francisco against Rod Laver. And one American was to be eliminated when former champion Budge Patty of Los Angeles and Paris met Bob Perry of Los Angeles.

Other U.S. men competing in the second round were Gardner Mulloy of Denver, Colo., Bill Quillian of Seattle, Wash., Malcolm Fox of Baltimore, Md., and Mike Green of Miami, Fla.

Burleson Mile Recognized As National Mark

Chicago—(UPI)—The National Federation of State High School associations Tuesday recognized as a new national mark the 413.2 mile by Dyrrel Burleson of Cottage Grove, Ore.

Chicago—(UPI)—More than half the persons accused of crimes in the United States cannot afford legal aid, and less than half the states assure them of counsel in non-capital cases, according to a recent American Judicial Society report.

Seven states have no provision for appointing lawyers for the poor except in capital cases, the reporter said.

In nine other states the court can decide whether to appoint counsel or not, and in 10 others the court must appoint counsel if the defendant requests it but there is no provision stating the defendant must be told he has the right to make such a request.

The report said that when the court is not allowed to pay reasonable fees for legal services a small percentage of lawyers practicing criminal law carries the burden of defending those who cannot pay.

Seventy-one cities have public defender systems which provide for counsel for persons unable to pay.
