

Indians Hand Giants 1st Shutout in PCL

By GENE BRYANT
United Press International
The law of averages came out of hiding in the Pacific Coast league last night as the Phoenix Giants suffered their first shutout of the season—5-0 whitewash at the hands of Spokane's Larry Sherry.

The homer-prone Giants—collectively a pitchers' nemesis—were unable to do anything with the offerings of Sherry, hitting safely but three times off the Indian right-hander. Sherry provided a further insult by harassing the Giants with an assortment of verbal barbs while going the distance in the Phoenix ball park—a rare thing with ease.

Sherry moved to within one game of the league lead.

ing Giants with a 9-2 victory over San Diego. The loss shoved the Padres into third, one and one-half games off the pace.

In other action, Portland shaded Salt Lake, 4-3 and Sacramento staged a two-run rally in the ninth inning at Seattle to edge the Rainiers, 3-2.

Sherry ran into a wild first inning, in which he loaded the bases on walks with only one out, but settled down to go the distance for the win. The Indians scored single runs in the third and fourth frames, then closed out the night's scoring with three more in the sixth. Tom Saffell and Jim Gentile both homered for the winners.

At Vancouver, the Mounties teed off on a pair of San Diego hurlers for 12 hits to coast to their first win of the series. The Canadians scored four runs in both the second and fifth innings, then added a single marker in the eighth while Erv Palica held the Pads well in check.

Johnny Jorgensen hit a homer for the Mounties while Earl Averil collected his 16th round-tripper of the year for San Diego.

Sacramento trailed 2-1 at Seattle until Kal Segrist and Dick Cole scored the tying and winning runs in the ninth. Segrist scored on a single to left by Cole, who came home when Seattle outfielder Vida Pinson and Bob Balena ran into each other trying for Harry Bright's pop fly to right center. Marshall Bridges went all the way for the Solons, holding Seattle to seven hits, to chalk up his eighth win against six losses. Carlos Paula homered for the visitors.

Dick Stuart slammed his 29th homer of the season in the final frame at Portland but the Beavers' Elmer Singleton shut the door to even the series at one game apiece. Both clubs had nine hits.

Freight Tax End Seen Helpful To State's Economy

Portland—(UPI)—Oregon business leaders said today elimination of the three per cent tax on freight transportation would be a big help to the state's economy.

The Senate voted Thursday to repeal the tax and the issue was before the House.

Jim Manning, assistant traffic manager of the West Coast Lumbermen's Association, said elimination of the tax would help put Oregon lumber on a more even basis in eastern markets with southern pine and lumber from British Columbia.

He said Oregon shippers have been paying a tax of \$1.65 per 1000 feet on lumber shipped to Chicago while southern shippers paid only 67 1/2 cents.

Frank S. Clay, manager of the Portland Freight Traffic Association, said many shippers had acquired their own trucks to haul products east and avoid the three per cent payment. He said elimination of the tax would help railroad and truck business.

Arthur F. Farmer, general manager of the Chamber of Commerce here, said it should provide a big help in marketing Oregon products. He said Oregon had been hurt by the tax because of distance.

Physicians Advised How To Stay Out of Suits by Patients

San Francisco—(UPI)—A psychologist, diagnosing ills of doctors who get sued, told the American Medical association today that physicians can stay out of court by resisting the temptation to "play the God-like role."

Richard Bloom, research director of the California Medical Society, unloaded his frank remarks about "suit-prone" doctors at the annual meeting of the AMA here, saying:

"The unrealistic doctors are likely to think of themselves as all-knowing; they are less concerned with the human side of the medical practice; they tend to be strong disciplinarians and they try to protect their patients from the medical facts."

Bloom said his portrait of suit-prone doctors was drawn

Timber Value Problems To Be Aired in Salem

Salem—(UPI)—Problems of equalization of timber tax values facing Oregon counties will be publicly aired by the State Tax Commission in a series of special fact-finding hearings starting July 7.

Commission Chairman S. W. Horn said that several county boards of equalization have reported divergent actions in treatment of timber taxation and that the special hearings in Salem are necessary for the commission to fulfill its responsibilities as a state board of equalization.

Oregon property tax laws require equalization between classes of property within a county, as well as between counties.

Lack of Uniformity
Horn said the different treatment of timber by several counties, especially those that have recently completed a reappraisal program, indicates a lack of uniformity that the commission feels should be thoroughly explored.

In Lane county, the local board of equalization recently ordered an approximate two-thirds cut in the values suggested by the commission and placed on the roll by the assessor.

Some changes also have been reported in Benton, Douglas and Coos counties. The Tillamook county board has not yet taken action.

The hearings will be held in the state capitol building.

Klamath Falls Tips Crater Lake Legion; Lakeview to Come

Klamath Falls capitalized on two errors and a base on balls in the second extra inning to nose out Medford Crater Lake Motors 3 to 2 here last night and strengthen its grasp on second spot in the Area 4 South district standings of Oregon American Legion junior baseball.

The fracas, which went nine innings rather than the usual seven, was a pitcher's battle of sorts. Medford's Dennis Barr gave up just two hits, but one of them, three bases on balls, four stolen bases and Crater Lake's only two errors of the fray proved damaging to the local cause along with mental miscues. The Motor-men missed three good scoring opportunities.

With the victory Klamath Falls moved up a half-game behind unbeaten Grants Pass with a 3-1 record. Medford is 1-3 in fourth place.

At Glendale Tonight
Crater Lake Motors will aim to get back on the district triumph trail on Saturday night. The Fordmen oppose Lakeview at Cheney field here at 8 p.m. Lakeview is in the cellar with 0-3. This evening Medford's squad will journey to Glendale to tussle the Myrtle Creek-Riddle crew in a non-league scrap.

In the duel between moundsmen last night Barr struck out a whopping total of 18 batters and walked five while his rival Blake Griggs fanned 13 and gave three bases on balls in a five hitter.

In the ninth inning for Klamath Falls, Estin Kiger smacked an infield rap and was safe when Medford first baseman Bob Quinney was ruled to have missed the bag with his foot on taking the throw. With two out, Blake Griggs drew a walk. Then Barr's throw to second base in attempt to pick off Kiger went into the outfield and the Klamathite was able to make it home.

Medford got Tom Turpin on first base on a muffed third strike and ground rule, when the ball rolled into Medford equipment, in the bottom of the ninth. But, after Ken Durkee sacrificed, Ray Konopsek and Calvin Dean grounded out to end the game.

Run on Wild Pitch
Crater Lake Motors drew first blood in the fuss. Durkee was safe on a misplay in the third inning, went to third base on Cal Dean's double and came across the plate on a wild pitch.

That was the scoring until the top of the sixth when, with two out, Bill Worlein walked and stole second and third. Kiger also drew a base on balls. The two runners came up with a double steal effort. Medford pulled the cut-off maneuver as Kiger headed for second base but the return throw home failed to catch Worlein. Rich Moore followed with a double to bring in another run for a KF margin of 2 to 1.

CLM got a tying run in the bottom of the sixth. Cal Dean was safe when rightfielder Keith Ferrell dropped his fly ball. Lowell Dean sacrificed to move his twin brother to second. Quinney reached first on a dropped third strike. Jerry

Montreal Ups International League Spread

United Press International
Montreal, backed by three homers, defeated Richmond, 4-1, 10-6, Thursday night to increase its International league lead over Toronto to two games.

Toronto split a pair with Columbus, dropping the first, 4-0, and winning the nightcap, 7-5.

Gary Blaylock moved Rochester to within a half-game of Toronto as he three-hit Havana, 9-0, for his eighth triumph. He has lost three.

In the other game played, Miami beat Buffalo, 6-1, scoring four of the runs via the home run route.

Ferguson said that if early inquiries at the headquarters are any indication, this year's contest promises to attract one of the largest crowds in the history of the colorful gridiron spectacle. All proceeds go to the Shrine's hospital for crippled children.
