

### Grange News...

**Phoenix Grange**  
Phoenix Grange met Tuesday, June 24, for a potluck supper. The serving committee included Mr. and Mrs. Charles Lewis, Mr. and Mrs. Mark Norton, Mr. and Mrs. Hutton and Harry Reams.

Regular Grange meeting was called to order by Master Charles Johnson.

Roscoe Roberts of Roxy Ann Grange was a visitor. He just recently returned from State Grange session in Seattle, Wash., where he had met with the Grange insurance group. He spoke of the difference in which Oregon and Washington State Grange sessions were conducted, and also on compulsory car insurance.

Mrs. Charles Johnson, a delegate to Oregon State Grange, in giving her report, read the introductory speech, in which the first state grange meeting held in the year 1873 was compared to the current state grange meetings. The problems confronting granges in past years differed greatly from the problems confronting granges of recent years.

Johnson in his report mentioned several resolutions in which Phoenix Grange had been especially interested, which had passed. He said that in 1957 there were 139 resolutions which came up for discussion.

Olin Poe, a delegate to State Grange insurance group, gave a brief summary of their accomplishments.

Mrs. Edith Poe, HEC chairman of district 1, told of the entries in the sewing and hooked rug contest. Those receiving top awards were from district 1, which is composed of Jackson, Josephine, Douglas, Coos and Curry counties.

She also said she was proud of the fact that district 1 had contributed the full amount of \$200 to the Spence Memorial scholarship fund, and was the only district which had done so.

Secretary Lesbia Lattie read letters of thanks from Phoenix Festival Association for the cooperation and contribution of Phoenix Grange and from James Scott, who received a 4-H scholarship award, and is now at 4-H summer school.

HEC Chairman Coral Schroeder announced a rummage sale to be held Sept. 6 and asked that Grange members keep that in mind and be working to have ready a good supply of good quality rummage.

Chaplain Flora Klarin reported Mrs. Willis House is now at home following surgery. A. J. Chapman ill at a hospital in Salem but is returning home soon, and Mrs. Walter Germer ill at home. Mrs. Florence Hartley is much improved.

The resignation, due to illness, of lecturer Maud House was accepted.

Mrs. Dorothy Perl was elected to that office and was installed by Roscoe Roberts.

Mr. and Mrs. Bennett Austin were escorted to the Masters station and presented with a gift from the grange, honoring their 25th wedding anniversary.

### Budget Deficit Estimate Revised

Washington — (UPI) — Top federal sources have revised their deficit estimates for fiscal 1958 ending Monday with a new forecast that the government will finish about \$2,750,000,000 in the red.

Estimates of the deficit for fiscal 1959 beginning July 1 were higher than administration predictions of as recently as a month ago, according to a highly authoritative compilation made available to United Press International.

The Eisenhower administration now anticipates a 1959 federal deficit of between \$10 and \$12 billion and in all probability much nearer the higher figure.

Last-minute corporation tax payments between now and Monday night change the deficit total for 1958. But presidential advisers expect the red-ink figure to be between \$2,600,000,000 and \$2,800,000,000.

### 'LEEDS SOUP' DIET

London — (UPI) — Theodore Stevens was in the soup today — "Leeds soup," that is. His wife, Winifred, told a divorce court Thursday that, after finding love letters to her husband from another woman, she left him a supper of shredded wedding photographs in hot water. She called the concoction "Leeds soup."
