Three Drown When Car Goes in Lake

Enterprise, Ore.—(UP)—Three persons were drowned in Wallowa lake near Joseph Friday afternoon when their car plunged off the highway and into 10 feet of water. Skin diver Bob Wiggins later recovered the body of Mrs. Calista Shoemaker, 65, Tarzana, Calif., Mrs. Jessie Biggers, 60, La Grande, Ore., and three-year-old Christy Lee Branton, daughter of Mr. and Mrs. William Branton of Enterprise. The child's mother, Mrs. Geraldine Branton, was the only survivor of the crash. She was found wandering along the highway later in a state of shock. State police said Mrs. Shoemaker apparently was the driver of the car. Her body, along with that of Mrs. Biggers, was found inside the submerged vehicle and the child's body was found in the shallow water near the edge of the lake.
