

Clark Hits Semi-Finals In Coos Golf Tournament

Coos Bay—Marvin Clark, who carries the standard of the Rogue Valley Country club along with his Grants Pass Golf club affiliation, is among today's semi-finalists in the annual Southwestern Oregon tournament at Coos Country club.

Clark, the 1956 Southwest ern champion, will oppose Sonny Brown, Coos Bay, in his semi-final. Dick Hanen, Coos Bay, was to meet Jim Witty, San Mateo, Calif., in the other semi. The two victors vie this afternoon for the championship.

Two championship flight cotenders from Medford and Rogue Valley Country club were eliminated yesterday. Alon Holmes bowed 4 to 3 to Clark in the quarter-finals. Ron Mitchell was trimmed 2 and 1 by Witty in a morning second round match. Witty came from behind in the match. Mitchell, who shared low qualifying honors with Hanen, had a 31 card on the front side and was 4 up on his California rival on the turn.

Game Commission May Decide on Unit Deer Hunt Prior to Hearing Recess

Portland—Oregon sportsmen are reminded that the 1958 hunting regulations will highlight a public hearing to be held at 10 a.m. on July 11 at the game commission's Portland headquarters, 1634 S. W. Alder. Following the hearing the meeting will be recessed for two weeks and reconvene on July 25 at which time the final rules will be set.

Proposed recommendations to the commission by the staff calls for the establishment of 64 separate deer management units. These will become permanent units with the possible exception of minor boundary changes.

A specified number of permits would be issued for each unit which would entitle the holder to take an antlerless deer during a given period. The permits would be issued free and become valid during the latter part of the season. The unit system would not affect the general buck deer season. All deer tag holders could exercise the freedom to hunt anywhere in the state for buck deer during the general buck season, whether they held a unit permit or not. A permit holder would be restricted to the unit for which he drew if he desired to take an antlerless deer. It might also be well to mention that only hunters with unused deer tags would be allowed to participate. In other words if a permit holder kills his buck during the regular season, his antlerless deer permit becomes invalid and he could not hunt during the unit season.

Of major importance at the July 11 hearing is the probability that the game commission will make the final decision on the unit hunt system before the two week recess is called. This will be a drastic change over past procedures since the commission normally allowed two weeks prior to final adoption of the regulations. If the system is adopted, the unit hunt regulations and the antelope rules as announced will not be further modified and will be the final regulations when adopted.

The mechanics involved in processing more than 200,000 applications and holding a public drawing would necessitate a filing deadline of not later than Aug. 18. If the decision on the unit hunts is not reached until the second hearing, it would leave but three weeks before the filing deadline. However, it would take at least a week or more of this time before maps, application blanks, filing procedures, and other unit hunt information could be sent to all license agents and become available to the hunter.

Open Track Tiff Well Received; Turnout Small

Ashland—Turnout of both competitors and fans for the first Ashland Lions club open track meet at Southern Oregon college was small yesterday.

But interest in the meet was sufficient to the point that another meet is contemplated this summer. Also, it is hoped to make the Fourth of July track event an annual affair and to have several open track meets during future summers.

Entrants in the Friday affair were mainly from the Medford and Ashland vicinities.

Boals went into the semis by edging Larry Butler Friday in a torrid match which went 20 holes, two more than the regulation round. Boals scored a birdie on the 20th to beat Butler's par. Earlier

Death, Suicide End Rome Romance

Rome—(UPI)—It was an ill-starred romance from the first and it ended in death and suicide.

Boals went into the semis by edging Larry Butler Friday in a torrid match which went 20 holes, two more than the regulation round. Boals scored a birdie on the 20th to beat Butler's par. Earlier

Such a change in regulation procedures makes it mandatory that all persons with suggestions pertaining to the unit hunt system be prepared to present their views at the July 11 hearing.

The July 11 hearing will also establish the tentative hunting regulations covering the seasons, bag limits, and other rules for the taking of big game, upland game birds, and furbearing animals. Interested persons are advised that recommendations and

Inglewood, Calif.—(UPI)—The Shoe, a full brother of Swaps, came into his own Saturday with a stirring head victory over Strong Bay in the \$37,200 cinema handicap for three-year-olds at Hollywood park.
