

Dairy Maids Sweep Three-Game Series Here Over Weekend

Memorial Stadium, Camp White—Rogue Valley Dairy Maids rang up the winning run in the bottom of the seventh inning here yesterday afternoon to turn back Astoria 6 to 5 and record a three-game sweep in a week end women's softball series.

The Dairy Maids tripped the Astorians 12 to 6 and 3 to 0 Saturday night. Ellen Callaghan of the Maids tallied a no-hit no-run game in the five-inning nightcap.

Rogue Valley will travel to Klamath Falls to face the Basinettes Tuesday evening. It meets the Chico, Calif., Chico-

ettes on Saturday at Camp White. On Sunday night, also on the Veterans Administration field, the Maids are hostesses to the strong Buena Park, Calif., women's team.

Margin Vanishes

Going into the top of the seventh yesterday, Rogue Valley held what appeared to be a reasonably comfortable 5 to 0 margin. But the girls from the well-known fishing community splurged to knot the fray.

In the bottom of the seventh Erma Penwell hit, Pat Barron drew a walk, Bernice Bigham sacrificed and Shirley Hanson was issued a base on balls to load the sacks. Diane Wall followed with a liner to the outfield. It was dropped and the victory marker crossed home with one out.

Astoria had hits by Edla Lahti, Mary Ann McClellan and Darle Hoagland and used three errors and a base on balls in its big rally. The Maids put over four runs in the second inning on Hanson's triple, Callaghan's single, two walks and a fielder's option. Another counter came in the fifth inning on a hit by Barron and an error.

Gallant Man In Top Field

Inglewood, Calif. — (UPI) — Gallant Man, in the thick of the race for "Horse of the Year" honors, will top the field this coming Saturday in the \$162,100 Holly-Gold Cup and horsemen expected him to score an easy win.

The Gold Cup was to have brought Gallant Man up against Round Table but the Travis M. Kerr horse ducked the issue by going to Chicago, leaving the race open to his rival.

Gallant Man's opposition in the mile and a quarter race that highlights the summer meeting here was expected to be headed by Eddie Schmidt, who also is a small compact horse that likes a classic distance.

Others considered likely starters are Seangen, Japan's Hachukikara, Mystic Eye, The Searcher, Dark Trust and several others. Langloren Farm's Social Climber and Porterhouse emerged from last week's \$50,000 American Handicap slightly lame and will be forced to pass the Gold Cup.

Gallant Man's owner, Texas Oilman Ralph W. Lowe, said the horse was in better condition now than at a three-year-old when he and Bold Ruler staged a series of notable duels.

NL to Get Offer From New York

Baltimore, Md. — (UPI) — The chairman of New York's special mayor's committee will make a "clear-cut, concrete offer" for a National League franchise today despite a warning by N.L. president Warren Giles that no clubowners are in the mood for a change.

"We must get the promise of a franchise first," said William A. Shea, who will make New York City's offer at the National League's annual mid-season meeting. "If we do, we will promise the National League a ball park. It's simple as that. As far as I know there are no barriers in the way."

Shea's optimism was met, however, by Giles' comment: "I get the impression the owners are perfectly satisfied with conditions as they are. As far as I know, not a single one is interested in transferring to another city and that includes New York."

Play Starts In Tourney

Chicago — (UPI) — Play began today in the 33rd annual National Public Links Tournament at Silver Lake Gold club and the champions of the last two years, Don Essig III, Indianapolis, and June Busbaum, Memphis, were the top favorites.

Essig proved his right to the position with a pair of 70's, three-under-par, in his practice round. But he was only one stroke ahead of Busbaum's round, and he trailed the best score posted in practice by the field of 150, a 68 by Lawrence Robertson of Minneapolis.

Busbaum and two others, Remo Crovetto, Highway, Ill., and Frank Schmidt, Dayton, Ohio, had 71's, and Clifford Brown, Cleveland, and Gordon Waldespuhl, Dayton, had 72's.

Every other contestant failed to better par and most of them had 75's or more.

The field, selected through sectional qualification from 2,003 entrants, played 18 holes today and 18 Tuesday with the 64 low scorers advancing to the match play round beginning Wednesday and leading to the championship.

Weber Wins Golf Meet

Prineville, Ore. — (UPI) — For the third consecutive year youthful Ron Weber, the University of Houston freshman golfer, out-stroked the professionals in the Prineville invitational Pro-Amateur Golf Tournament Sunday, as he carded a two-under-par 64 to top the field.

Taking top honors in the pro-ranks was Bill Eggers, of Portland with a 65.

Finishing behind Eggers in the Professional division were Bill Wilkinson, Redmond; Alex Weber, Prineville; Ed Oldfield, Astoria; and Larry Lamberger, Portland, all with 66.

Tied for third spot with 67's were Harvey Hixson, Eugene; Harold West, Lonsview, Wash., and Gene Mason, Salem.

Finishing fourth with 68's were Roger Doyle, Portland; Bill Johnson, Portland; and Bob McKendrick, Oswego.

Runners-up in the amateur class were Millard Porter, Prineville, and Don Krieger, Portland, with 66's; Bob Hogan, Prineville, 67; and Martin Leptich, with a 68.

Local pros Al Williams and Ron Caperna finished out of the running. Caperna carded a 71 total and Williams failed to complete his second round.

Johnson, a UCLA sophomore, won the national AAU decathlon championship Sunday for the second time in three years. However, he failed to break his own recognized world record of 7,895 points because he feared too much power would aggravate his injury. Kuznetsov garnered 8,016 points last May and is awaiting official acceptance of the feat.

Road conditions on the Alaska Highway are best from about the start of June to the end of September.

Four Cities Listed As Possible Home For Senator Club

Baltimore, Md. — (UPI) — President Cal Griffith of the Washington Senators said today there was "a strong possibility" he would transfer his ball club to one of four cities — Houston, Dallas, Minneapolis or Toronto.

"We'll know definitely when we come out of this meeting," Griffith said as he walked into an American league session with Commissioner Ford Frick and League President William Harridge.

Harridge said that "officially I heard nothing about a possible Washington request to transfer its franchise; but I wouldn't be surprised if it came up at this meeting."

Busbaum and two others, Remo Crovetto, Highway, Ill., and Frank Schmidt, Dayton, Ohio, had 71's, and Clifford Brown, Cleveland, and Gordon Waldespuhl, Dayton, had 72's.

Johnson Hopes Knee Will Hold Up In Meet

Palmyra, N.J. — (UPI) — Rafer Johnson, America's greatest all-around track and field star, hoped today his trick knee would hold up for the battle against arch-rival Vassili Kuznetsov of Russia in the forthcoming United States-Soviet meet in Moscow.

Johnson, a UCLA sophomore, won the national AAU decathlon championship Sunday for the second time in three years. However, he failed to break his own recognized world record of 7,895 points because he feared too much power would aggravate his injury. Kuznetsov garnered 8,016 points last May and is awaiting official acceptance of the feat.

that the Senators had made inquiries as to the possibility of transferring to Houston or Dallas.

"But I don't think there is any chance of that," Butler said "because neither Houston or Dallas has a ball park which would meet major league specifications."

Thus the speculation was that if the Senators did move, it will be either to Minneapolis, which already has a park that could be expanded, or Toronto, which is in the process of building a new park in the hope of attracting a major league franchise.

As they went into the meeting, American League club owners indicated they would be sympathetic to any Griffith proposal.

Riddle retained its unbeaten status in the Rogue Valley league Sunday by downing Prospect 8 to 3 at the loser's field. In the only other league action over the week end Butte Falls remained winless when Cave Junction downed them 10 to 5 Sunday.

Behind the pitching of Miller, Riddle scored three runs in the first inning, two in the fourth, and led the game with three more in the fifth. Prospect managed a single tally in the first inning and then went scoreless until the ninth when it collected a pair of runs. The losing pitcher was Bob Larson. Jim Linderman and Don Wilson collected two hits apiece in a futile effort for the losers.

Cave Junction's big inning came in the sixth when it

tallied six runs on four hits and two errors. After scoring a lone run in the first, Cave Junction saw Butte Falls score three in the third and a single in the fifth to take a three-run edge prior to the big sixth inning.

Insurance tallies including one in the seventh and two in the eighth were added by Cave Junction. Butte Falls was able to put together a rally in the ninth only long enough to score one more run.

The next Rogue Valley league action is slated for Sunday, July 13. Butte Falls is scheduled to meet second place Camp White at the latter's field, and Prospect will face league leading Riddle at Myrtle Creek.
