Stonemason Hates To Part With House

Metamora, Ill. — (UPI) — Many houses fall before the bulldozer when new highways are built, but few homeowners feel worse about leaving their property than does a 75-year-old stone-mason here who personally built his tone dwelling.

Herman Weber built the house in 1941, using stone from creeks and fields near this Woodford County town. Now the state needs the property for the reconstruction of Ill. 116. The state set a price of $18,500 for the property, but Weber would rather have his home.

"You just can't replace it," he said. "There's all that sentimental value."

He looked at the stones, grey, green, blue, brown, red and other colors, and said:

"I'd like to take some of them with me, but I don't know if they would clean well so they could be used again."

Weber has been a stonemason since he was 16, and is still active. Stonemasons, he said, are a breed apart; they aren't brickmasons, and there aren't many stonemasons left.

"It's hard to take, them coming in here and smashing that house to bits," he concluded.

HAMILTON GETS GRANT

Clinton, N. Y. — (UPI) — Hamilton College has announced a $100,000 grant from the Irene Heinz Given and John La Porte Given Foundation of New York. Robert W. McEwen, president of the upstate college, said the money will be used by Hamilton's teaching departments.

PARTING is such sweet sorrow for Norman Payne, 28, of Pasadena, Cal., and "Taffy," but neighbors and city officials said it had to be. Payne planned legal action to keep pet lion, but had no funds.

NEW LOUDSPEAKER

Syracuse, N.Y., — (UPI) — General Electric Co. has announced development of a 9x12-inch elliptical loudspeaker, the largest it has ever engineered for commercial television or radio. The speaker will become part of a coaxial sound system that will be part of the company's 1959 line of television receivers.

IMPARTIAL

Dryden, N.Y. — (UPI) — John Zigmund finds it easy to be impartial when he umpires a baseball game between Ithaca college and Wilkes college. Zigmund, currently baseball coach at Dryden Central school, was a student at both Wilkes and Ithaca colleges.

Flowers-by-Wire Sales Increasing

Chicago —(UPI)— Eugene R. Daudelin, president of the nation-wide Florists' Telegraph Delivery Association, says flowers-by-wire sales are increasing.

Daudelin said nationwide flowers-by-wire orders reported by FTD's 11,000 members totaled close to five million for the first nine months of the current fiscal year ended June 30. This is an increase of more than eight per cent over the same period a year ago, he added, and represents a dollar volume of $58,738,600, 10 per cent higher than a year ago.

Daudelin said FTD members handled more than a million Easter orders in April, an increase of 8 per cent over Easter, 1957.
