

Braves Retain Half Game Edge Over Giants, Yanks Loose 12-5 to Detroit

By MILTON RICHMAN
UPI Press International
The joy is a member of the crew family, so Milwaukee can't be blamed today for crowing over Joey Jay, a young pitcher once pegged as being strictly for the birds. The trouble with Jay, they

used to say around the National League, was that he never outgrew the little leagues in which he used to be cock of the walk. Given a \$40,000 bonus when he was 17, Jay took his good old time winning a place with the Braves. The standard gag among rival players was, "Well, now that they've got their money invested in him, let's see them get it out."
Suddenly, however, the 22-year-old right-hander is starting to repay that investment with added dividends. Like Tuesday night, for example, when he turned in a brilliant four-hitter and struck out eight batters in a 4-1 victory over the Cardinals.
It was Jay's fourth triumph of the campaign and the Braves needed it to retain their half-game lead in the tight N.L. race. Hank Aaron took care of the attack, driving in three runs with his 16th and 17th homers and a sacrifice fly. Wes Covington also homered off loser Sal Maglie, who yielded all of Milwaukee's runs.

Giants Also Win
The San Francisco Giants stayed right at the Braves' heels with a 1-0 win over the Philadelphia Phillies, who dropped their fourth straight game.
Mike McCormick, 19-year-old bonus southpaw, registered his seventh victory against one defeat when he pitched out of jams in the eighth and ninth to beat Robin Roberts.

The loss was a heart-breaker for Roberts, who held the Giants to two hits over the first eight innings. A bases-loaded error by Willie Jones on Ray Jablonski's grounder in the sixth allowed San Francisco to score the only run of the game.
Jackie Jensen gave the Red Sox their winning margin when he blasted his 227th homer with two on in the first inning off loser Ray Herbert. Frank Sullivan ran his record to 8-2 as he held the Athletics to eight hits in seven innings.
Roy Sievers poled his 21st home run of the season in the seventh inning to break a tie and power Washington to a 5-4 decision over Cleveland.
Sievers' blow came off loser Gary Bell, who took over for starter Herb Score after the Senators nixed him for four runs in the first two innings. Score, making his first starting appearance since April 30, walked four men and gave up three hits.
Frank Lary of Detroit beat the New York Yankees for the fifth time this season, 12-5, although he wilted in the 9th-degree heat and needed help from Hank Aguirre in the eighth. The Tigers wrapped up their ninth victory in 13 meetings with the Yanks this season by scoring nine runs in the first four innings off loser Zack Monroe and Virgil Trucks.

Durrelle-Holt Battle Tonight

Montreal (UPI)—Everything points to a slam-bang affair when Canada's Yvon Durrelle puts his British Empire lightweight crown on the line tonight against challenger Mike Holt of South Africa in a 12-round internationally televised match at the Forum.
Durrelle, 29, was established as a 2-1 favorite locally on the eve of the first Commonwealth title bout ever held in Canada, but out of town the price was closer to 8-5.
Holt, an unheralded boxer-slugger, will be making his first appearance in a North American ring. He is ranked seventh in the division. Durrelle is ranked third.
The International Boxing club, co-promoting the fight with Montreal's Eddie Quinn, announced it hoped to match the winner with world champion Archie Moore.

American Cup Golfers Named

New York (UPI)—The U.S. Golf Association today named Billy Joe Patton of Morganton, N.C., to head a team of seven U.S. players who will defend the American Cup matches against Canadian and Mexican amateur teams at the Olympic Country Club, San Francisco, Sept. 5-6.
The United States has won the cup each of the three previous times it has been contested. The matches are held every two years.
In addition to Patton, who was named captain, other players selected were Rex Baxter Jr. of Amarillo, Texas; Charlie Coe of Oklahoma City; Hillman Robbins Jr. of Memphis, Tenn.; E. Mason Rudolph of Clarksville, Tenn.; Dr. Frank M. Taylor Jr. of Pomona, Calif.; and Harvie Ward Jr. of San Francisco.

PGA ON TV
Havertown, Pa. (UPI)—The Professional Golf Association announced Tuesday the last two rounds of its championship tournament will be televised by the Columbia Broadcasting System on Saturday and Sunday.

NWL Lead Increased By Yakima

By United Press International
Catcher Milt Martin proved to be a one-man wrecking crew in Tuesday night's Northwest League action.
Martin drove in all of Salem's runs as the Senators edged Eugene 5-4.

The backstop blasted a grand slam homer in the third following singles by Hal Reniff, Jack Dunn and Cal Bauer. In the seventh, Bauer again singled, moved to third on a single by Bernie Schreiber and scored on Martin's sacrifice fly.
Tri-City got a three-hit pitching job from Jack Kelly and turned it into a 1-0 victory over Wenatchee. Kelly fanned nine in picking up his third win without a defeat.

Tri-City got its lone run in the third when Reggie Hamilton doubled and crossed on two infield outs.
Yakima gained a firmer grip on first place with a 7-4 decision over Lewiston.
Ted Kambour, Yakima lefty, won his tenth victory of the year although touched for 15 hits.
The Bears got what proved to be their eventual winning run in the fifth when Herm Lewis doubled and scored on a single by Kambour. Lewis added to more markers in the sixth with a 360-foot homer good for two runs.

Frick Defends Sports Bill

Washington (UPI)—Baseball Commissioner Ford C. Frick declared today that expansion of the major leagues is "inevitable" but predicted it will come through larger leagues rather than franchise shifts.
Frick made the statement in testimony supporting the Senate sports bill which would grant broad anti-trust immunity to professional team sports. To apply the anti-trust laws to baseball, he said, would be "inappropriate and disastrous."
The baseball commissioner urged Congress to extend baseball's court-endowed anti-trust exemptions to apply to other team sports.
"Baseball firmly believes that the anti-trust laws are not appropriate for regulation of any organized team sports and that basketball, football and hockey as well as baseball should have exemption for their sports practices," he said.

The Justice Department came out Tuesday against a provision of the House-passed sports bill—roughly paralleling the Senate bill now under study—which would grant anti-trust immunity to rights to broadcast and telecast sports games.
Frick said orderly expansion of the major leagues would be "impossible" if anti-trust suits could be filed against the territorial rights of baseball clubs.
He described the territorial rules imposed on baseball clubs and the reserve clause binding players forever to the teams which hold their contracts as "the keystones of organized baseball."

Snead Favored in PGA Contest; Bolt Ruling Pending

By LEO H. PETERSEN
UPI Sports Editor
Havertown, Pa. (UPI)—They were betting on old Sam Snead today to win the PGA golf tournament and on U.S. Open champion Tommy Bolt to escape heavy punishment on charges his conduct has been detrimental to the game of golf.
There were no official odds in either case.
But old Slammin' Sammy, 46, was the sentimental favorite in the field of 163 play-

Roberts Gets No-No First Try

Cliff Roberts pitched a no-run, no-hit ball game Tuesday afternoon to lead his Medford Tigers to a 14-0 victory over Lone Pine in Pee Wee league action. At the same time the Medford Wildcats edged the Central Point Pees 3-2 behind the one-hit pitching of Highland.
Roberts, who collected a pair of hits himself, was backed up by the strong hitting of his teammates. Danny Miles smashed a triple and a home run, Steve Ettles collected a pair including a homer, and Mike Barnes and Cliff Roberts each added two at the plate. Phipps and Miles were each credited with three RBIs. While pitching for the first time, Roberts walked four and struck out eight.

INDIANS' PROTEST DENIED

Chicago (UPI)—Will Harridge, president of the American League, has refused Cleveland Manager Joe Gordon's protest in the 10-0 loss to the New York Yankees last Saturday. Gordon complained the game should have been called because of poor playing conditions.
Snead has won more tournaments and more money than any golfer in history but if he should win the PGA again it would be a new first. For the PGA, because of a dwindling gate over the years, changed the format of its championship this year. It will be four rounds of medal play instead of the old match play system.
Snead wasn't the only favorite in the field. Ranked right up there with him were such shotmakers as Cary Middlecoff, Jackie Burke, defending champion Lionel Heoert, and a host of others in the star-studded field. In all, 11 former PGA champions are in the field.

for-pay golfers scheduled to tee off Thursday in the first four rounds of medal play which will decide the professional golfers championship. And they figured that Bolt, the temperamental thunderbolt of the links, would be in that field.
The odds on Snead were better. Bolt received a 24-hour reprieve Tuesday when the PGA executive committee failed to take any action against him during a three-hour meeting.
Doesn't Show Up
Tommy, although he knew the meeting was being held to weigh his case and had appealed the \$500 fine assessed against him in the Pepsi Open two weeks ago, didn't show up.
PGA President Harold Sargent received a telephone call from Bolt, advising him he had been delayed at Odessa, Tex., but would be here today.
So Sargent called a special meeting at 6 p.m. at which Bolt's immediate golfing future will be decided. Bolt could, under the PGA regulations, be suspended from tournament play and be assessed other penalties, including a fine.
The fact the executive committee failed to act at Tuesday's meeting indicated to Bolt's fellow pros that any penalty imposed upon Bolt would not take effect until after this tournament. After all, the PGA championship has not been a financial success for years, and the powers that be in that golfing body would not want to eliminate one of its top gate attractions for this tourney.

Seeded Players Advance in Tennis Tourney
River Forest, Ill. (UPI)—Top-seeded Barry Mackay, Dayton, Ohio, and Bernard Bartzen, the No. 2 seeded Dallas, Tex., ace, today held increased odds they would face one another in the final of the National Clay tournament.
Mackay defeated Robert Siska, of San Francisco, 6-3, 6-4, and then downed Gaylor Messick, Western Springs, Ill., by the same score in Tuesday's play.
Bartzen had an equally untroubled dual appearance at the River Forest Tennis club. He took the measure of Mike Gordon of Chicago, 6-0, 6-2, and followed with a 6-0, 6-0 rout of another Chicagoan, Parker Hall.

MEDFORD AND STUDS TO CLASH THURSDAY

The Chaney Studs from Central Point will clash with Medford's Crater Lake Motors nine at Cheney field Thursday evening at 8 o'clock.
The two American Legion junior baseball teams were scheduled to meet Tuesday evening but the game was rained out.
Thursday's game promises to produce some lively and hard fought action. The two clubs have split on their last two encounters, with Medford defeating the Studs 2-1 last week in a district game to take third spot in Area 4 South.
The Studs pounded Medford 7-0 in the game before the district contest.
Bill Askwith, Central Point manager, challenged the Medford club supporters this morning to a contest. He maintained that Central Point supporters would be more numerous than Medford fans at the Thursday game. Askwith also implied that the CP rooters would leave in a victorious mood when in the final out was counted.
