## Pads Assume Slim Edge in PCL Chase

By GENE BRYANT  
United Press International

The San Diego Padres, despite three Phoenix home runs, coasted to a 6-3 victory over the Giants Wednesday night to cut short Vancouver's stay in the Pacific Coast league's top spot to one day.

The victory gave the Pads a .002 percentage margin over the second-place Mounties, who suffered a 15-0 whitewashing at Seattle. Phoenix trails both clubs by a full game.

San Diego sent five runners across the plate in the first inning to drive Giant starter Dom Zanni to the showers and wrap up Bill Werle's ninth win of the year. The Padre hurler allowed six hits, including a pair of home runs by Don Taussig and another solo shot by Bill Wilson. The loss was Zanni's eighth against 10 wins.

Sacramento shaded Portland, 2-1, and Spokane made it three straight over Salt Lake, 7-6, in other games.

Seattle tied off for 11 runs in the second inning against Vancouver on seven singles, a double and three-run homer. The Rainiers added three more in the third and a single marker in the fourth to give rookie pitcher Claude Osteen, who gave up only four safeties, his first victory.

Osteen, a 19-year-old left-hander called up from Wenatchee of the Northwest league, struck out seven, fanning the side in the fifth.

Gale Wade, Vada Pinson and Eddie Basinski led the Se-

attle attack with three hits apiece.

Spokane's victory was the Indians' third straight over Salt Lake by a one-run margin. The Tribe put together two big innings, then withstood Bee uprisings in the eighth and ninth frames to give relief pitcher Dave Patrick the victory, although he needed help from Ed Palmquist, Bill George and Connie Grob in the final inning.

Indians Outbit by Bees  
Salt Lake outbit the Indians again, this time by a 13-7 margin, but the winners bunched theirs in the fourth and eighth to stay in front through the last six innings.

Joe Stanka came home with the deciding run for Sacramento to win his own game, his seventh against 10 defeats. The Solon hurler walked in the eighth, was sacrificed to second and then scored when Jim Westlake doubled to centerfield.

Portland had taken an early 1-0 lead, but the Sacs knotted it with a tally in the fourth.

## Rogue Stars Whack Camp Whiter Club

Memorial Stadium, Camp White — Rogue Valley All-Stars made four of their first five hits count to assume command then took advantage of Whiter miscues to pad out the score and trounce Camp White 12 to 1 here last night in a non-league semi-pro baseball conflict.

Dennis Barr, Medford high chucker who just finished a season of tossing for Crater Lake Motors American Legion junior team, held the host club down with a one-hitter. The All-Star pitcher, who'll be a prep senior this fall, struck out Whiter batters 13 times. He walked six.

Outfielder Dennis King smacked home five All-Star runs on two singles and a groundout. Dick McLaughlin of the Stars, with two doubles, was the only other player with more than one hit.

The Stars gained seven of their markers in the ninth inning on hits by King and McLaughlin, two bases on balls and six errors, including two muffed flies by outfielder Roby Isaacs and second baseman Chuck Mairchant.

## Wendt Drives In Run

Camp White picked up its only run in the third inning to break the scoring ice. Ron Peery reached first base when third baseman Gordon Owsley failed to hang on to his fly ball. Peery went to second on a passed ball and tallied when Don Wendt dumped a fly into centerfield for a single.

The Stars put over two runs in the fourth inning. Calvin Dean walked and came home when Ed Reinking lined a rifle-like triple down the rightfield stripe. Reinking crossed the plate when King grounded.

In the seventh inning Larry Perkins singled, Cal Dean two-baggered and Reinking walked to load the sacks. King hit safely to send in two runners and Reinking got to third base. Then Reinking caught the Whiter's napping and sneaked home.

The Stars panned a total of seven hits and received 10 walks from CW pitchers Gary

Stars were Medford high students or graduates. Jim McAbee, Southern Oregon college and ex-Talent high, entered the scrap in the fourth inning for the Stars.

## Joe Brown Retains Lightweight Toga; Decisions Ken Lane

By JACK CUDDY

Houston, Tex. (UPI)—Lightweight champion Joe Brown said today he will grant a rebuttal "as soon as a possible" to southpaw Kenny Lane, who menaced his crown Wednesday night before a sellout crowd that paid a record Texas fight gate.

Brown's thundering finish in the 15th round probably saved his 135-pound title on the unanimous decision that string at 19 straight and extended Joe's unbeaten streak to 18, including a draw.

Because of the terrific fight the new record Texas gate of \$69,203 and a record paid crowd of 10,994, Rex Braun, president of Texas Boxing Enterprises, Inc., announced, "we'll stage a return title fight in late September at the Coliseum, if the managers are willing."

Claim Lane Won  
Lane, of Muskegon, Mich., and co-managers Jack Kearns and Pete Petrosky declared in unison that Kenny had won Wednesday night's thrilling contest at the Coliseum, but hadn't got the verdict. They demanded a return as quickly as possible.

However, Lou Viscusi, manager of Brown, was not as eager for a return tilt as the champion was.

He said: "I don't know what we'll do next. We'll have to talk things over for a couple of days."

Brown, 32, of New Orleans received the largest purse of his career — approximately \$42,400—for his magnificent defense against the underrated challenger who had gone into the ring a 13-5 underdog.

Lane, 26-year-old ex-farm boy, will get half as much as Brown or about \$21,200 for his 20 per cent of the net gate and \$45,000 TV money.

Each weighed 134½ pounds.

Lane Staggered in 15th  
Brown wrapped up a successful fifth defense of the 135-pound title in the 15th round when he twice staggered Lane with right uppercuts and left hooks and knocked

out his mouthpiece for the second time in the bout.

The champion received the unanimous decisions on a 10-point-must basis as follows: Referee Ernie Taylor, 143-142; judge Jimmy Webb, 145-141, and judge Bill Cornelius, 144-143.

United Press International had the bout even, with 143 points for each fighter. A pool of 17 writers at the ringside showed 13 favoring Brown, three for Lane and one even.

There were no knockdowns, although each was well shaken many times.

## Bert Bell Testifies At Hearing

Washington (UPI)—Bert Bell, National Football League czar, and Rep. Emanuel Celler (D-N.Y.), bitter foe of blanket anti-trust exemptions for professional sports, were scheduled to testify today at a Senate subcommittee hearing.

Celler, who originally offered the sports bill to the House, had urged Congress to reduce the number of exemptions from anti-trust law coverage. The bill, however, now carries an amendment that would grant baseball, football, basketball and hockey immunity from prosecution.

Arthur Dutch Bergman, former Washington Redskins coach, asked the government Wednesday to give pro football players greater protection from owners if blanket legislation is enacted.

Bergman said players would be at the mercy of club owners if they did not have "some recourse" in their dealings with the front office.

The former Notre Dame star and coach at Catholic University defended the pro football draft as "a real equalizer" of teams in the NFL. Unless an exemption is granted, the draft could be declared an anti-trust violation.

Sammy Baugh, one of Washington's greatest sports figures a decade ago, was slated to testify Wednesday but did not appear.
